(57) **CLAIM**

The ornamental design for an ear nozzle, as shown and described.

DESCRIPTION

FIG. 1 is a rear elevational view of an ear nozzle showing my new design;

FIG. 2 is a left side elevational view thereof, the right side being a mirror image thereof;

FIG. 3 is a perspective view thereof; and,

FIG. 4 is a top plan view thereof.

The surfaces or portions of the article not shown in the drawing or described in the specification forms no part of the claimed design.
