(57) **CLAIM**

I claim the ornamental design for a fused bottle brush, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a fused bottle brush showing my new design;

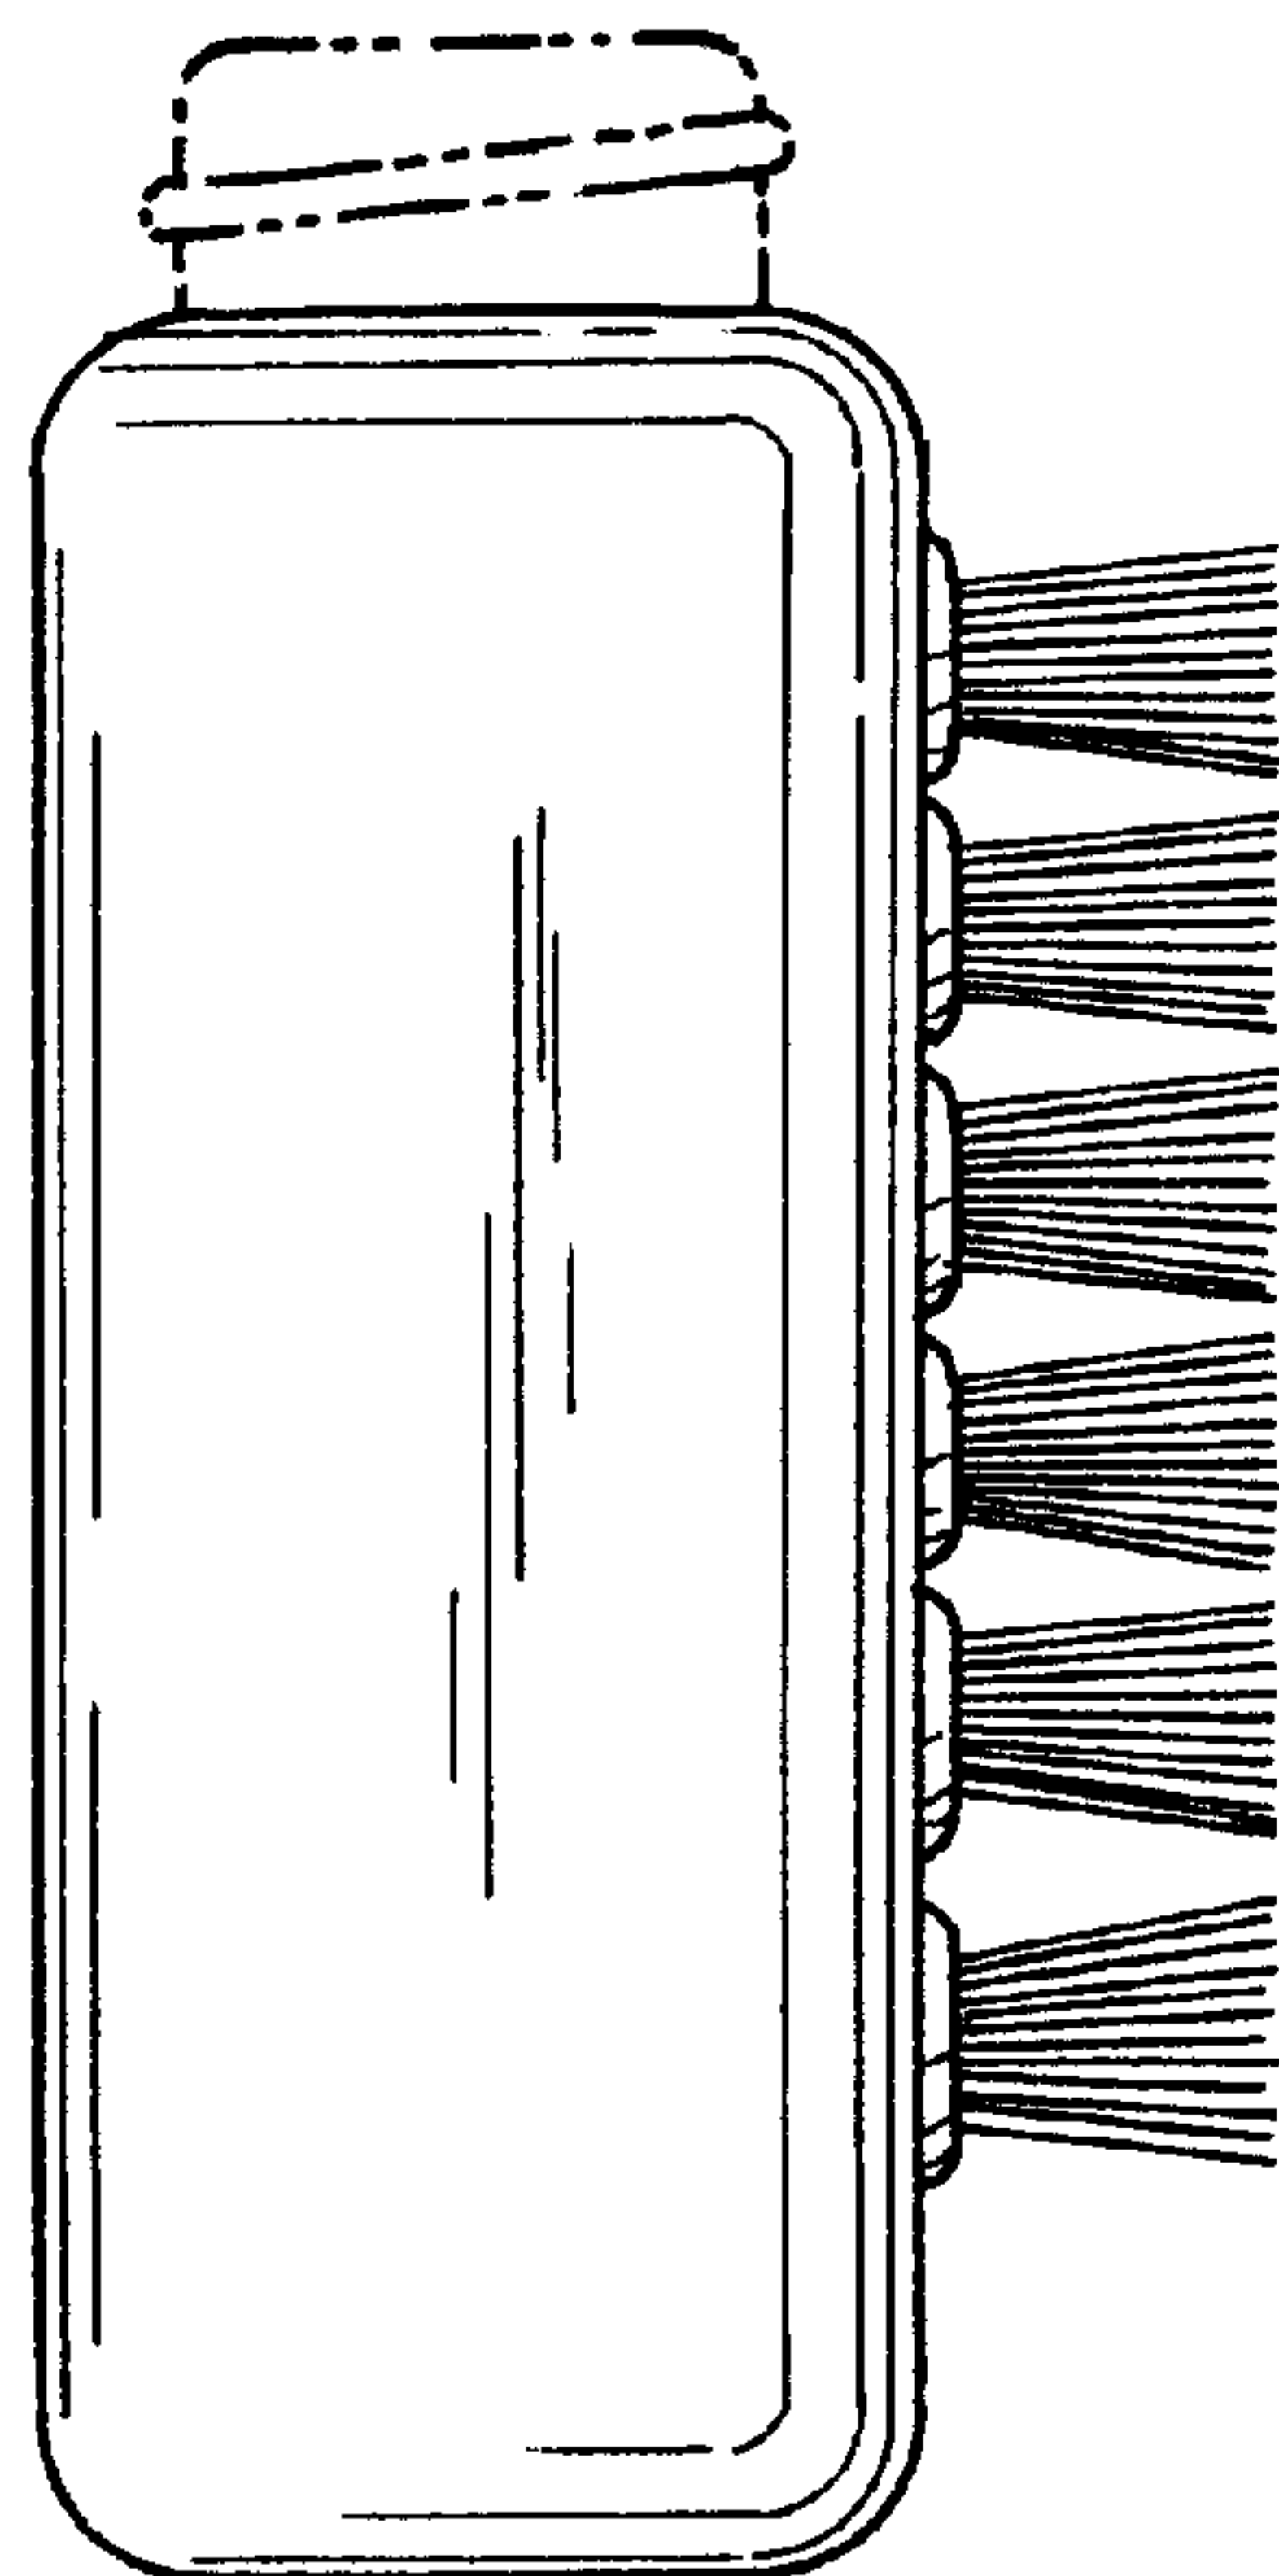

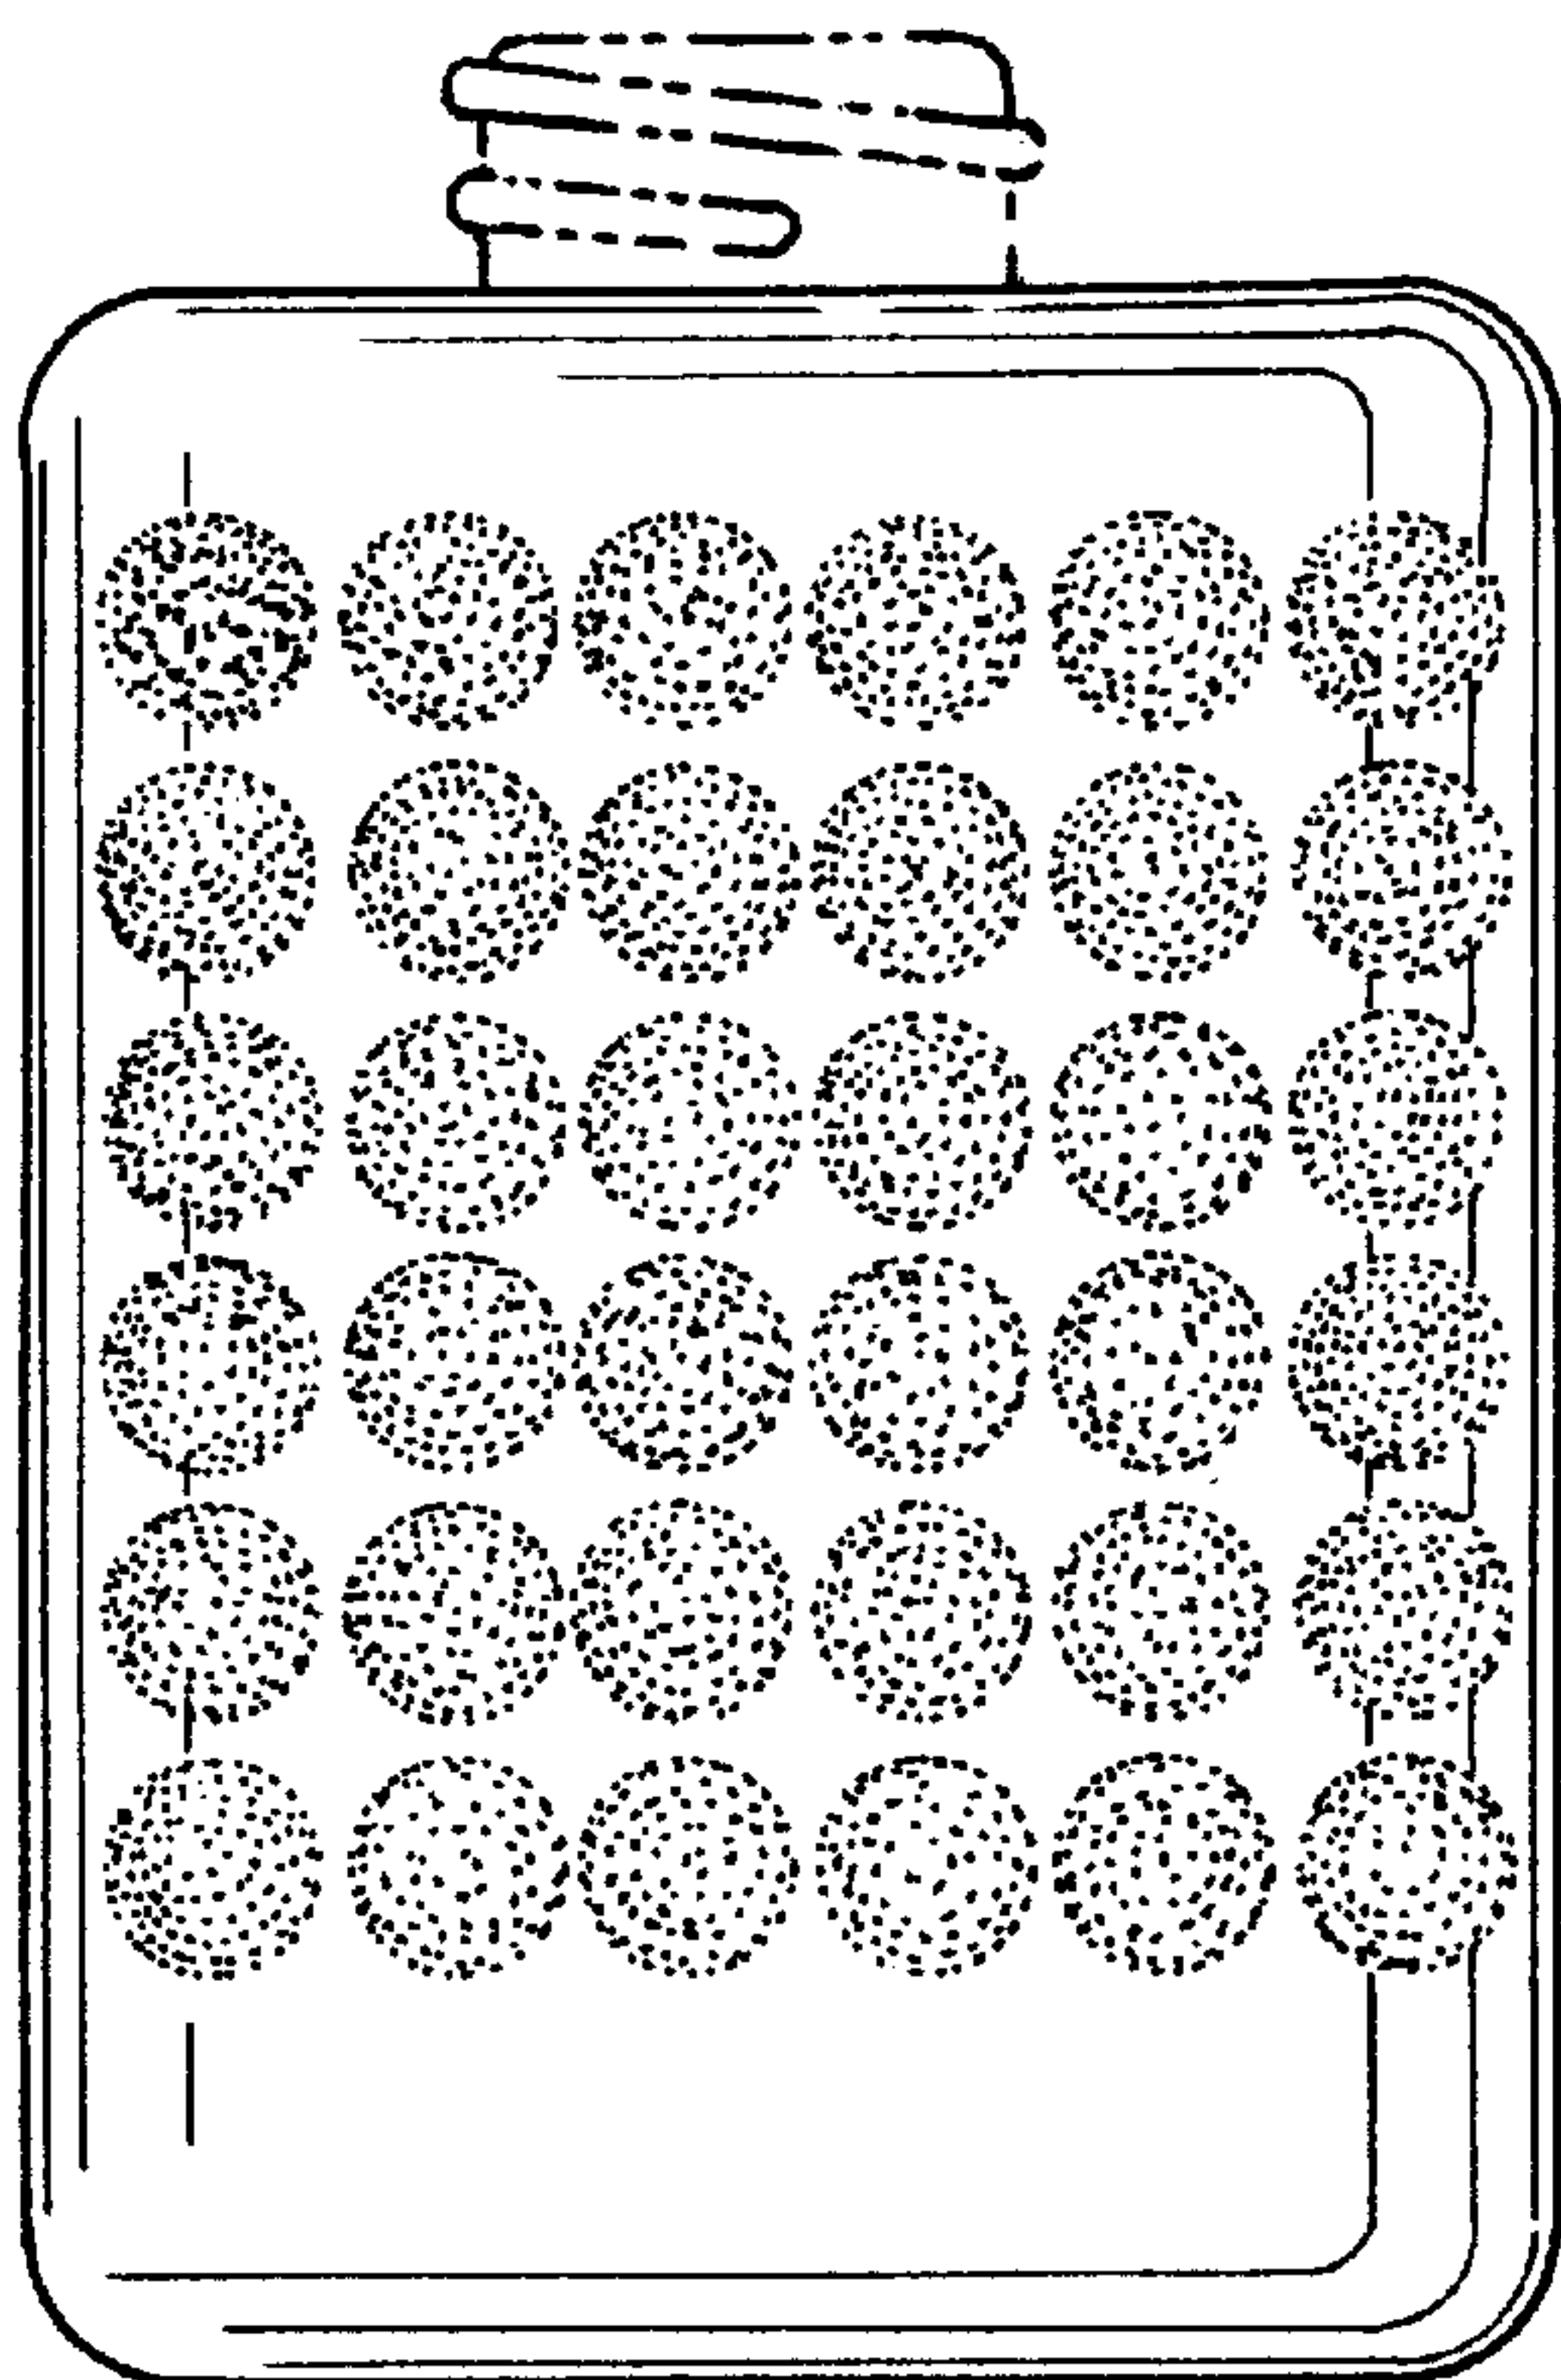

FIG. 2 is a side elevational view thereof; and,

FIG. 3 is a bottom plan view thereof.

The portions of the bottle brush neither shown in the drawing nor described in the specification form no part of the claimed design.

The broken lines showing a threaded neck are for illustrative purposes only and form no part of the claimed design.
