CLAIM (57)

The ornamental design for an enclosure for a consumer electronic device, as shown and described.

DESCRIPTION

FIG. 1 is a view from the top, side and one end of an enclosure for a consumer electronic device showing my new design in full lines with the broken lines showing environmental association matter being for illustrative purposes only and forming no part of my design;

FIG. 2 is a top view thereof shown in full lines and environmental association matter in broken lines;

FIG. 3 is a top view thereof shown in full lines and environmental association matter in broken lines;

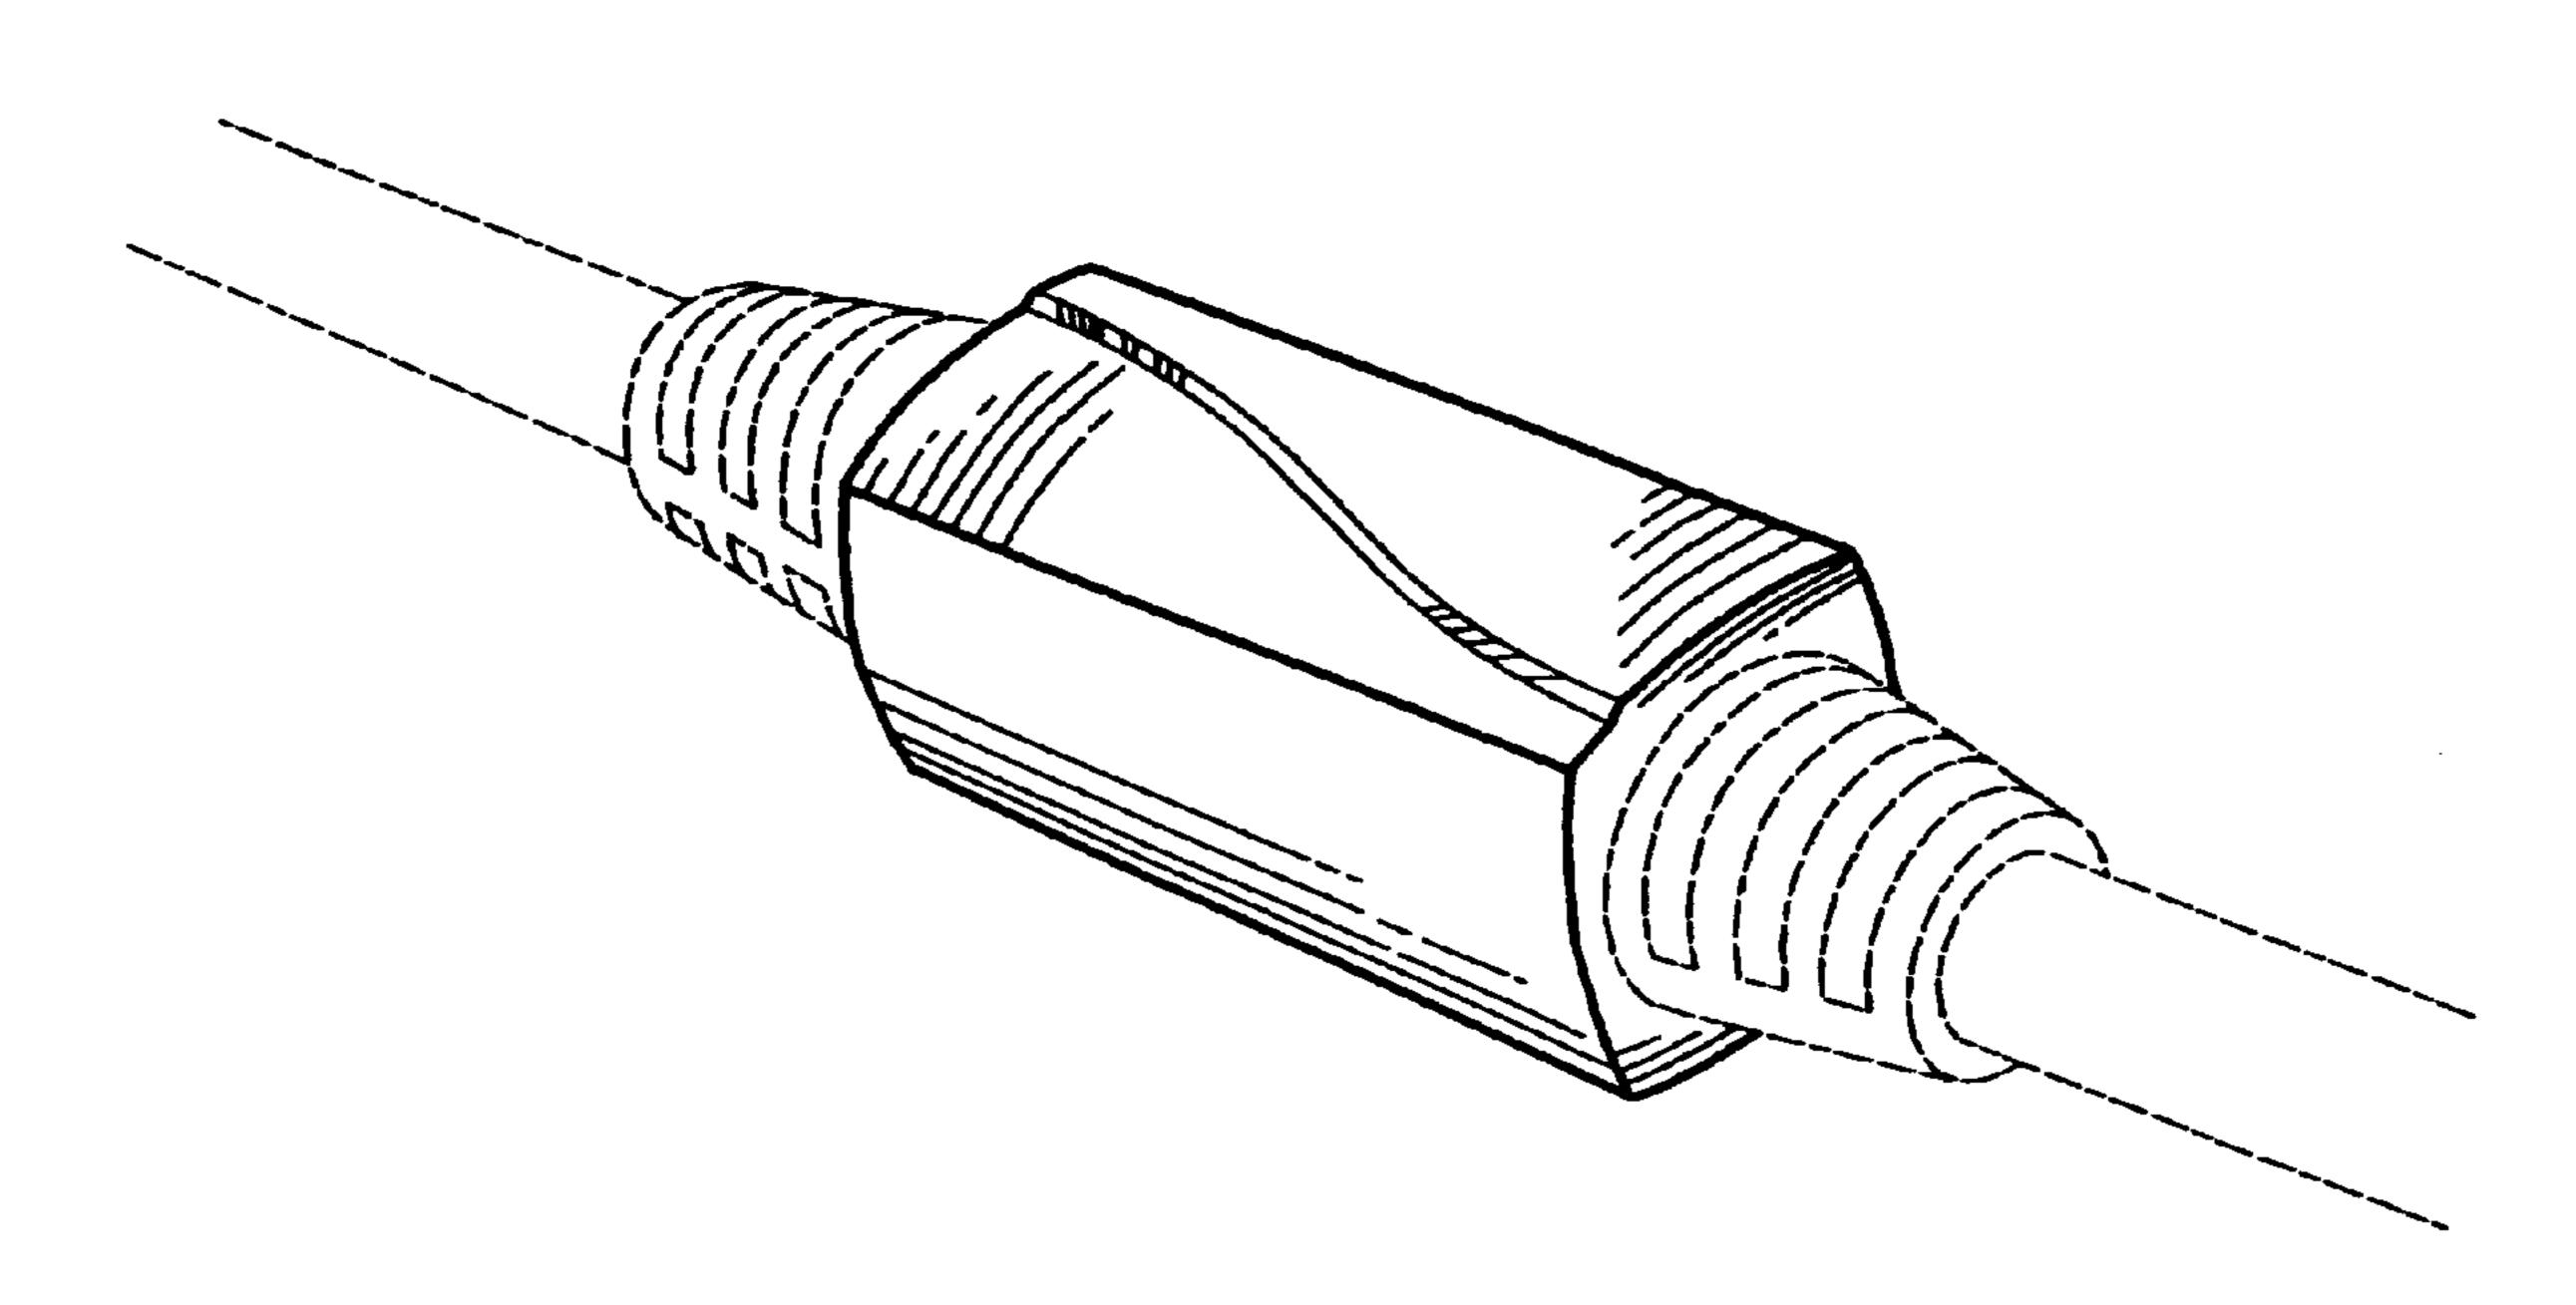

FIG. 4 is a side view thereof shown in full lines and environmental association matter in broken lines;

FIG. 5 is a side view thereof shown in full lines and environmental association matter in broken lines;

FIG. 6 is an end view thereof shown in full lines and environmental association matter in broken lines; and,

FIG. 7 is an end view thereof shown in full lines and environmental association matter in broken lines.
