[57] **CLAIM**

The ornamental design for a security bracket, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view of a fully assembled

security bracket showing my new design with the broken line showing of partial structure being for illustrative purposes only and forming no part of the claimed design;  
FIG. 2 is a front elevational view of the security bracket.  
FIG. 3 is a top plan view of the security bracket.  
FIG. 4 is a bottom plan view of the security bracket.  
FIG. 5 is a left hand side elevation of the security bracket.  
FIG. 6 is a right hand side elevation of the security bracket.  
FIG. 7 is a front elevational view of a cable bracket portion of the security bracket.  
FIG. 8 is a top plan view of the cable bracket portion of the security bracket.  
FIG. 9 is a bottom plan view of the cable bracket portion of the security bracket.  
FIG. 10 is a right hand side elevation of the cable bracket portion of the security bracket.  
FIG. 11 is a left hand side elevation of the cable bracket portion of the security bracket.  
FIG. 12 is a top plan view of a cover plate portion of the security bracket.  
FIG. 13 is a side view of the cover plate portion of the security bracket.  
FIG. 14 is a bottom plan view of the cover plate portion of the security bracket.  
FIG. 15 is a right hand side elevation of the cover plate portion of the security bracket; and,  
FIG. 16 is a left hand side elevation of the cover plate portion of the security bracket.
