(57) **CLAIM**

The ornamental design for a concrete anchor including an elliptical base, as shown and described.

**DESCRIPTION**

FIG. 1 is a perspective view of the concrete anchor including an elliptical base of the present invention;  
FIG. 2 is a front elevational view thereof wherein the rear elevational view is a mirror image thereof;  
FIG. 3 is a top plan view thereof;  
FIG. 4 is a bottom plan view thereof; and,  
FIG. 5 is a right side elevational view thereof wherein the left side elevational view is a mirror image thereof.
