(57) **CLAIM**

The ornamental design for the boat bumper key float, as shown in the accompanying drawings.

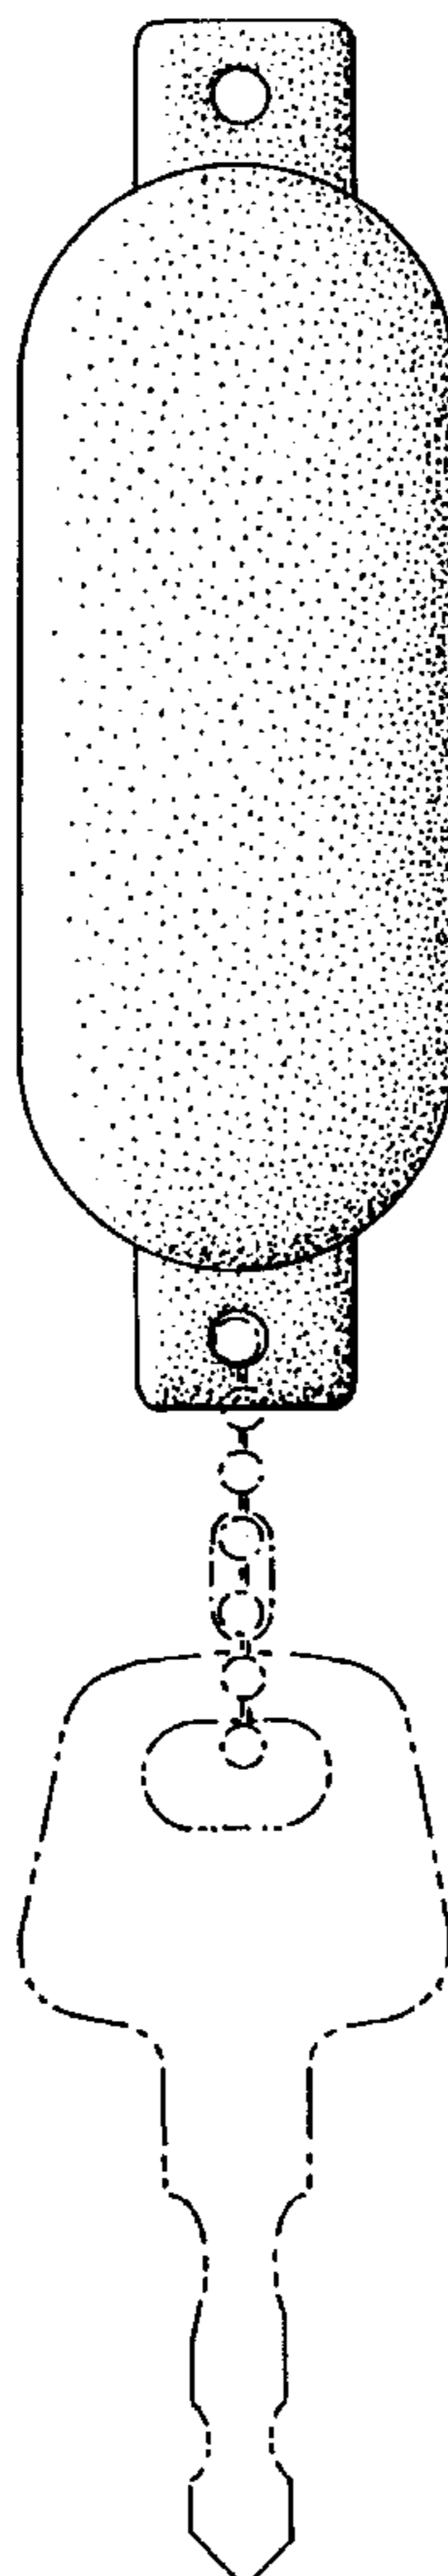

DESCRIPTION

FIG. 1 is a front elevational view of a new design for a boat bumper key float wherein the rear view is a mirror image thereof and wherein the portions in broken line are for the purpose of environment only;

FIG. 2 is a side elevational view with reference to FIG. 1, the opposite side view being a mirror image thereof; with the broken line portions for environment only; and,

FIG. 3 is a top plan view, the bottom plan view being a mirror image thereof.
