(57) **CLAIM**

The ornamental design for a wall phone, as shown and  
described.

**DESCRIPTION**

FIG. 1 is a perspective view of a wall phone according to the  
invention.

FIG. 2 is a front elevational view of a wall phone according  
to the invention.

FIG. 3 is a front elevational view of a wall phone according  
to the invention, shown with handset displaced from the  
cradle.

FIG. 4 is a rear elevational view of a wall phone according  
to the invention.

FIG. 5 is a left side elevational view of a wall phone  
according to the invention.

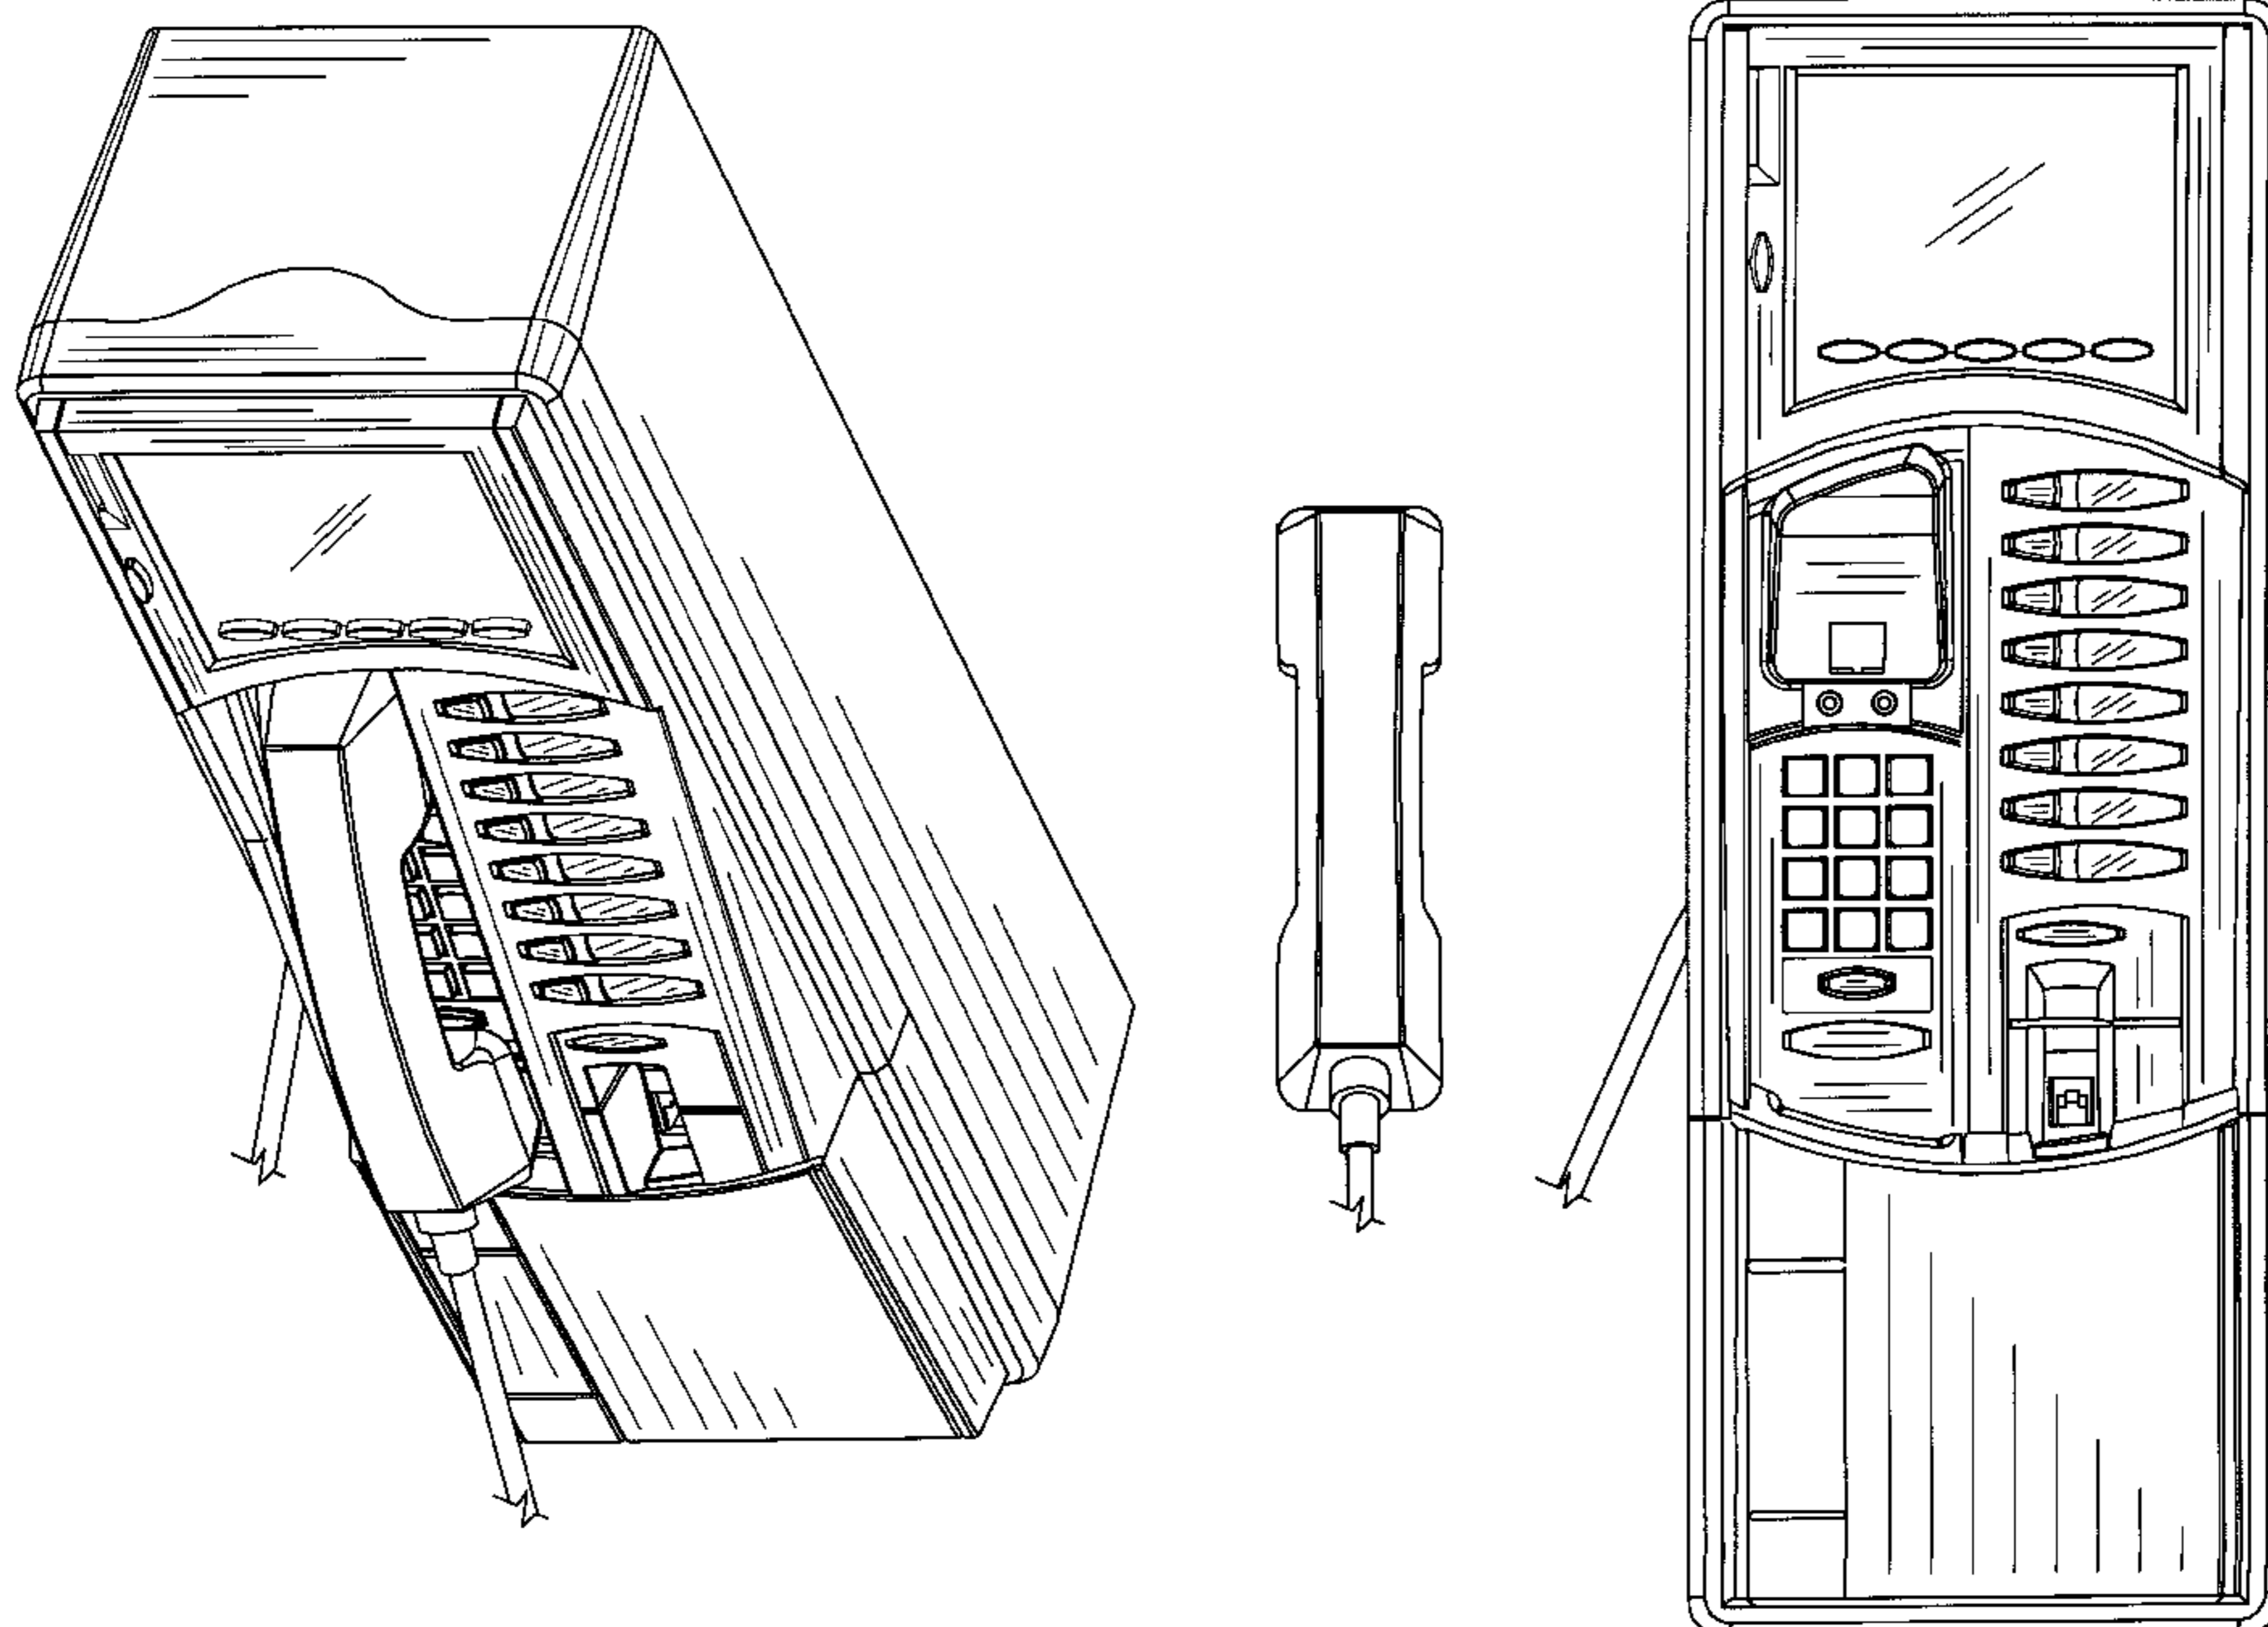

FIG. 6 is a right side elevational view of a wall phone  
according to the invention.

