(57) **CLAIM**

The ornamental design for a combined ceiling fan canopy, support rod, motor housing and switching housing unit, as shown and described.

**DESCRIPTION**

FIG. 1 is a front-bottom perspective view of a combined ceiling fan canopy, support rod, motor housing and switching housing unit, showing my new design;

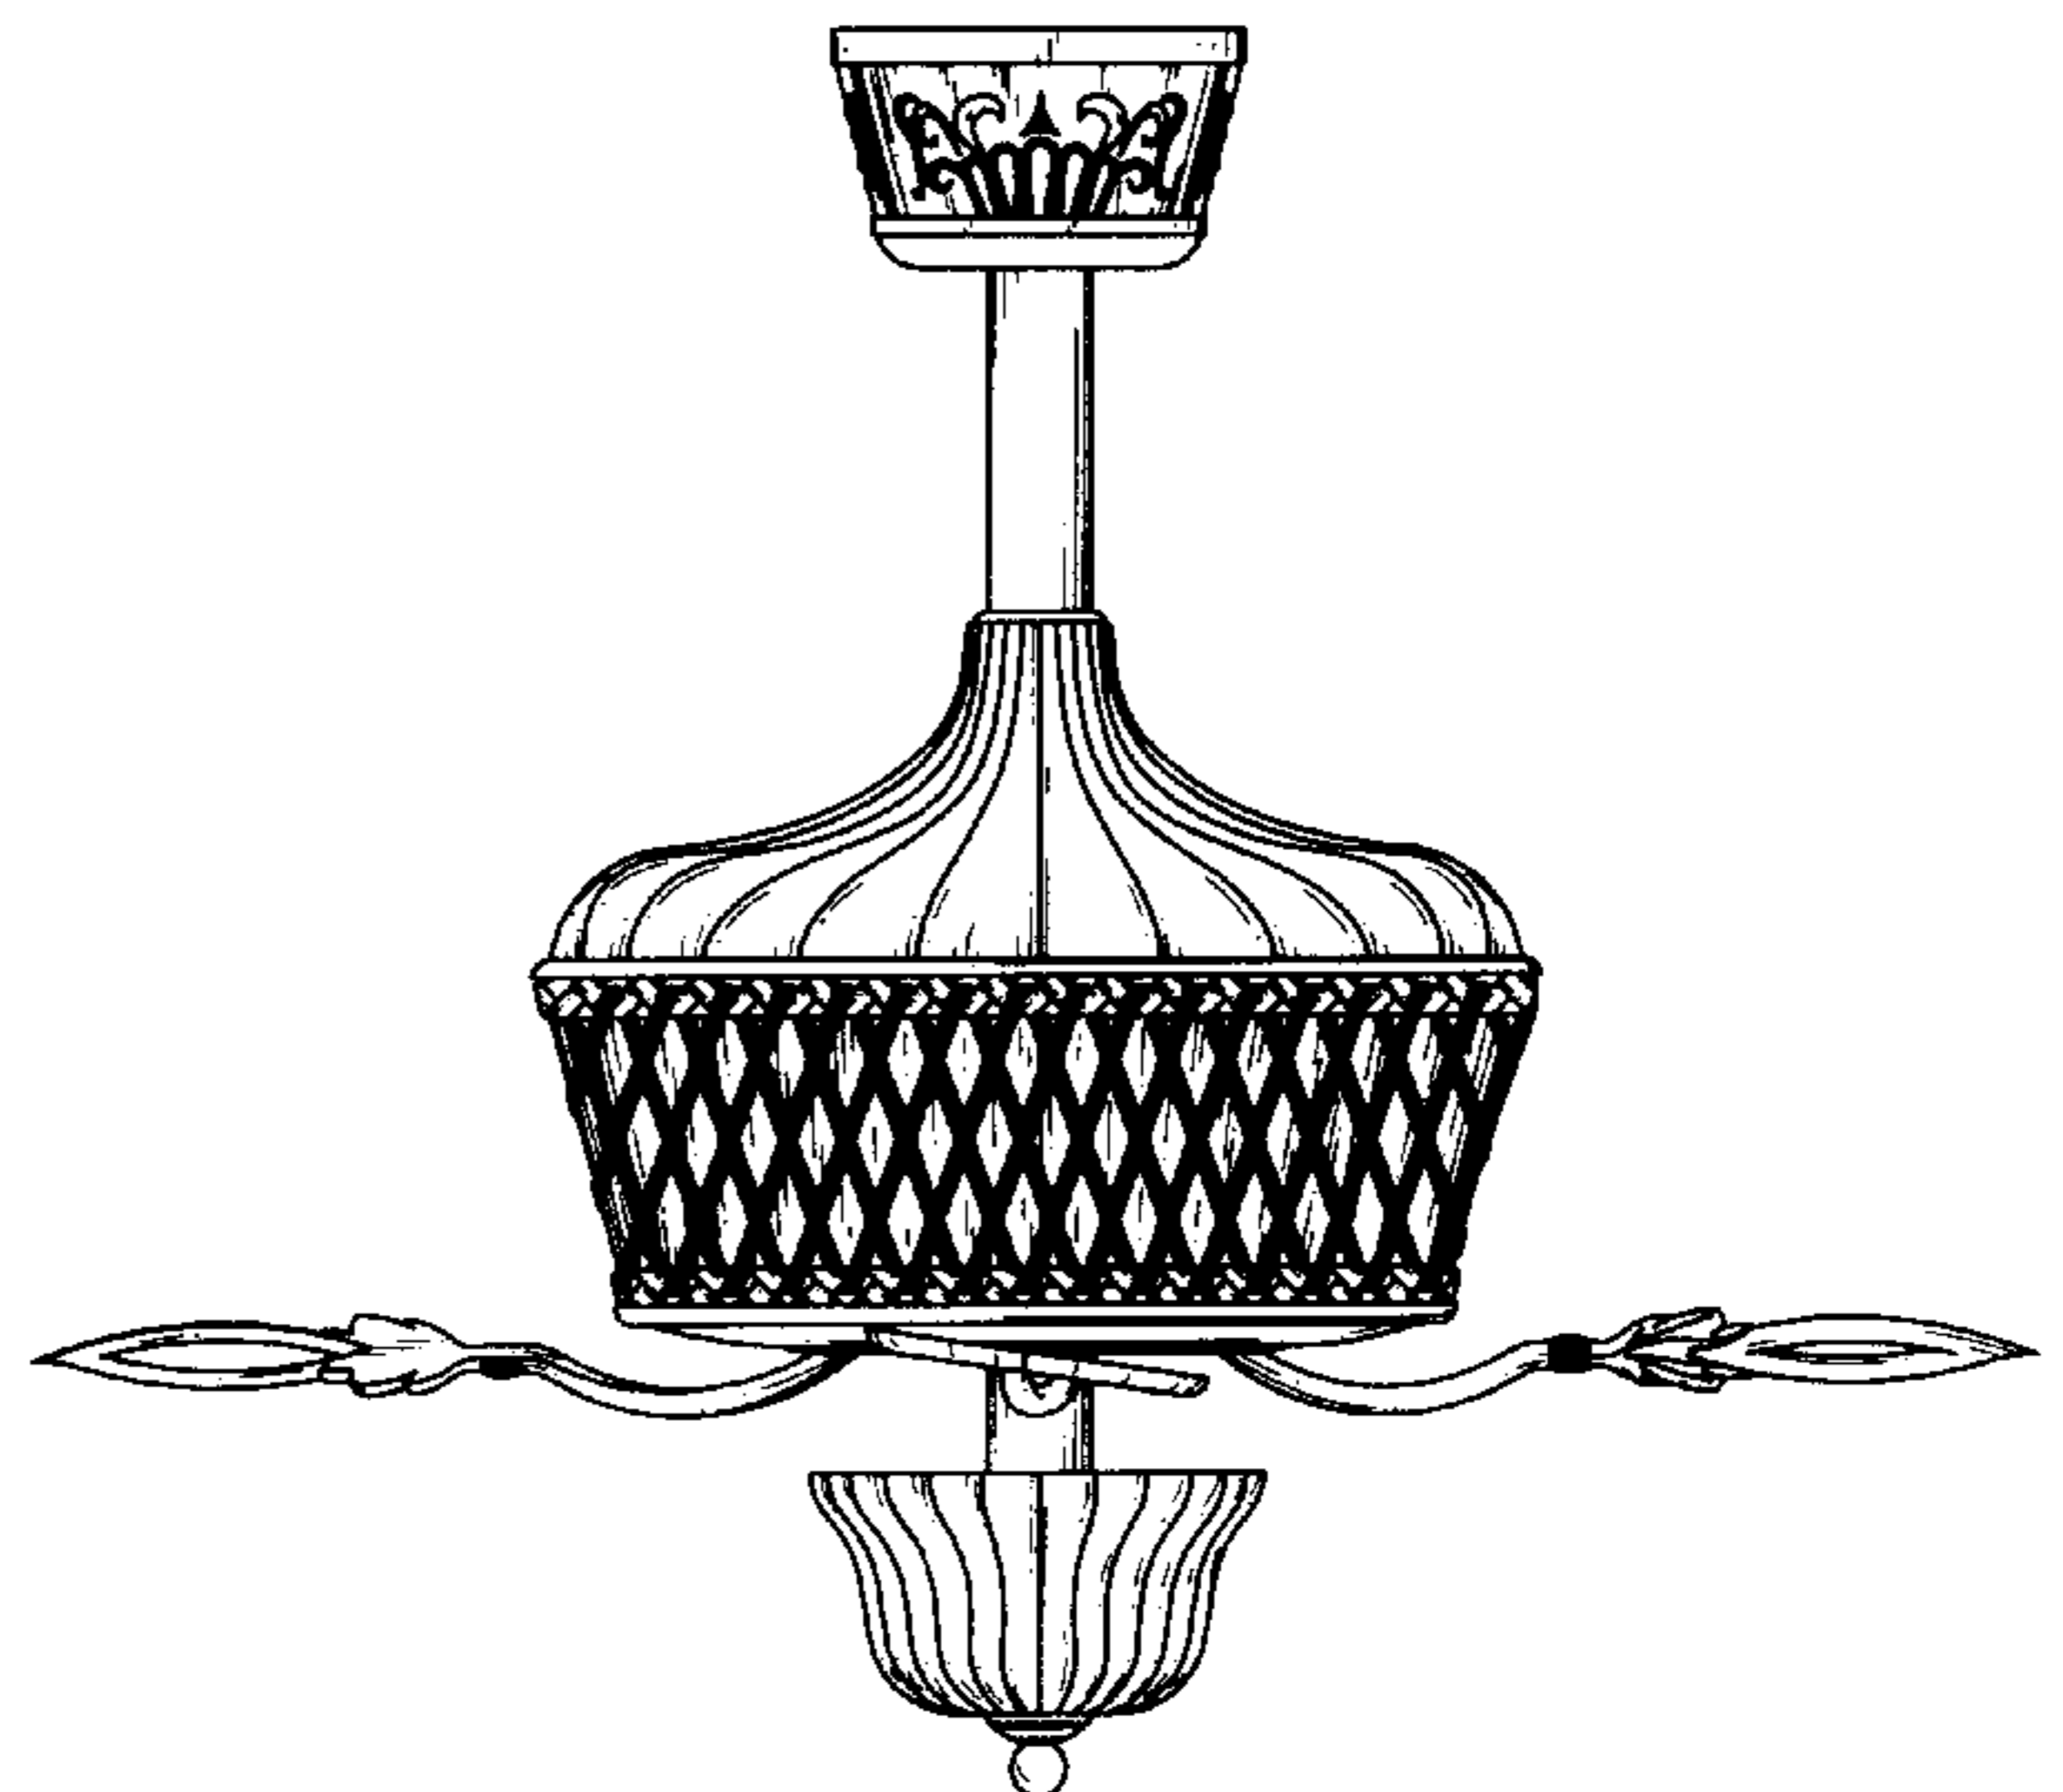

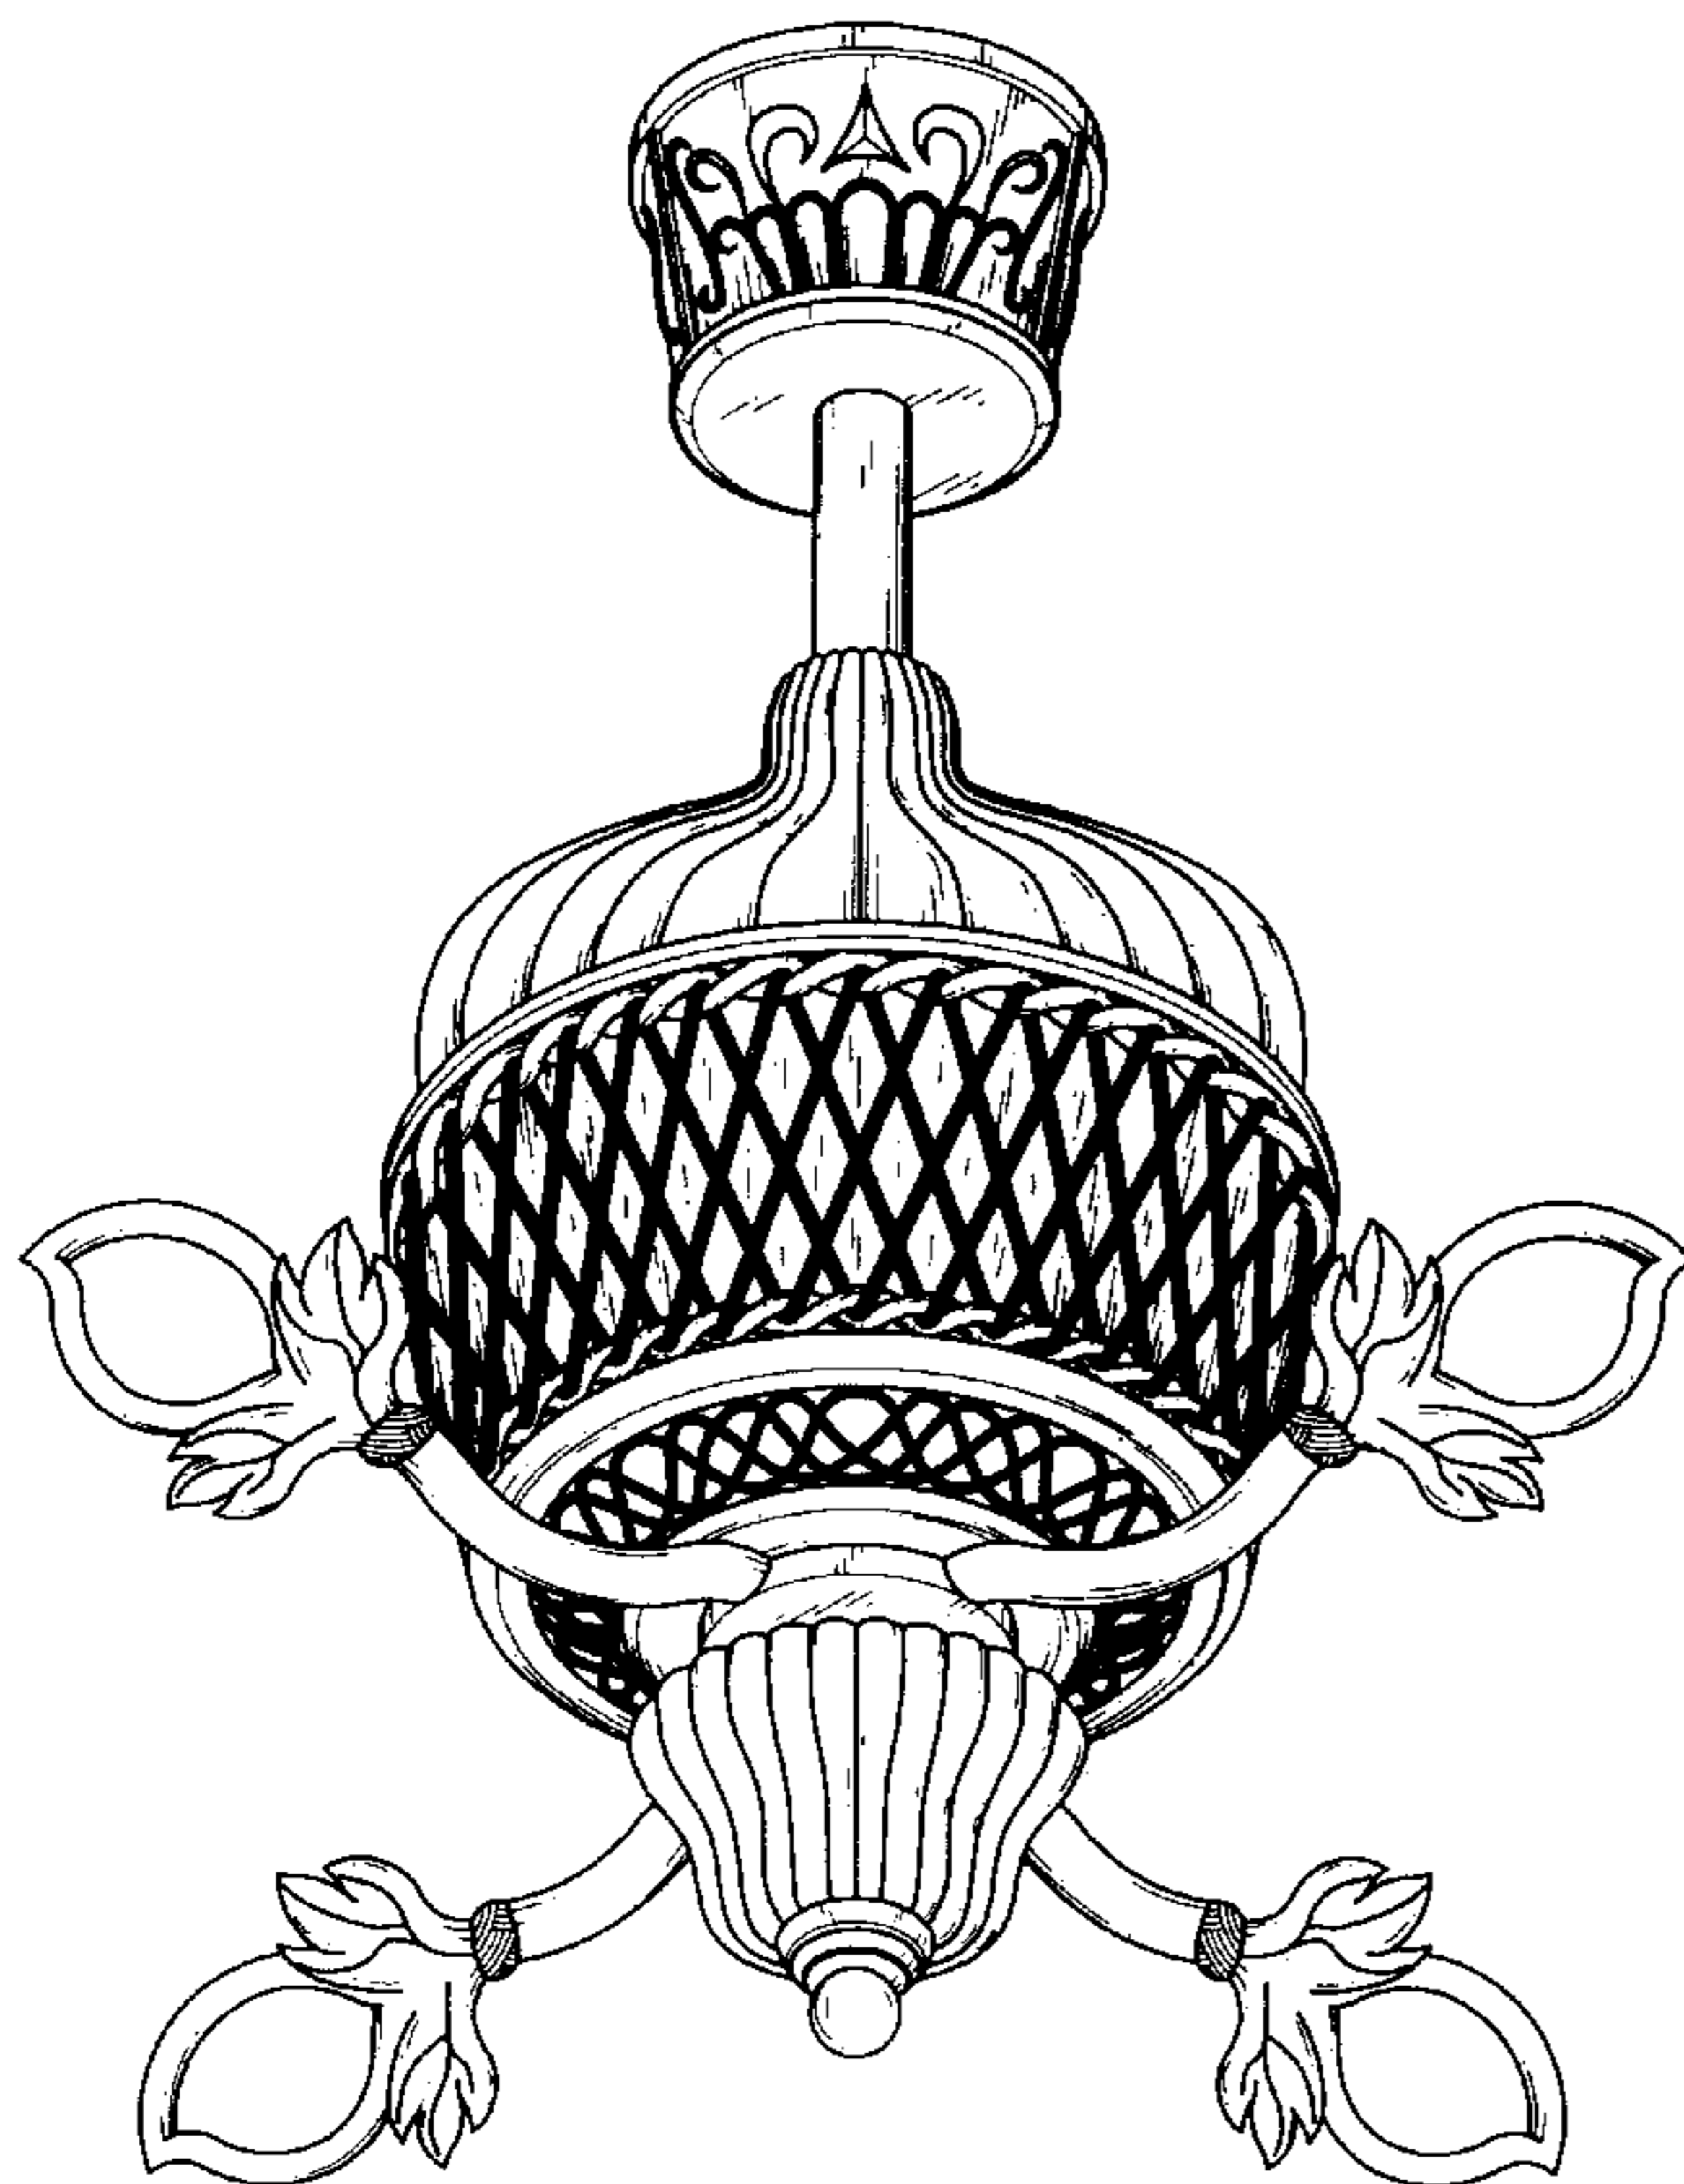

FIG. 2 is a front elevational view thereof (the right side view, the left side view and the rear elevational view being a mirror image thereof);

FIG. 3 is a top plan view thereof;

FIG. 4 is a bottom plan view; and,

FIG. 5 is a perspective view showing an embodiment of the claimed design, wherein the fan blades are fixedly connected to the brackets wherein broken lines are shown for illustrative purposes only and form no part of the claimed design.
