### (57) CLAIM

The ornamental design for a environmentally sealed electrical connector housing, as shown and described.

#### **DESCRIPTION**

FIG. 1 is a perspective view of the environmentally sealed electrical connector housing design;

FIG. 2 is a front view of the environmentally sealed electrical connector housing of FIG. 1;

FIG. 3 is a top view of the environmentally sealed electrical connector housing of FIG. 1;

FIG. 4 is a left side view of the environmentally sealed electrical connector housing of FIG. 1;

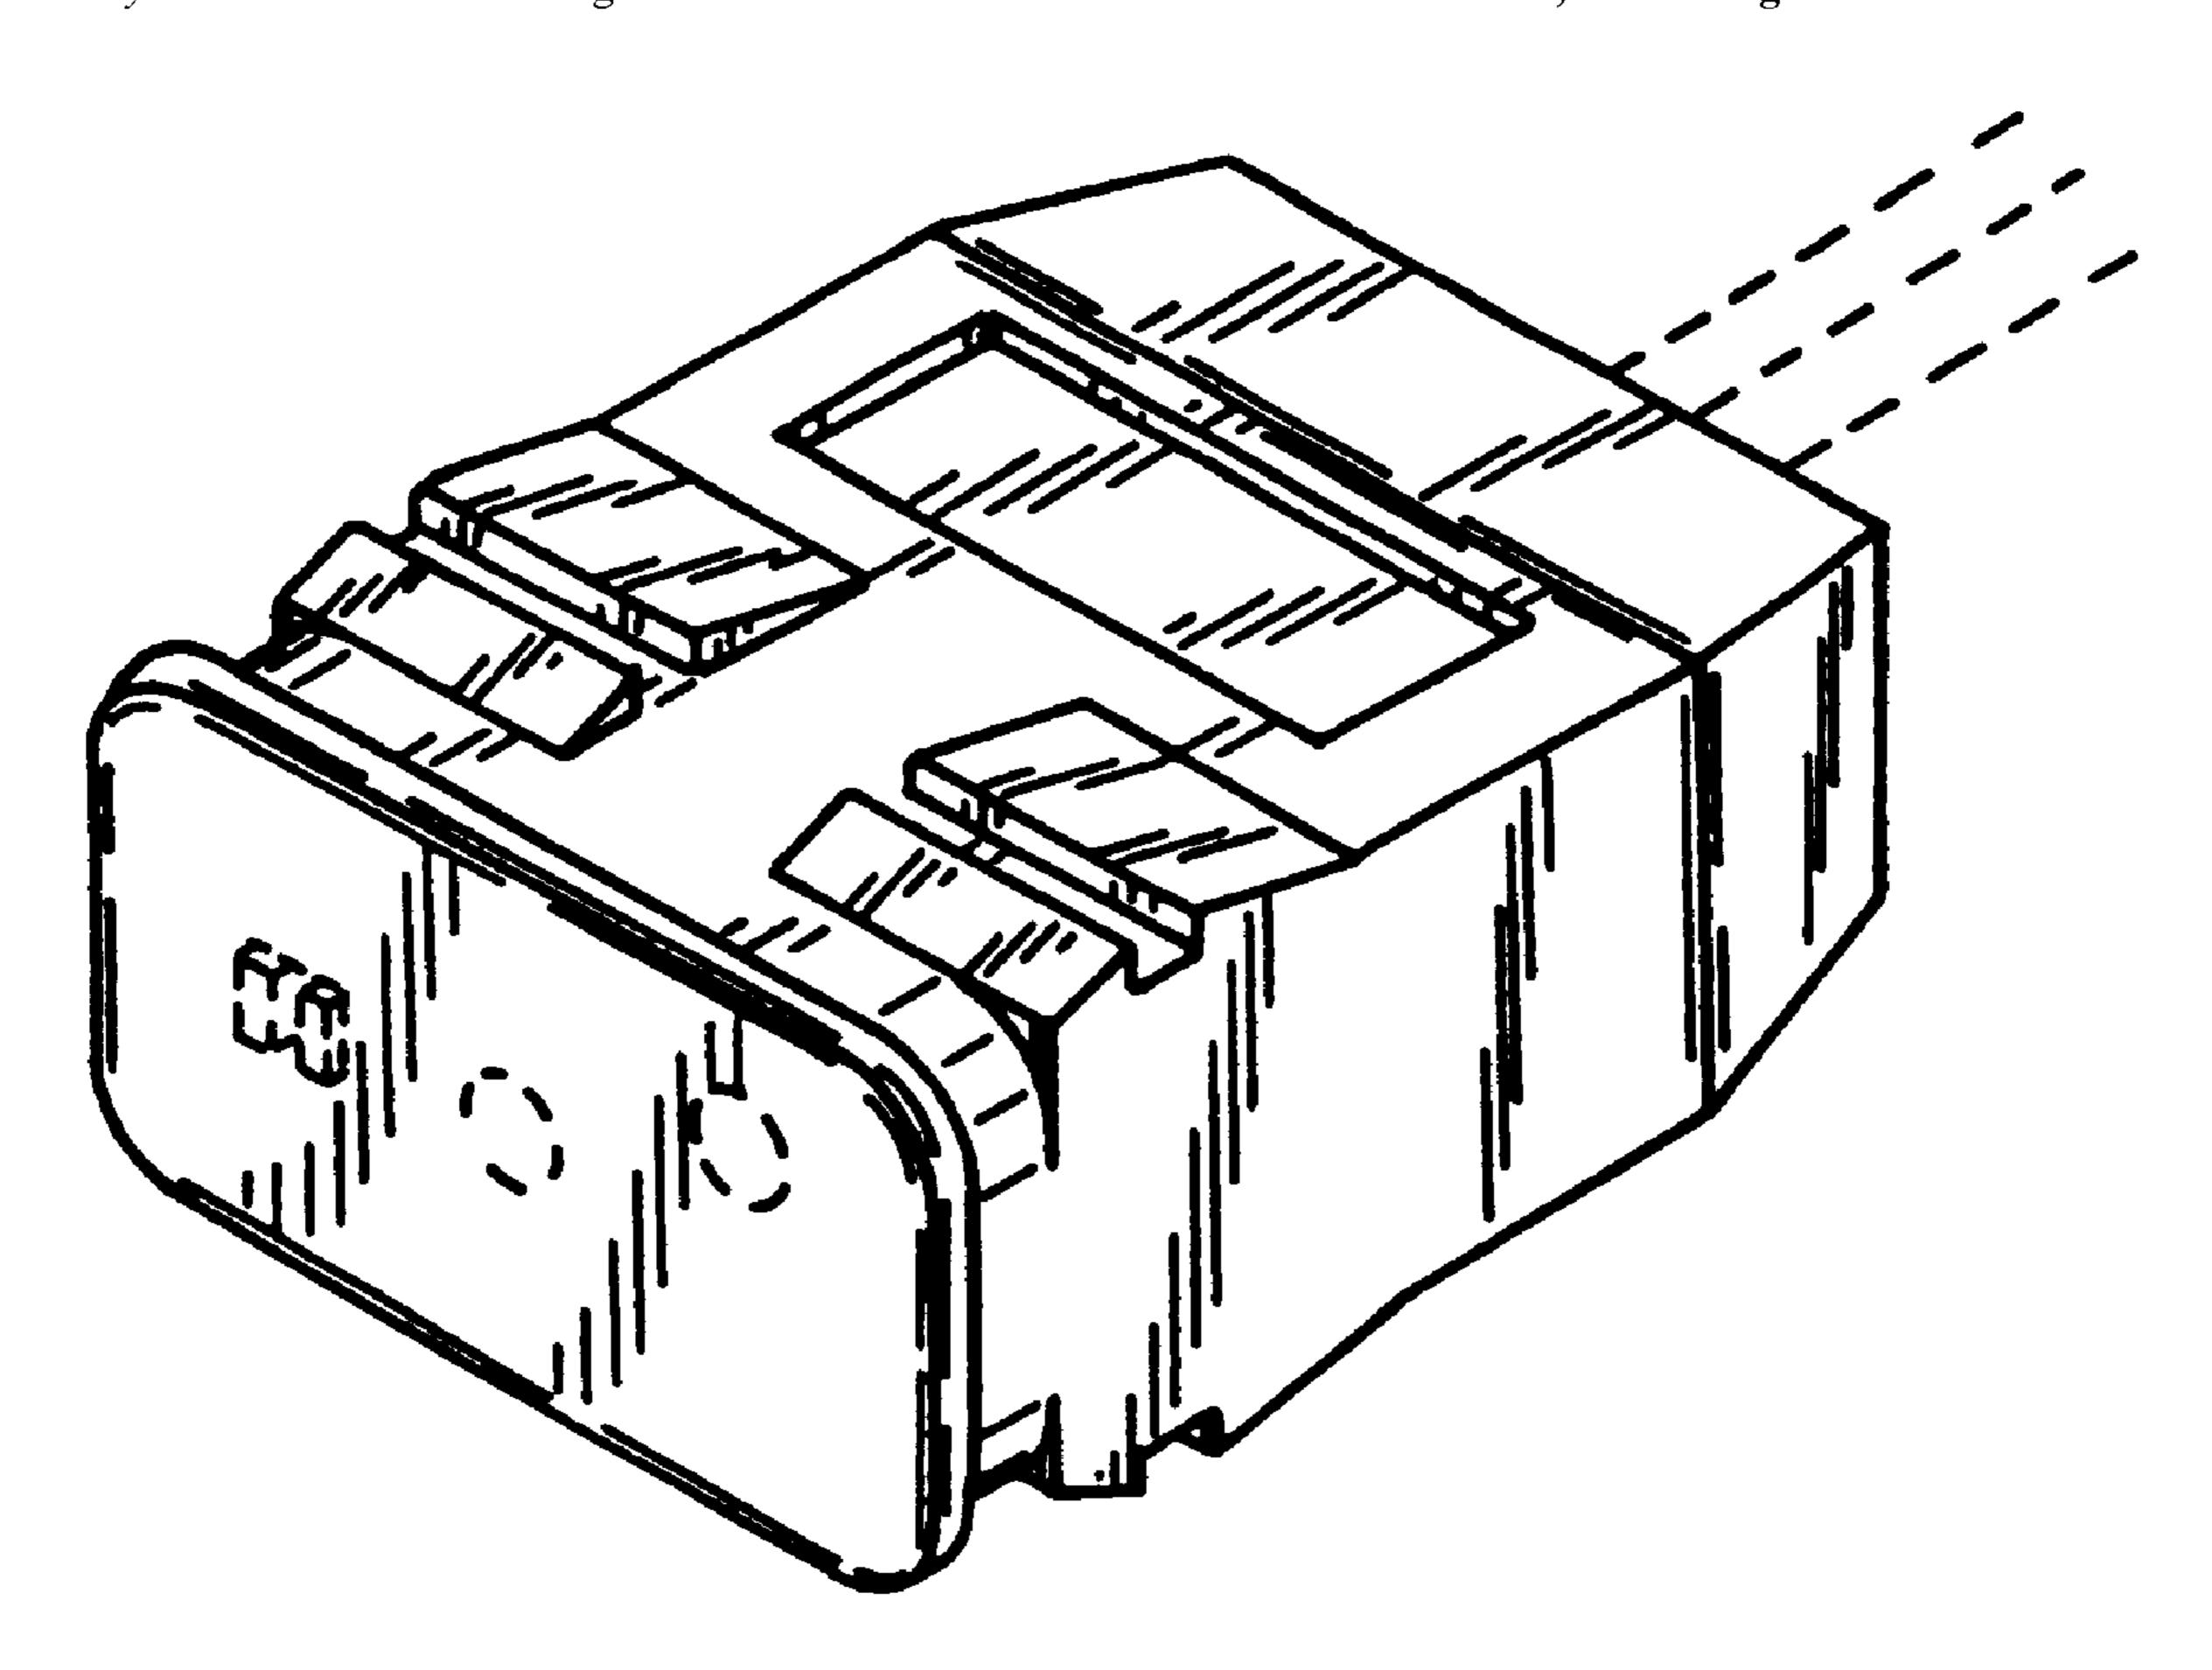

FIG. 5 is a right side view of the environmentally sealed electrical connector housing of FIG. 1;

