[57] CLAIM

The ornamental design for a molded casket dish, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a molded casket dish showing my new design, shown partially broken away for purpose of illustration;

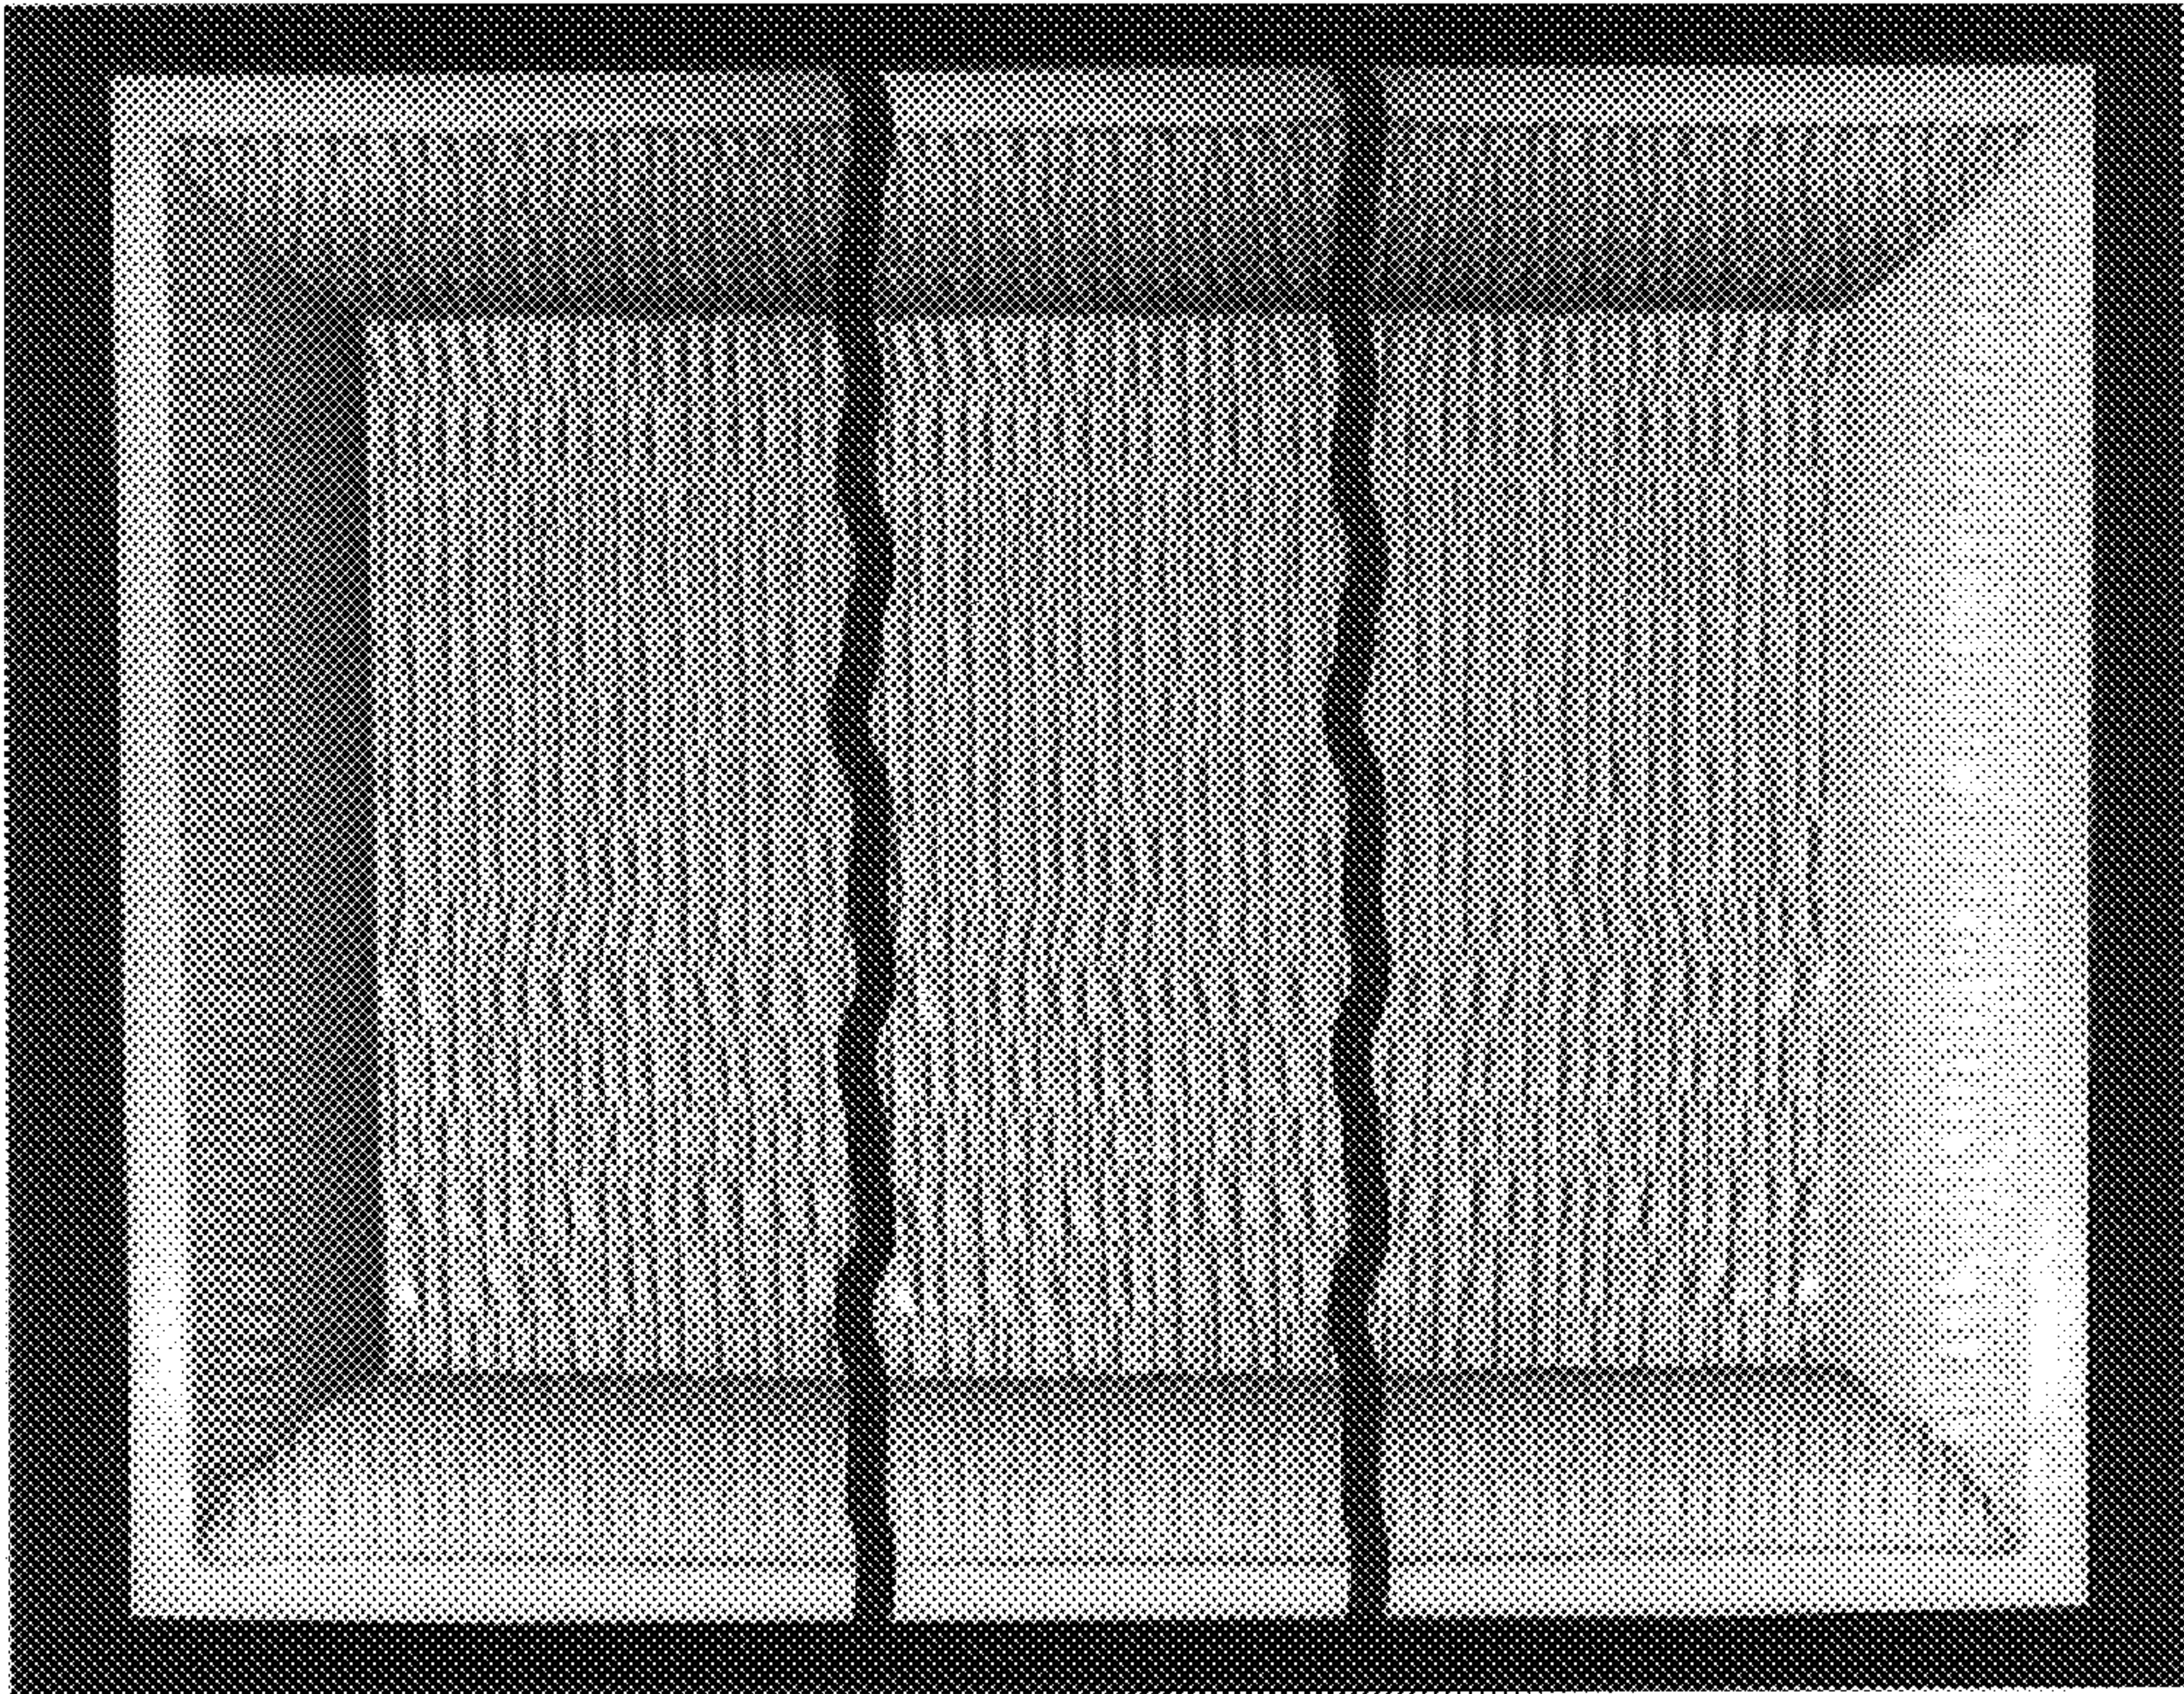

FIG. 2 is a side view in elevation of the molded casket dish, and the opposite side of the molded casket dish is an identical view.

FIG. 3 is an end view in elevation of the molded casket dish, and the opposite end of the molded casket dish is an identical view.

FIG. 4 is a alternate front elevational view thereof, shown partially broken away for purpose of illustration; and,

FIG. 5 is a fragmentary rear perspective view shown for purpose of illustration.
