(57) **CLAIM**

The ornamental design for an embossment pattern for absorbent paper products, as shown and described.

DESCRIPTION

FIG. 1 is a plan view of the embossment pattern of a first side of a paper product; and,

FIG. 2 is a plan view of the embossment pattern of the opposite side of the paper product.

Non-limiting examples of paper products that can include the ornamental design of the invention are toilet paper, paper towels, facial tissue, table napkins and the like.

In the drawings, the broken lines represent the boundaries of the claimed design as well as the boundaries of the portion of a paper product to which the pattern is applied. The broken lines form no part of the claimed design.
