(57) **CLAIM**

The ornamental design for a correction coat-of-paint applicator for office use, as shown.

DESCRIPTION

FIG. 1 is a front, bottom and left side perspective view of a correction coat-of-paint applicator for office use, showing my new design;

FIG. 2 is a top plan elevational view thereof;

FIG. 3 is a left side elevational view thereof;

FIG. 4 is a front elevational view thereof;

FIG. 5 is a right side elevational view thereof;

FIG. 6 is a bottom plan view thereof;

FIG. 7 is a rear elevational view thereof;

FIG. 8 is a reference top plan view thereof showing the state in which a cap is removed; and,

FIG. 9 is a reference front elevational view thereof showing the state in which a cap is removed.
