(57) **CLAIM**

I claim the ornamental design of a razor handle, as described and shown in the drawings.

**DESCRIPTION**

FIG. 1 is a perspective view showing a head portion of razor handle according to the present invention;  
 FIG. 2 is a top plan view of the head portion of the razor handle according to the present invention;  
 FIG. 3 is a bottom plan view of the head portion of the razor handle according to the present invention;  
 FIG. 4 is a side view of the head portion of the razor handle according to the present invention;  
 FIG. 5 is a front end view of the head portion of the razor handle according to the invention; and,  
 FIG. 6 is a rear end view of the head portion of the razor handle according to the invention.
