(57) **CLAIM**

The ornamental design for a cab structure for a forestry swing machine, as shown and described.

**DESCRIPTION**

FIG. 1 is a front perspective view of a cab structure for a forestry swing machine showing an embodiment of our new design;

FIG. 2 is a front perspective view of a cab structure for a forestry swing machine showing another embodiment of our new design; and,

FIG. 3 is a front perspective view of a cab structure for a forestry swing machine showing another embodiment of our new design.

The broken line showing is for illustrative purposes only, and forms no part of the claimed design.

**1 Claim, 3 Drawing Sheets**

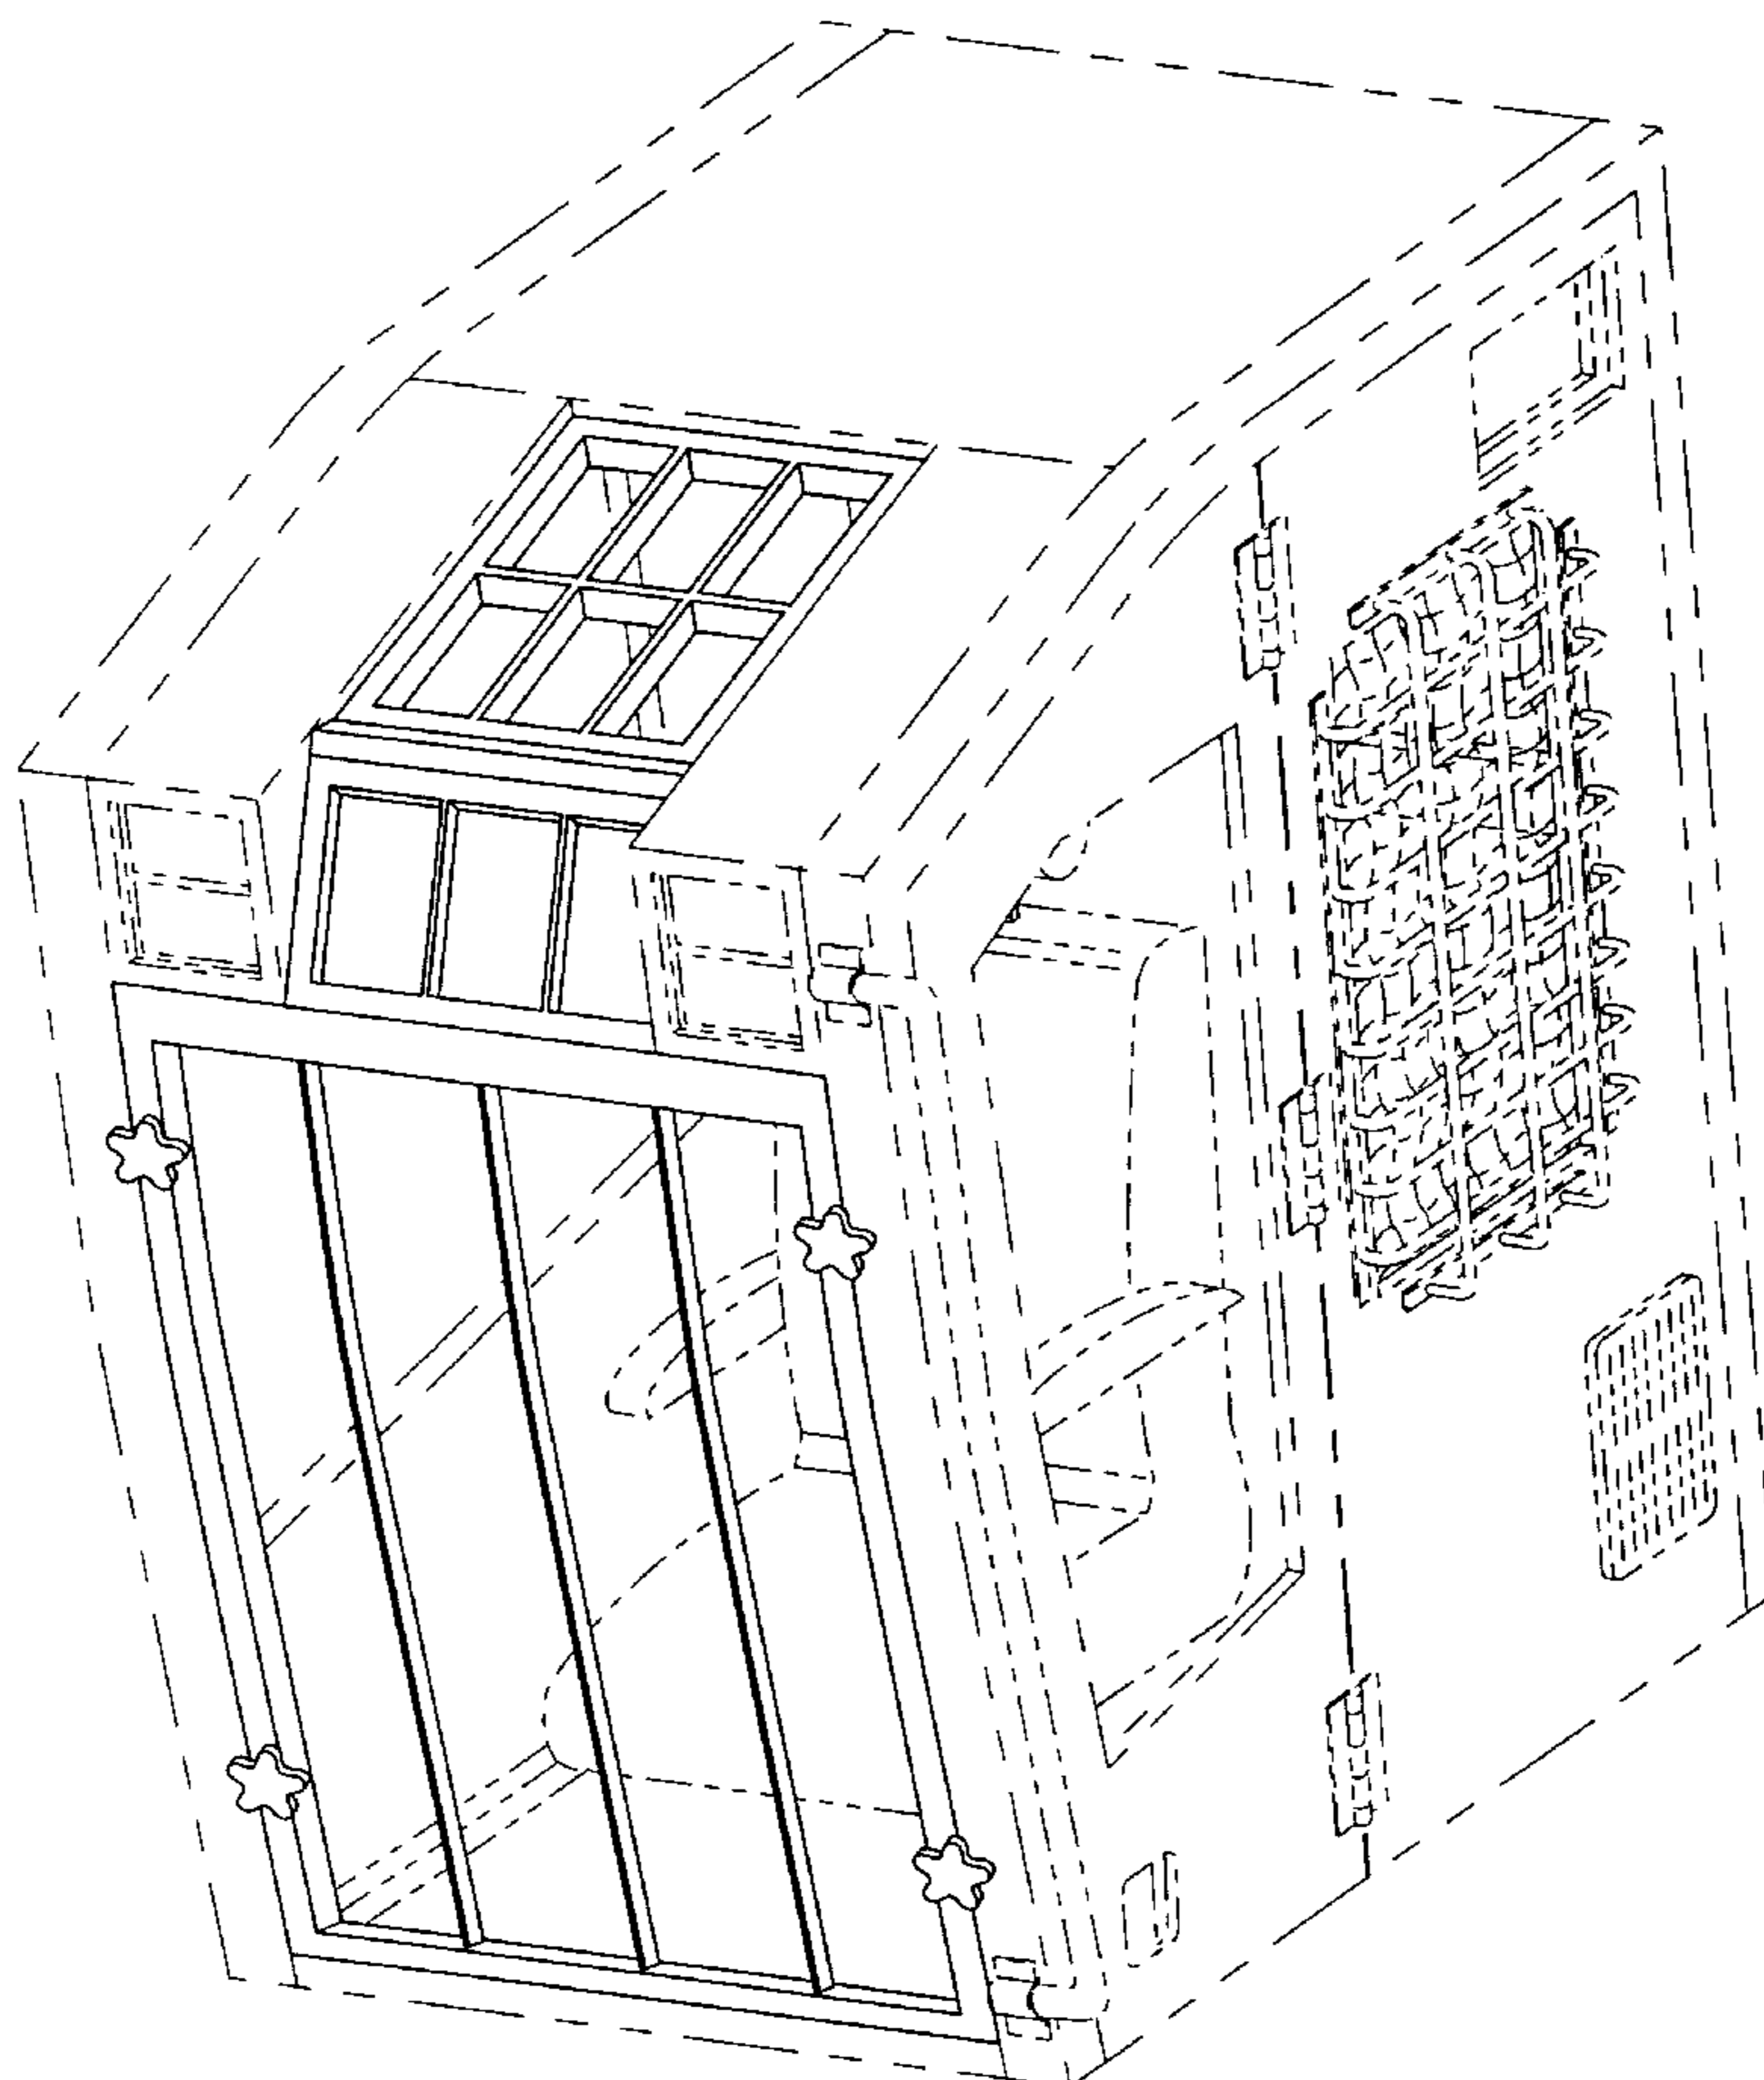

FIG. 1