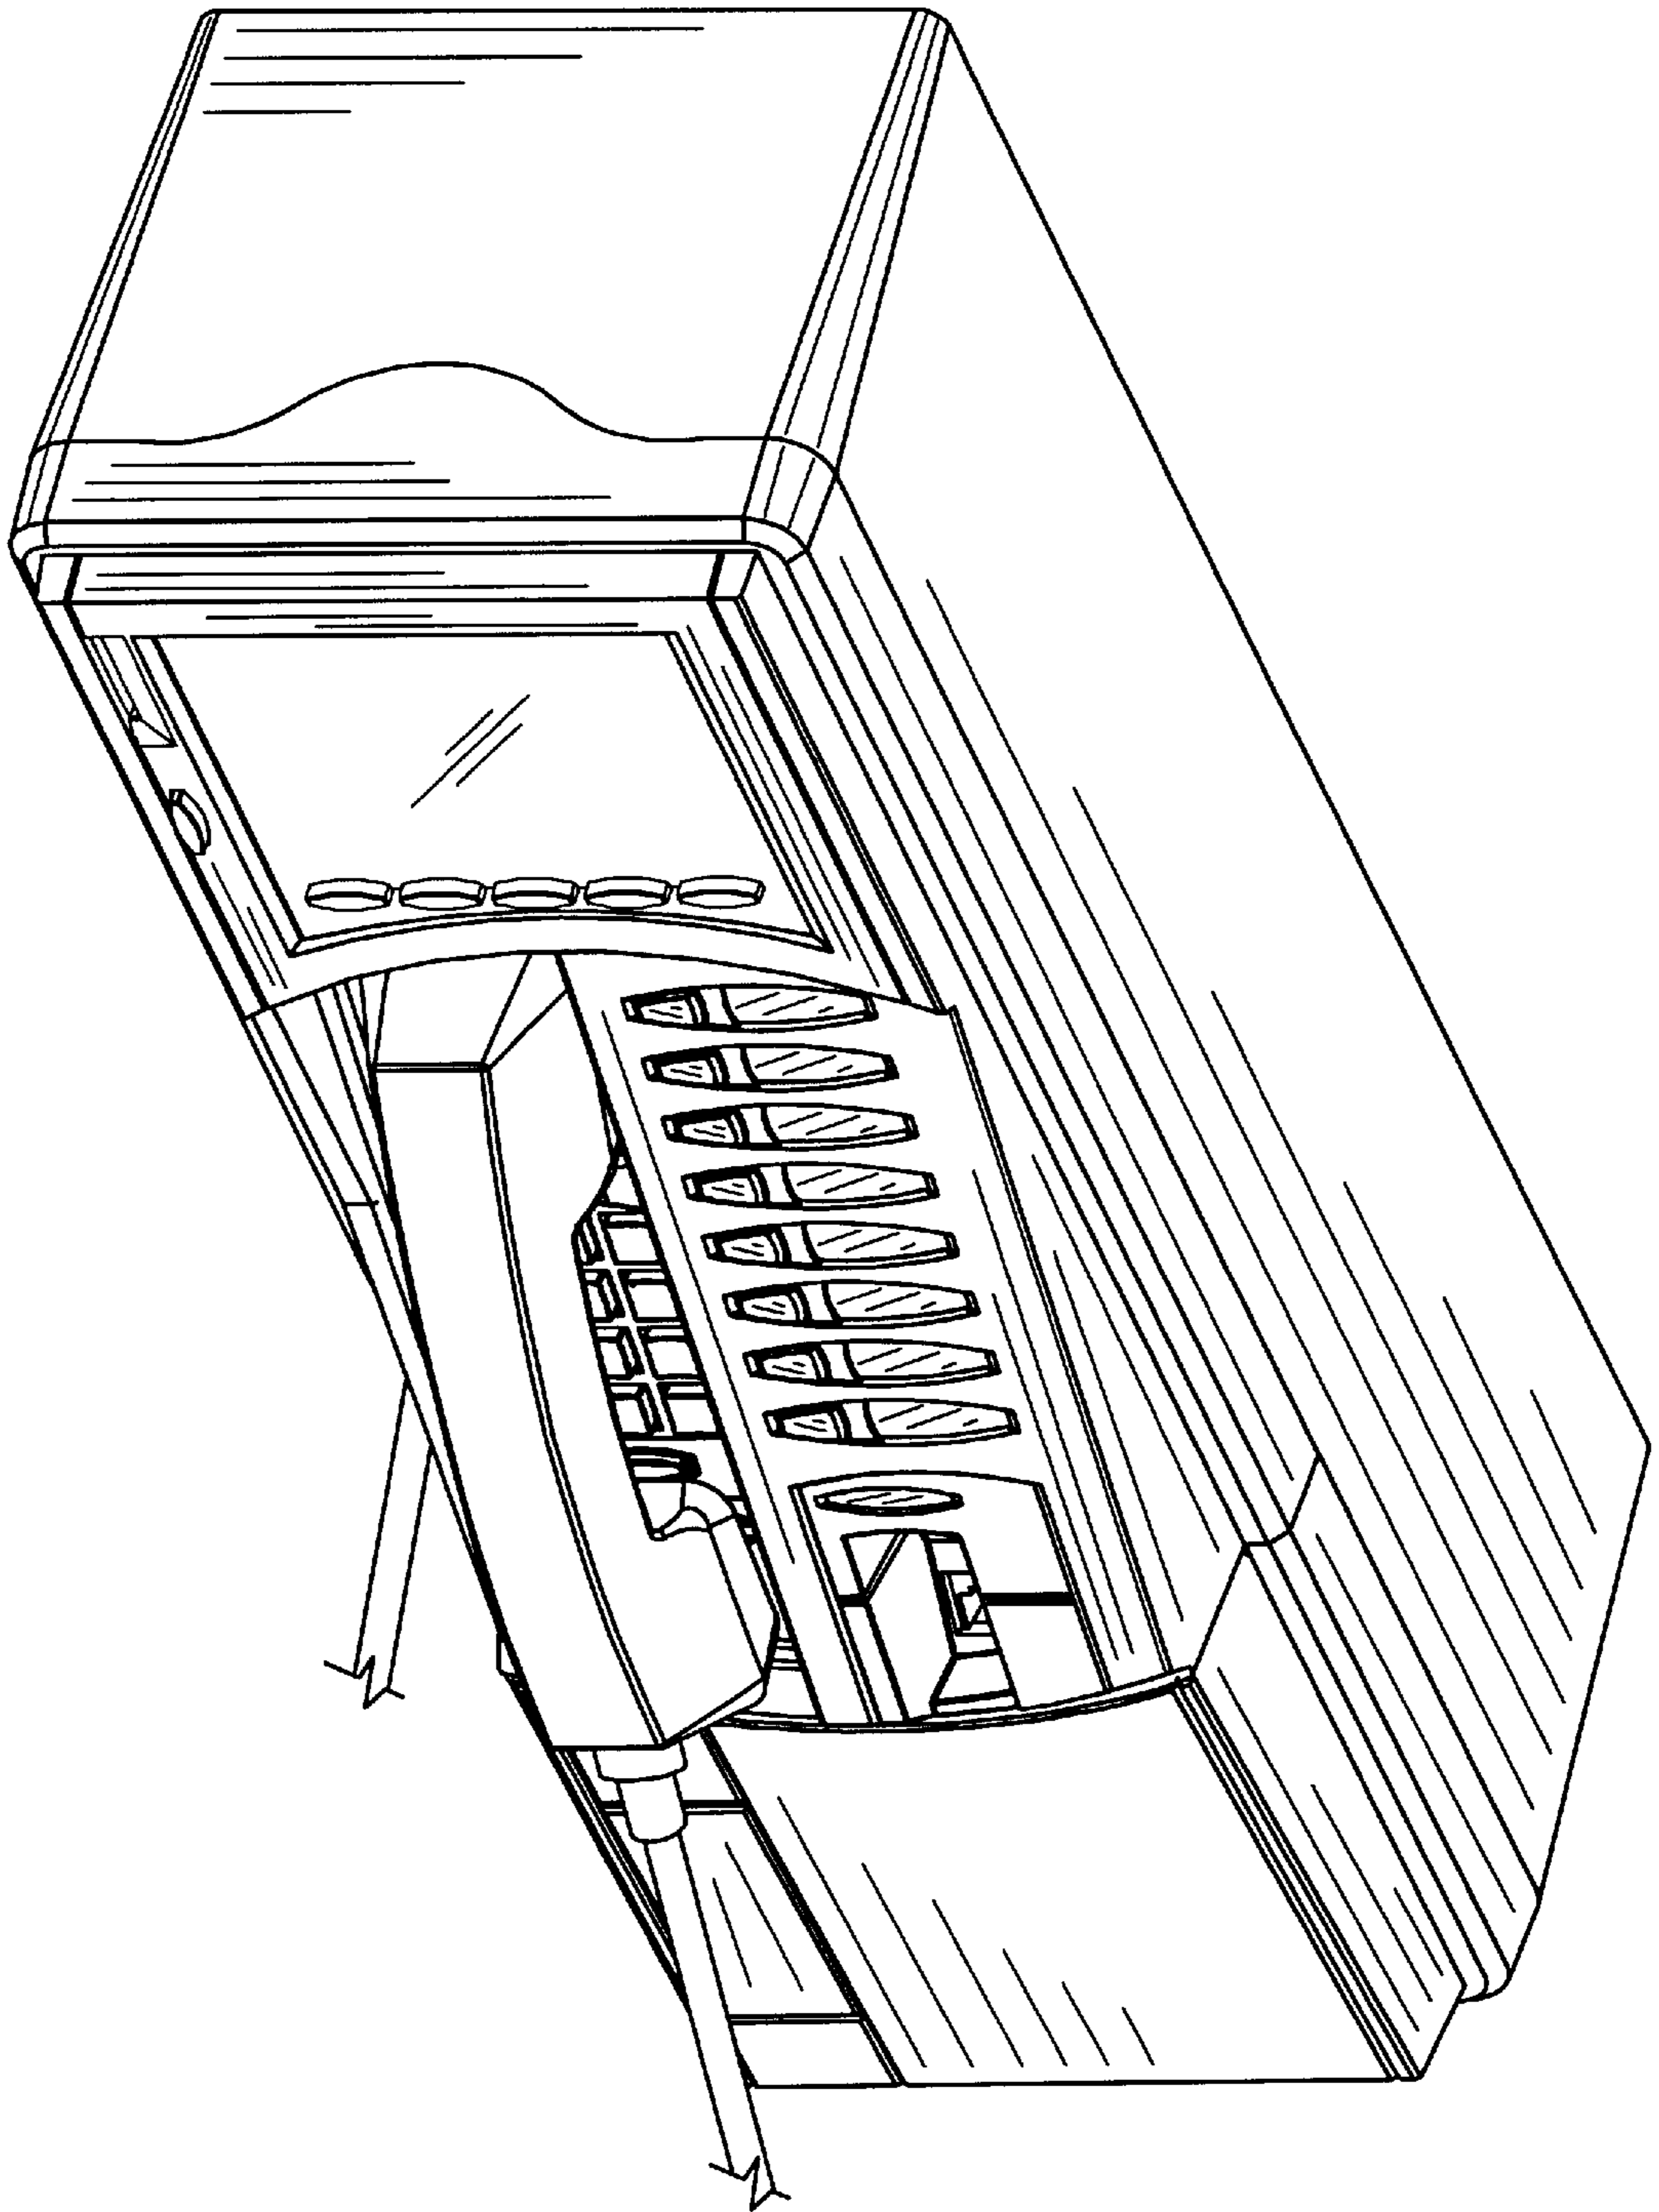

FIG. 7 is a top plan view of a wall