(57) **CLAIM**

I claim the ornamental design for a railroad alarm clock, as shown and described.

DESCRIPTION

FIG. 1 is a front view of the railroad alarm clock; FIG. 2 is left side view of the railroad alarm clock; FIG. 3 is a top view of the railroad alarm clock; FIG. 4 is a right side view of the railroad alarm clock; and, FIG. 5 is a rear view of the railroad alarm clock.

The invention includes a plain and unornamented bottom, which is not shown.