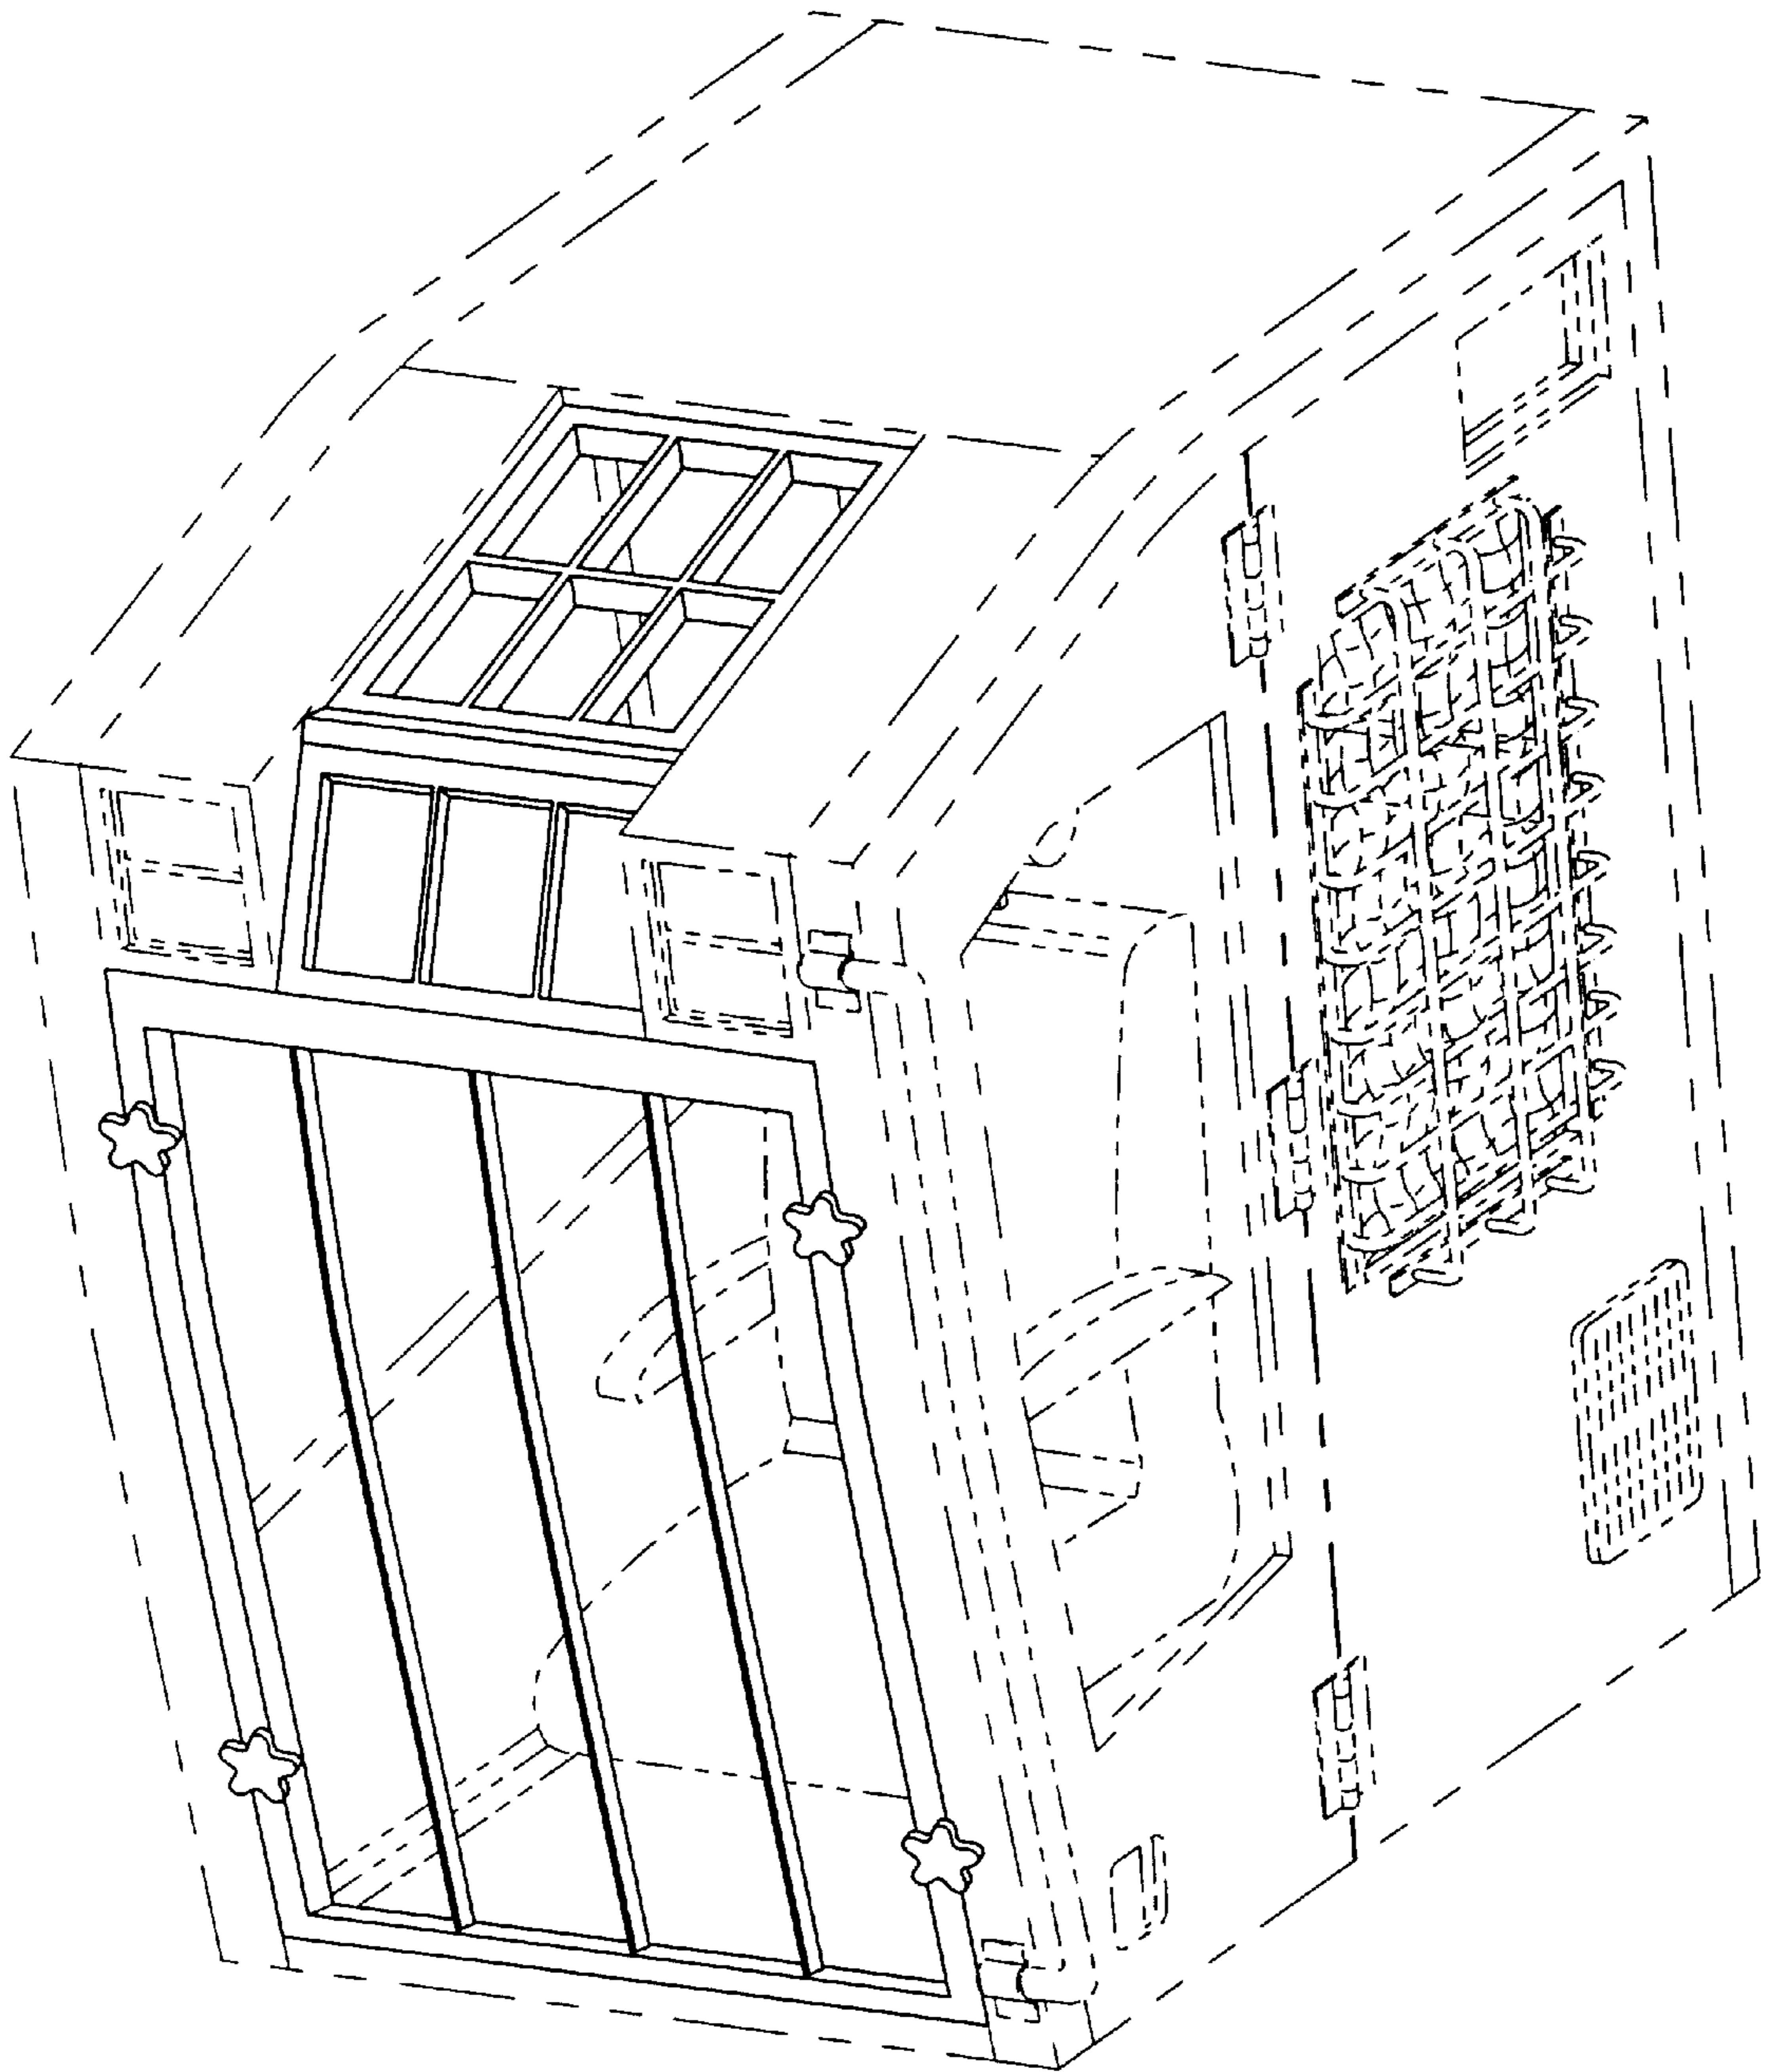

FIG. 2.

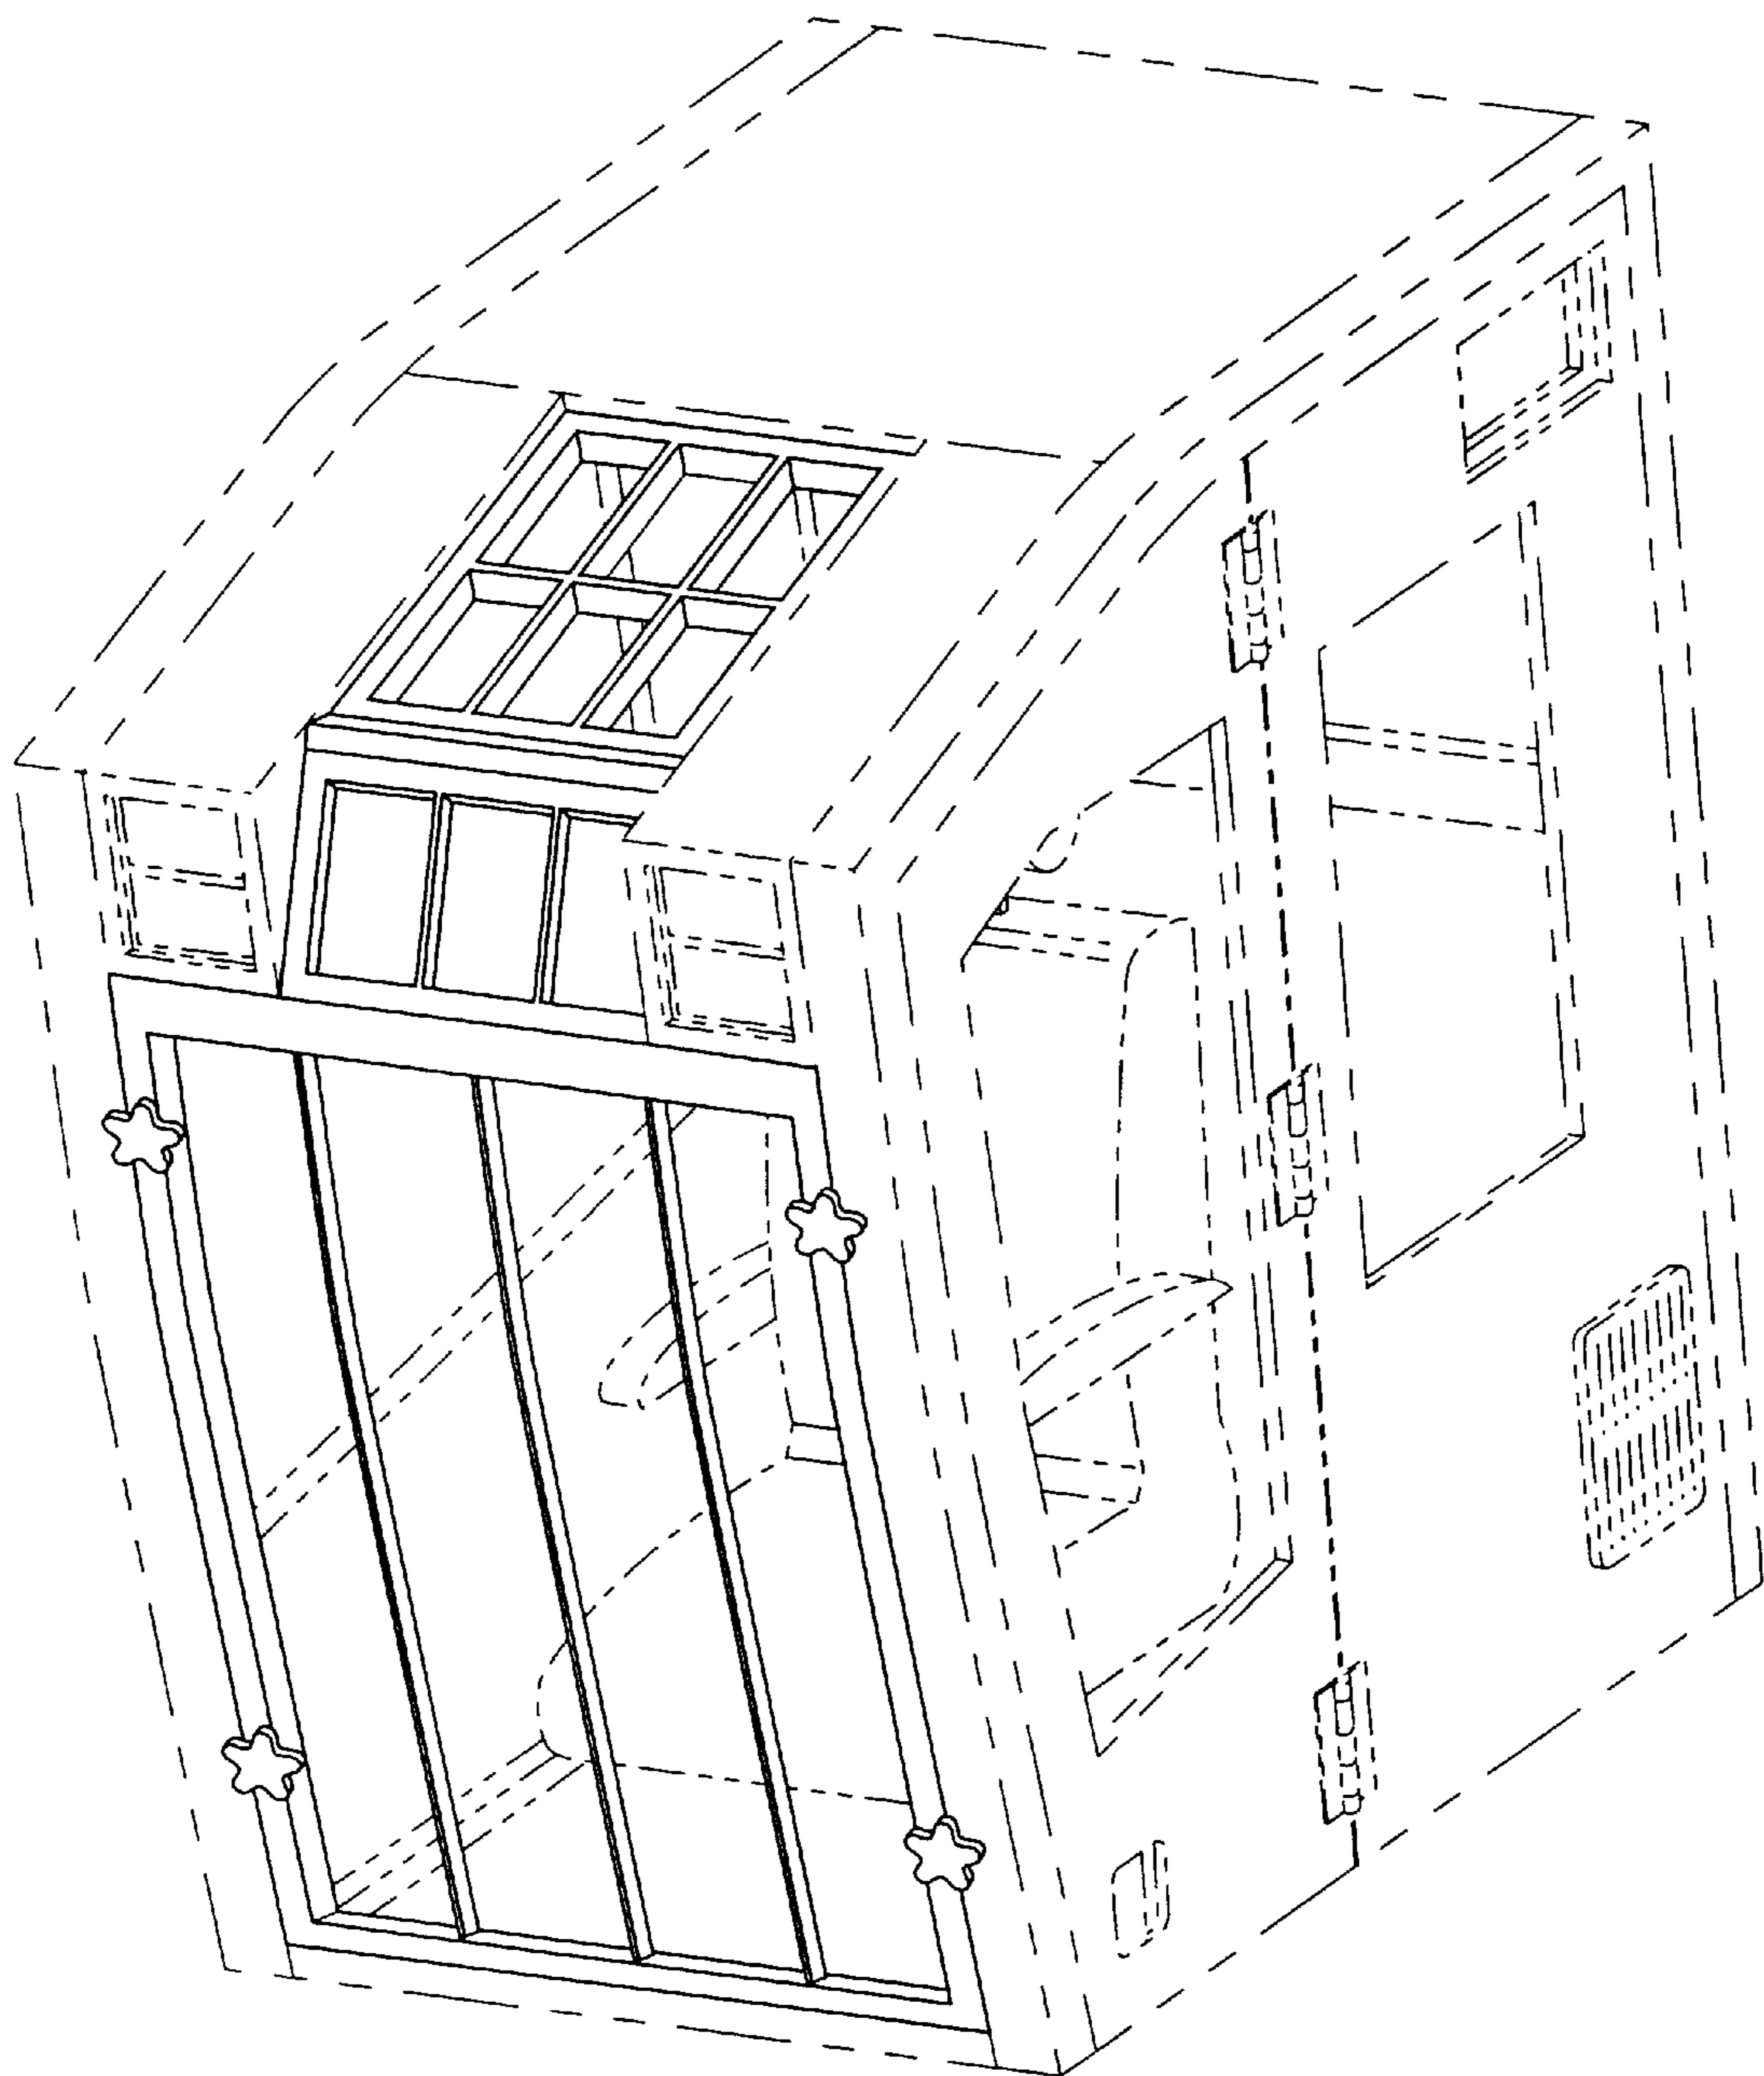

FIG. 3.
