(57) **CLAIM**

The ornamental design for a folding knife, as shown and described.

**DESCRIPTION**

FIG. 1 is a left side view of a folding knife front in accordance with my design, with the knife blades retracted into the housing.

FIG. 2 is a right side view thereof, with the knife blades retracted into the housing.

FIG. 3 is a bottom view thereof, with the knife blades retracted into the housing.

FIG. 4 is a top view thereof, with the knife blades retracted into the housing.

FIG. 5 is a front view thereof, with the knife blades retracted into the housing.

FIG. 6 is a rear view thereof, with the knife blades retracted into the housing.

FIG. 7 is a top view thereof, with the left knife blade extended.

FIG. 8 is a top view thereof, with the right knife blade extended.

FIG. 9 is a left side view thereof, with the left blade extended.

FIG. 10 is a right side view thereof, with the right blade extended; and,

FIG. 11 is a top perspective view thereof, with both knife blades extended.

The bottom surfaces of the blades are identical to the top surfaces, and they have an outline that is the mirror image of the outline of the corresponding top surfaces.
