(57) **CLAIM**

I claim the ornamental design for the pint container tote, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a pint container tote showing my new design;

FIG. 2 is a left side elevational view thereof, the right side elevational view being the same as said left side elevational view;

FIG. 3 is a top plan view thereof;

FIG. 4 is a bottom plan view thereof; and,

FIG. 5 is an exploded view thereof, showing the two components of my new design and showing, in broken line drawing, a pint container and its interaction with the claimed design, said broken line drawing not being a part of the design sought to be patented but merely showing the nature and environmental use of the claimed design and for clarity of illustration.