phone according to the  
invention; and,

FIG. 8 is a bottom plan view of a wall phone according to  
the invention.

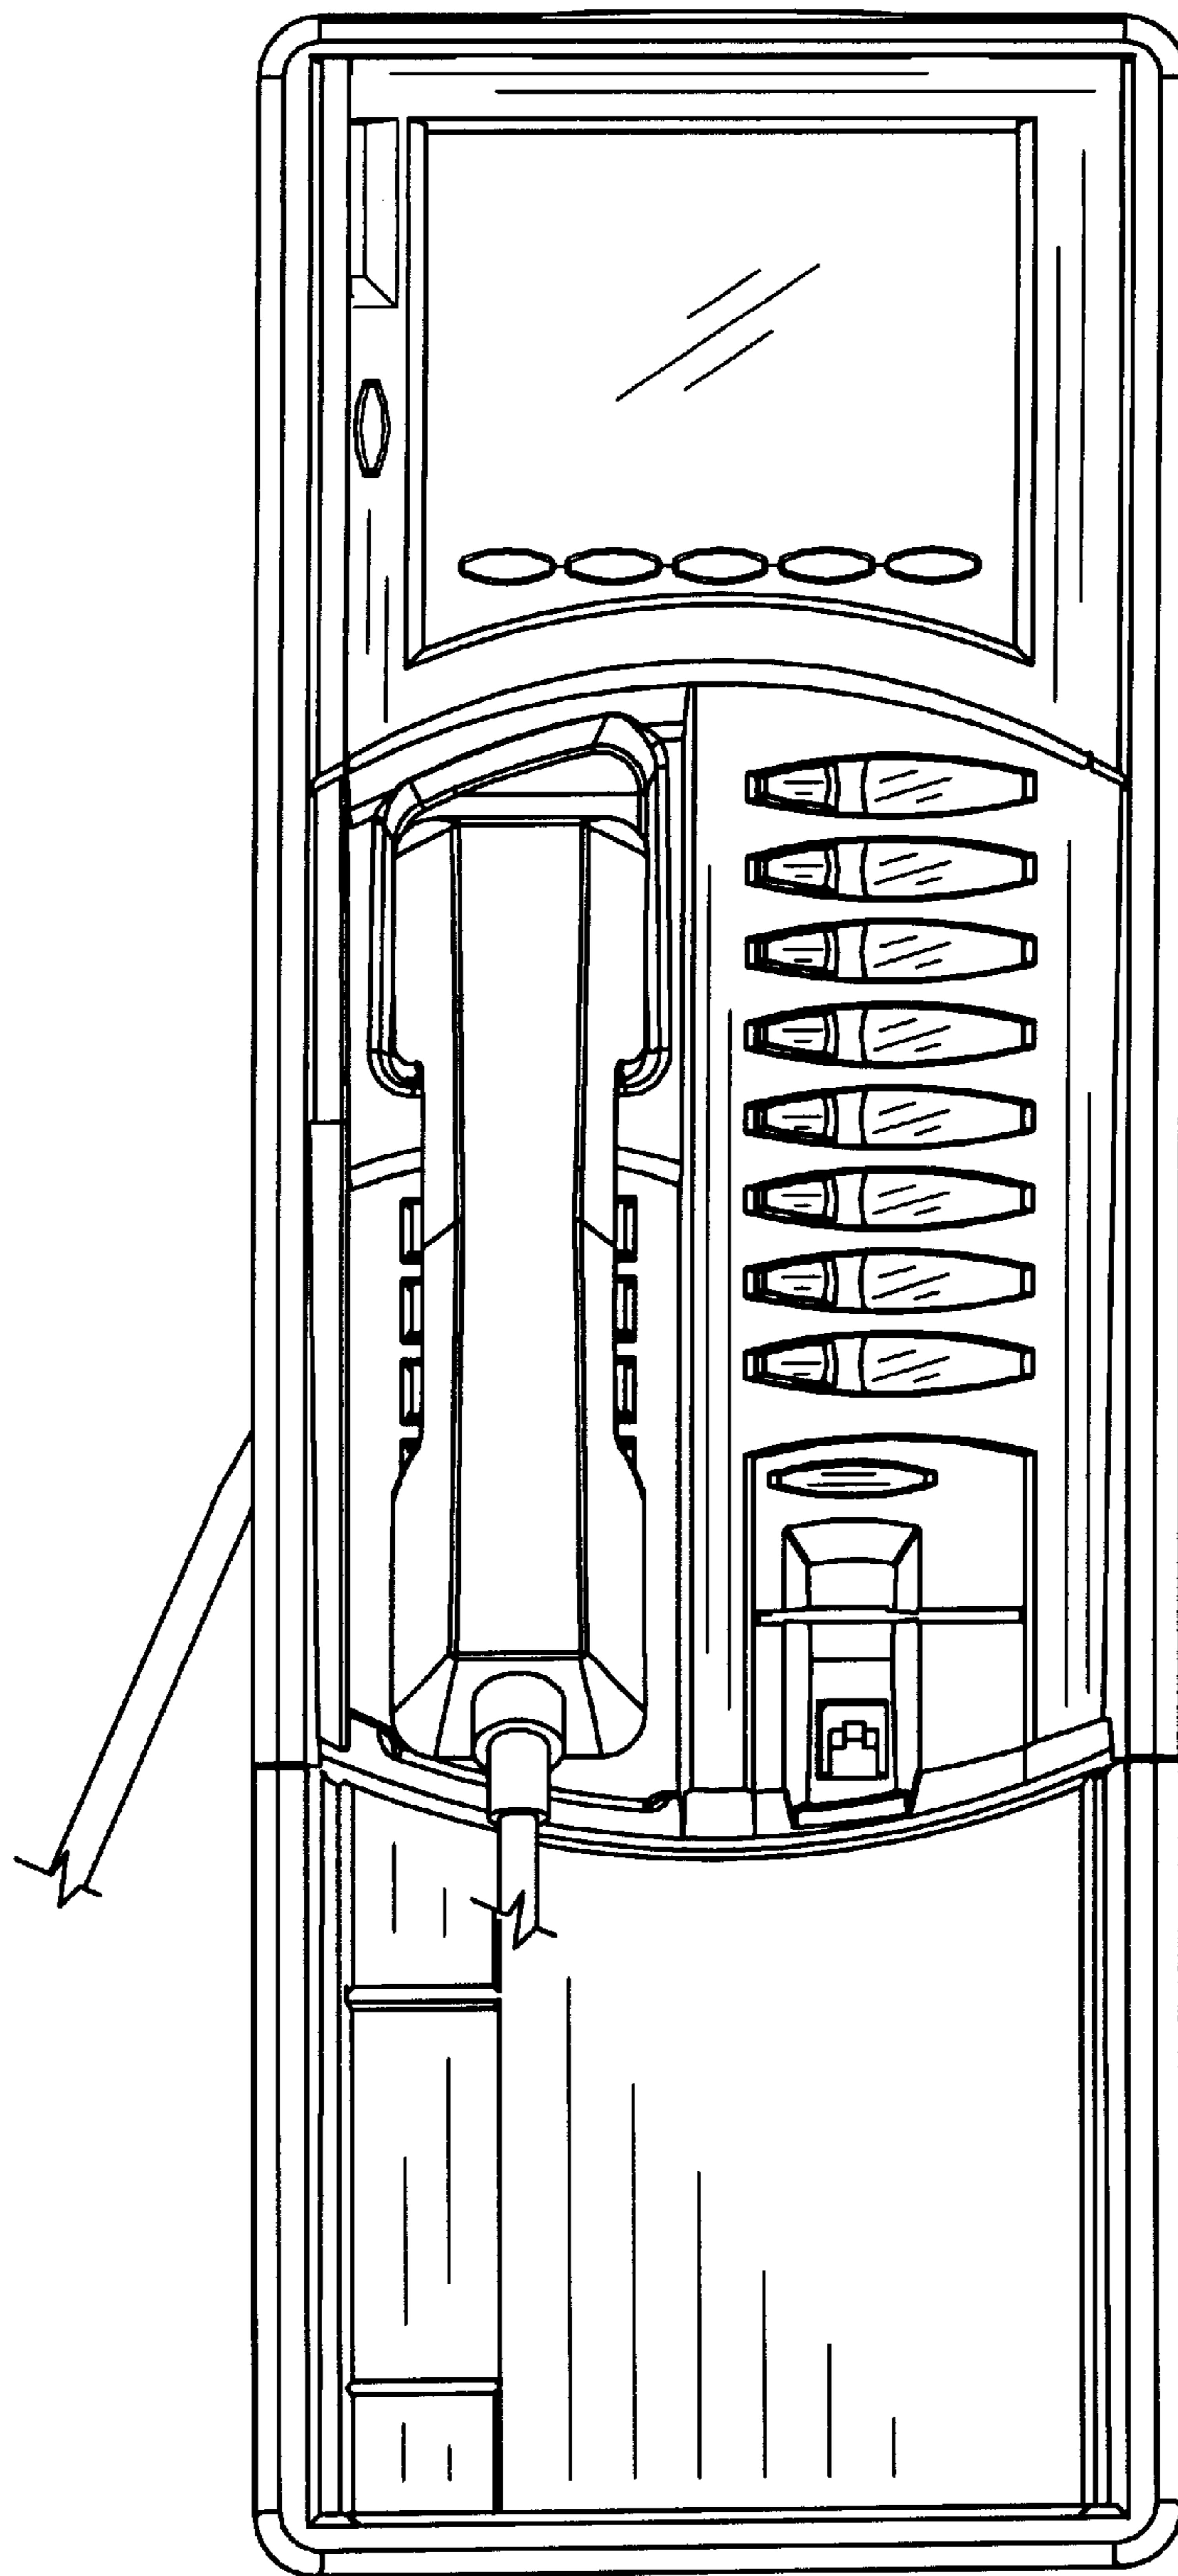

The broken line showing of the various parts and features is  
for illustrative and contextual purposes only and forms no  
part of the invention.
