(57) **CLAIM**

The ornamental design for a container having a collapsible cap, as shown.

**DESCRIPTION**

FIG. 1 shows a perspective view of a container having a collapsible cap incorporating our design.

FIG. 2 shows a front view of the container having a collapsible cap shown in FIG. 1.

FIG. 3 shows a top view of the container having a collapsible cap shown in FIG. 1.

FIG. 4 shows a bottom view of the container having a collapsible cap shown in FIG. 1; and,

FIG. 5 shows a perspective view of the container having a collapsible cap of FIG. 1, wherein the upper portion of the container is collapsed down into the center of the container.
