(57) **CLAIM**

The ornamental design for a slide with integrally formed footing, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view showing the front, top and left side of our new design for a slide with integrally formed footing according to the present design.

FIG. 2 is a left side elevational view of the slide with integrally formed footing of FIG. 1.

FIG. 3 is a top plan view of the slide with integrally formed footing of FIG. 1.

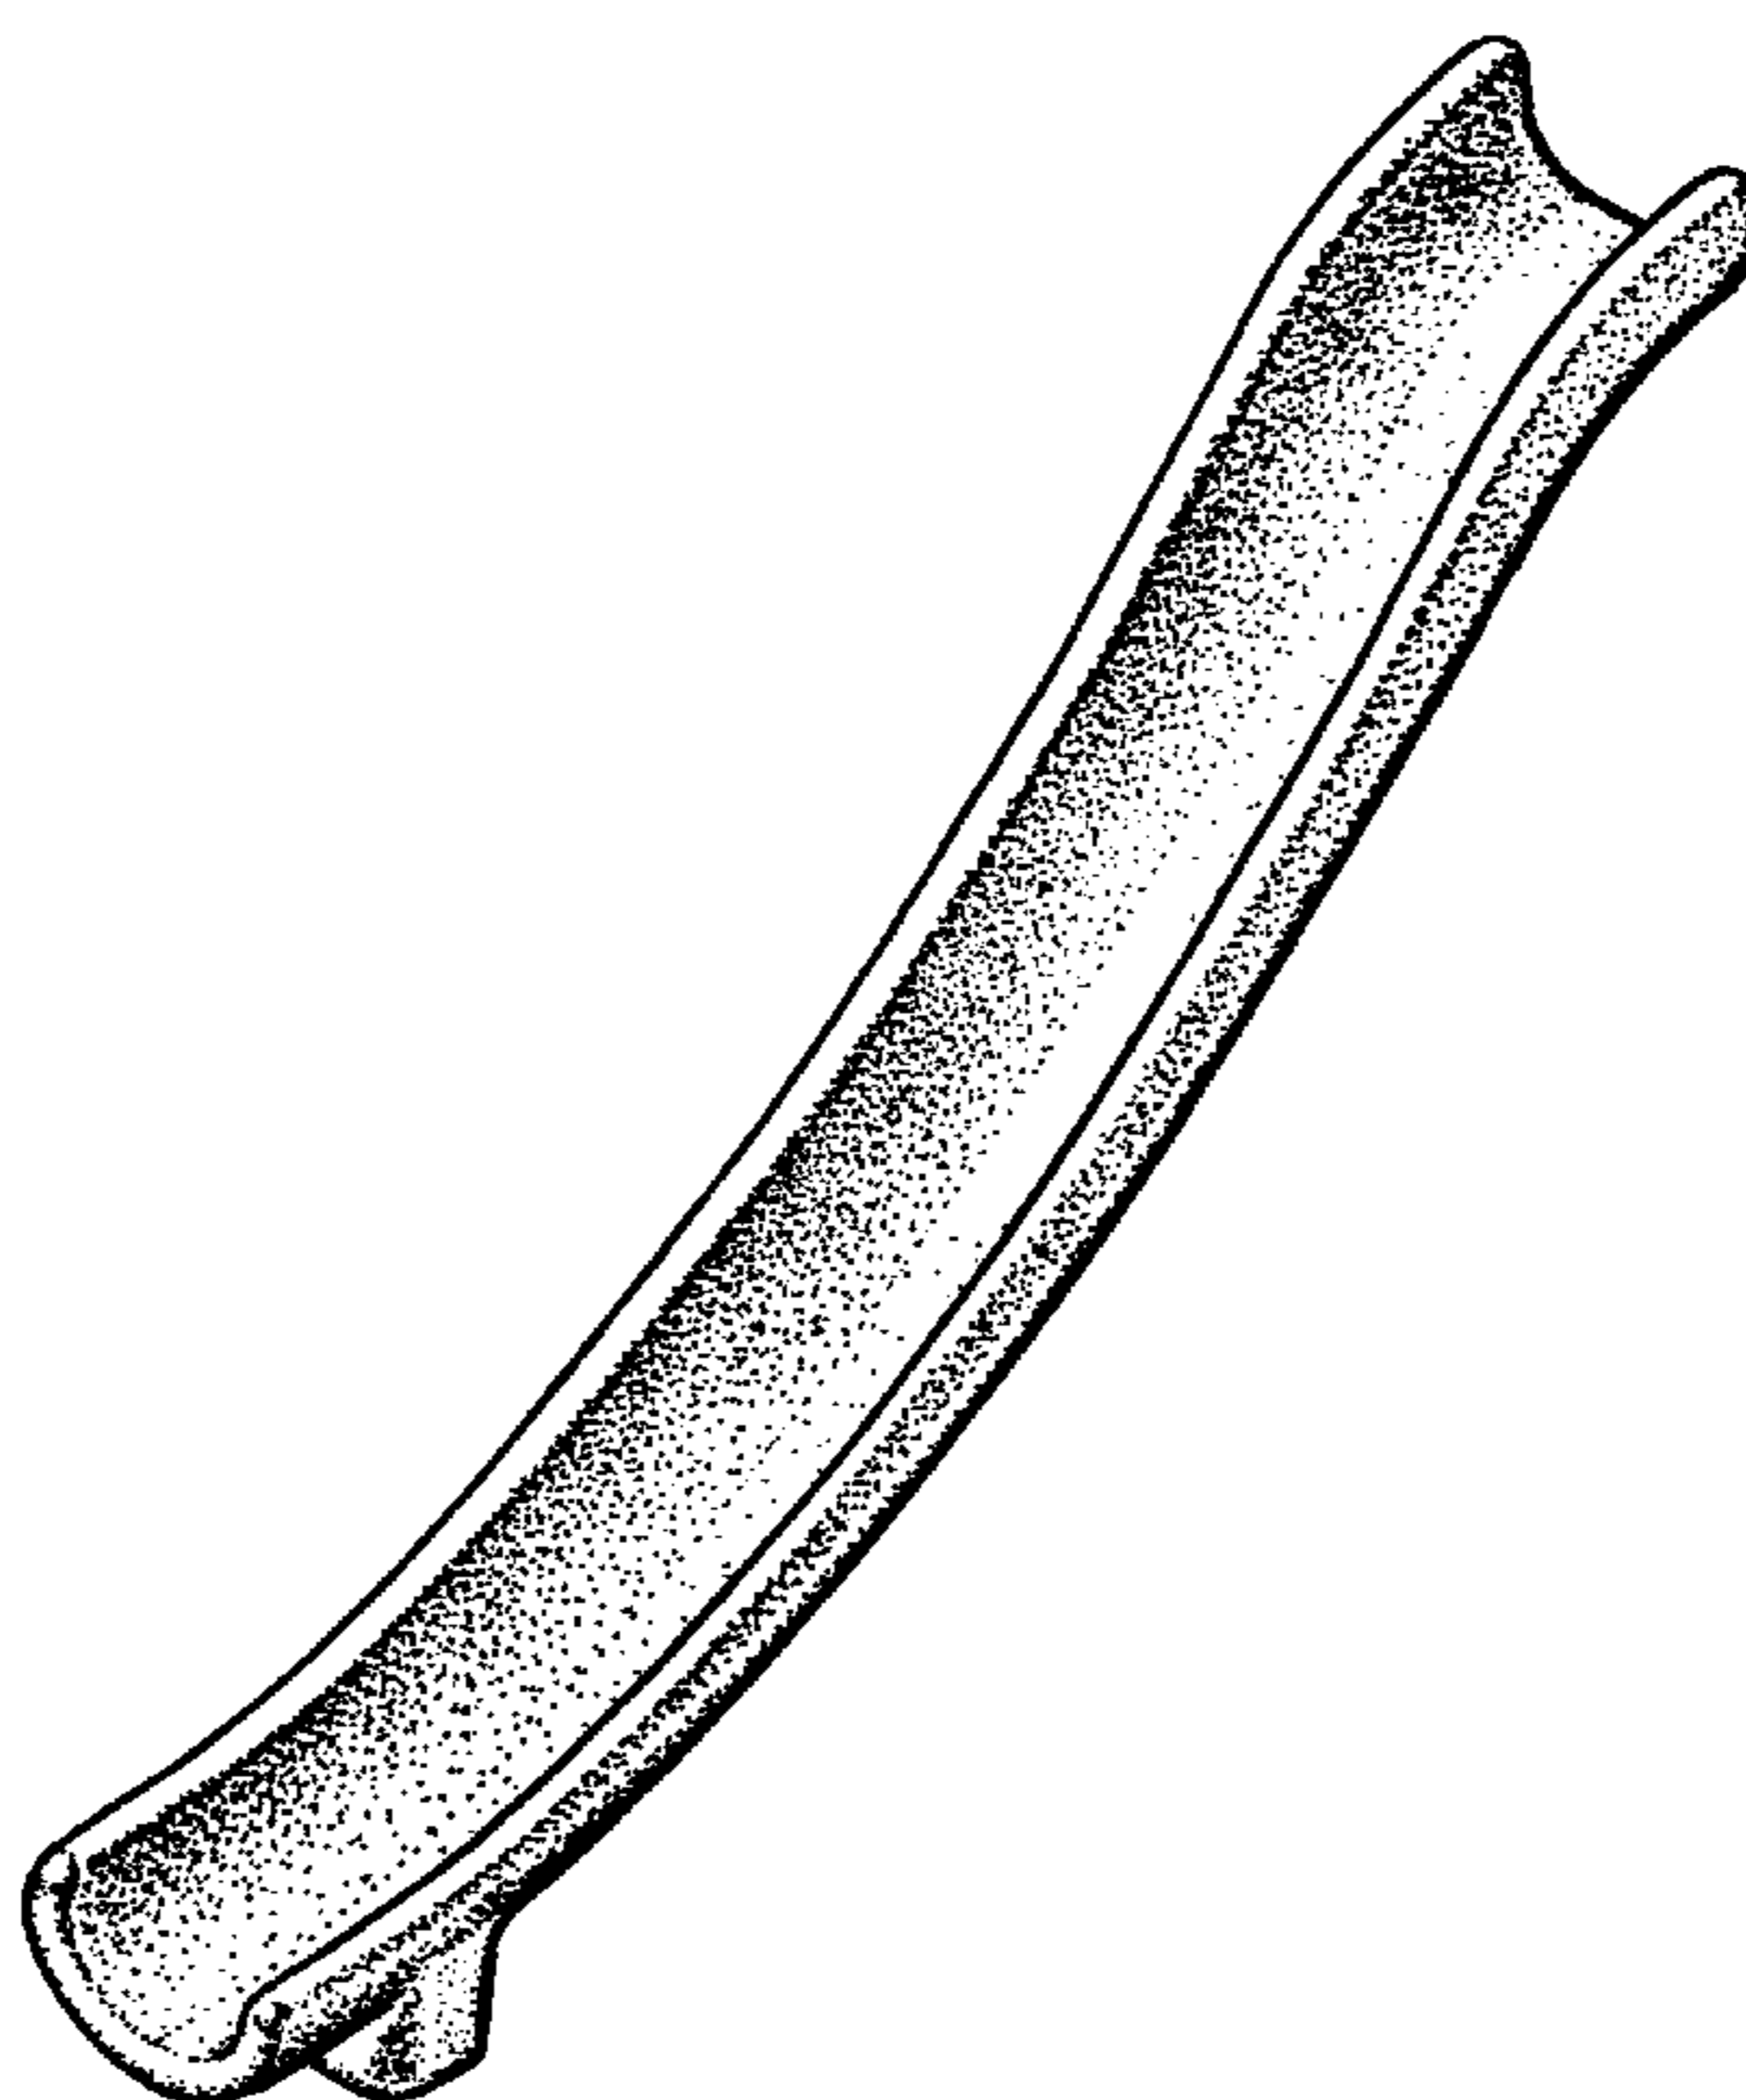

FIG. 4 is a bottom plan view of the slide with integrally formed footing of FIG. 1.

