(57) **CLAIM**

The ornamental design for snack food product, as shown and
described.

DESCRIPTION

FIG. 1 is a top plan view of the snack food product, which
is identical to the bottom plan view of the snack food
product.

FIG. 2 is a side elevation view from a first side of the snack
food product when the cracker crisp is oriented in a vertical
position;

FIG. 3 is a perspective view of a second side of the snack
food product when the cracker crisp is oriented in a vertical
position;

FIG. 4 is a first side view of the snack food product in a
horizontal position.

FIG. 5 is a second side view of the snack food product in a
horizontal position; and,

FIG. 6 is a perspective view of the snack food product.