FIG. 6 is a rear view of the environmentally sealed electrical connector housing of FIG. 1; and,

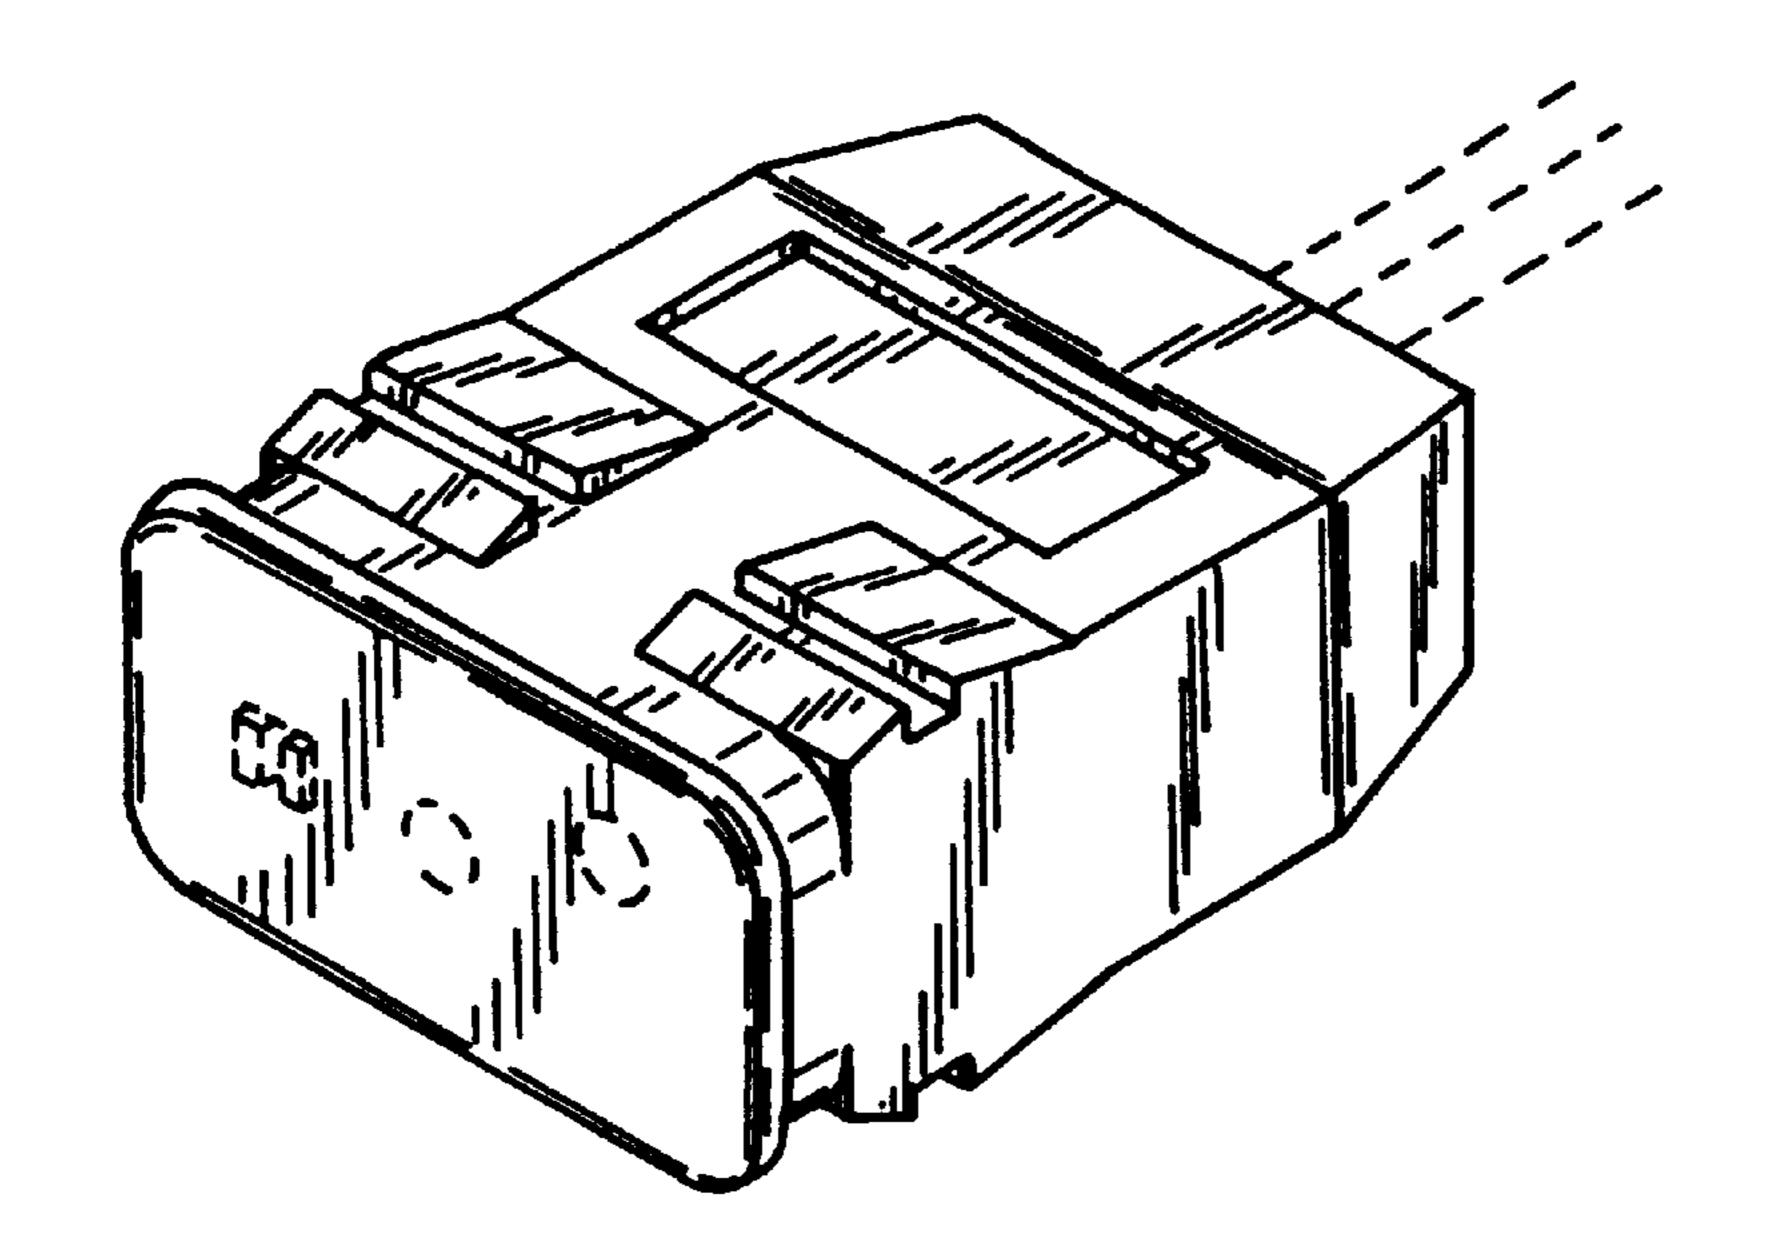

FIG. 7 is a bottom view of the environmentally sealed electrical connector housing of FIG. 1.

The broken line showing throughout the drawing figures is included for purpose of illustrating environmental structure only and forms no part of the claimed design.