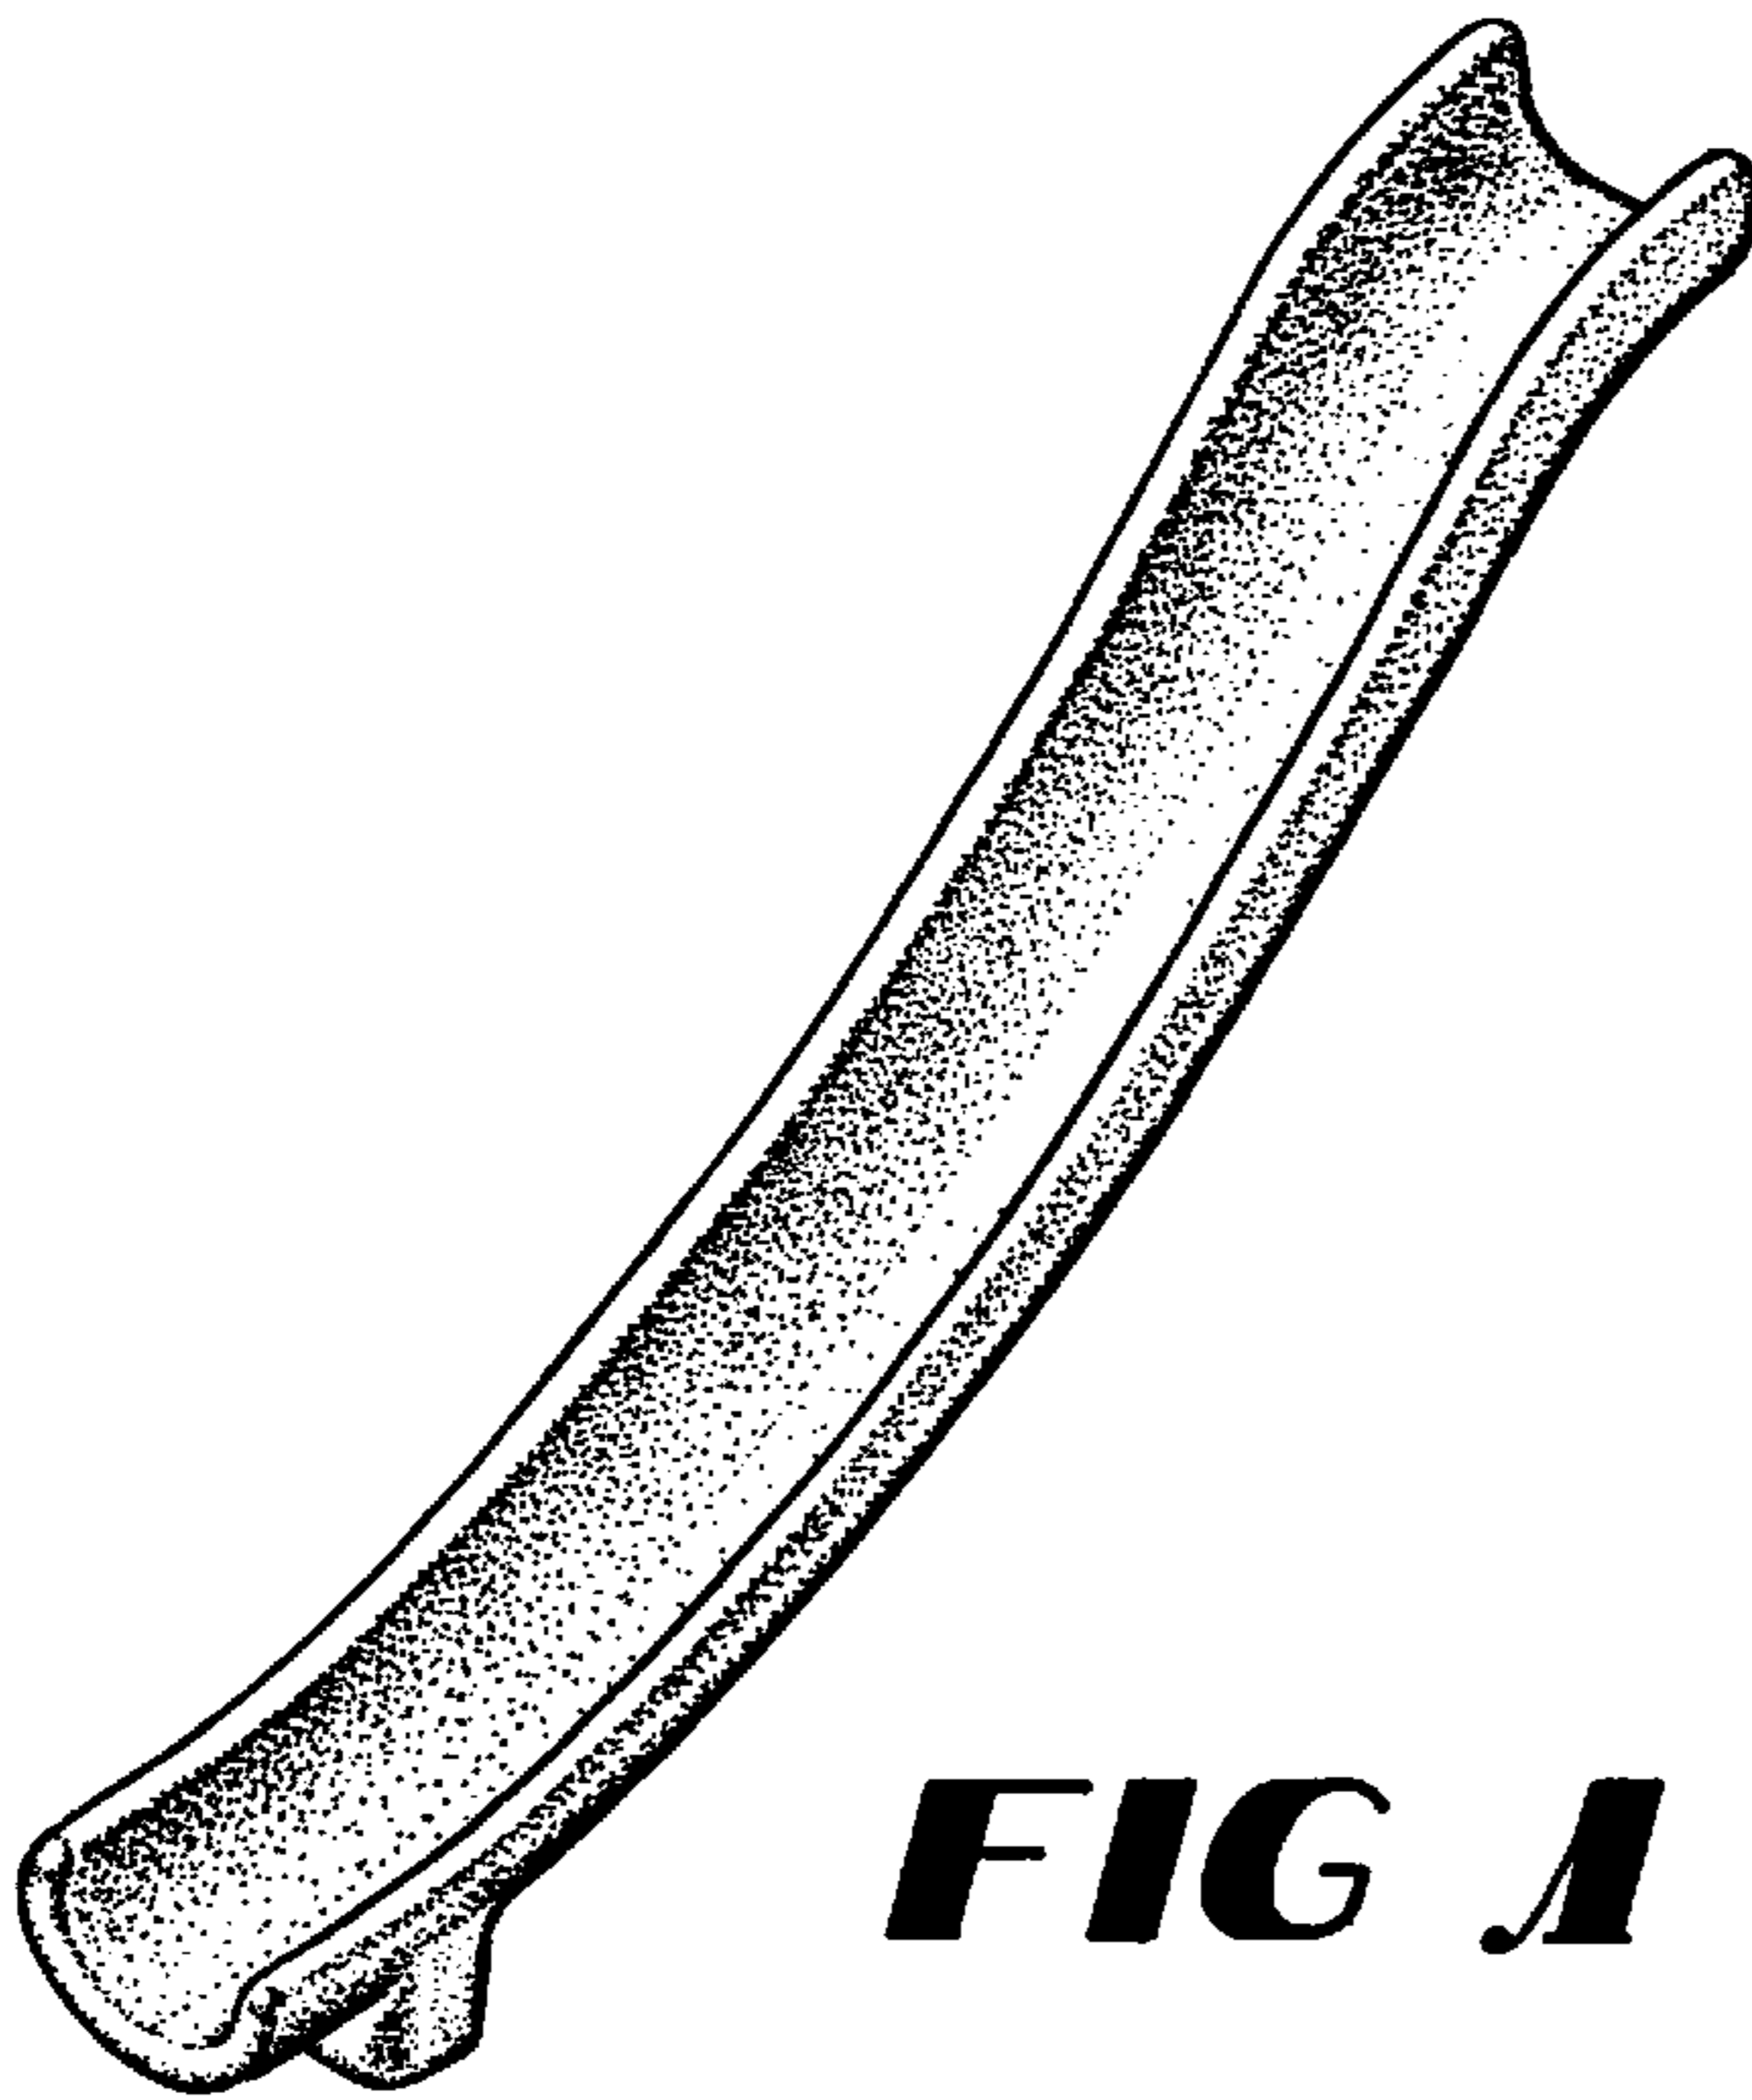

FIG. 5 is a front elevational view of the slide with integrally formed footing of FIG. 1; and,

FIG. 6 is a rear elevational view of the slide with integrally formed footing of FIG. 1.

