(57) **CLAIM**

The ornamental design for a Christian cross, as shown.

DESCRIPTION

The claimed Christian cross is to be built as a monument.
FIG. 1 is a front elevational view of a Christian cross
showing my new design, the rear being a mirror image;
FIG. 2 is a left side elevational view thereof, the right side
being a mirror image; and,
FIG. 3 is a top plan view thereof.
