[57] **CLAIM**

The ornamental design for a wristwatch/telephone, as shown and described.

DESCRIPTION

FIG. 1 is a front, top, right isometric view of one embodiment of a wristwatch/telephone showing our new design; FIG. 2 is a rear, top left isometric view thereof. The largest round feature on the top center of the wristwatch/telephone is intended to represent a display, and the two smaller round areas depicted by broken lines are intended to represent input devices and a microphone; FIG. 3 is a right side elevational view thereof, the left side being a mirror image thereof; FIG. 4 is a top plan view thereof; FIG. 5 is a rear elevational view thereof; and, FIG. 6 is a front elevational view thereof. The broken lines shown in FIGS. 1 through 6 are included for the purpose of illustrating environmental elements only and form no part of our claimed design.