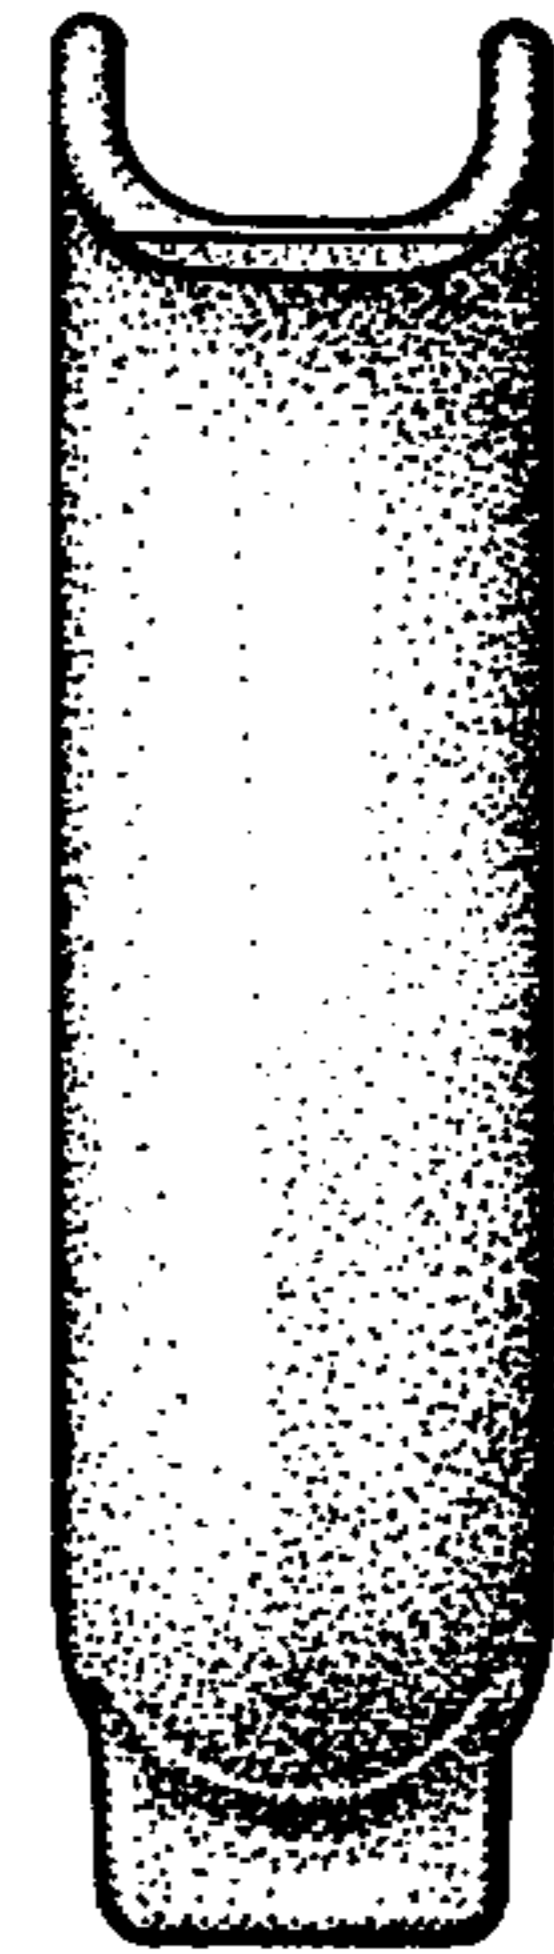

The broken lines in the drawings of the the slide outlet with integrally formed footing are for illustrative purposes, and form no part of the claimed design.
