(57) **CLAIM**

The ornamental design of a golf ball detector, as shown and
described.

DESCRIPTION

FIG. 1 is a perspective view of a golf ball detector showing
the new design with the wand portion fully retracted;

FIG. 2 is a front elevational view of the FIG. 1 golf ball
detector, the back, left and right side elevational views being
substantially identical thereto;

FIG. 3 is a bottom plan view of the FIG. 1 golf ball detector.
the top plan view being substantially identical thereto;

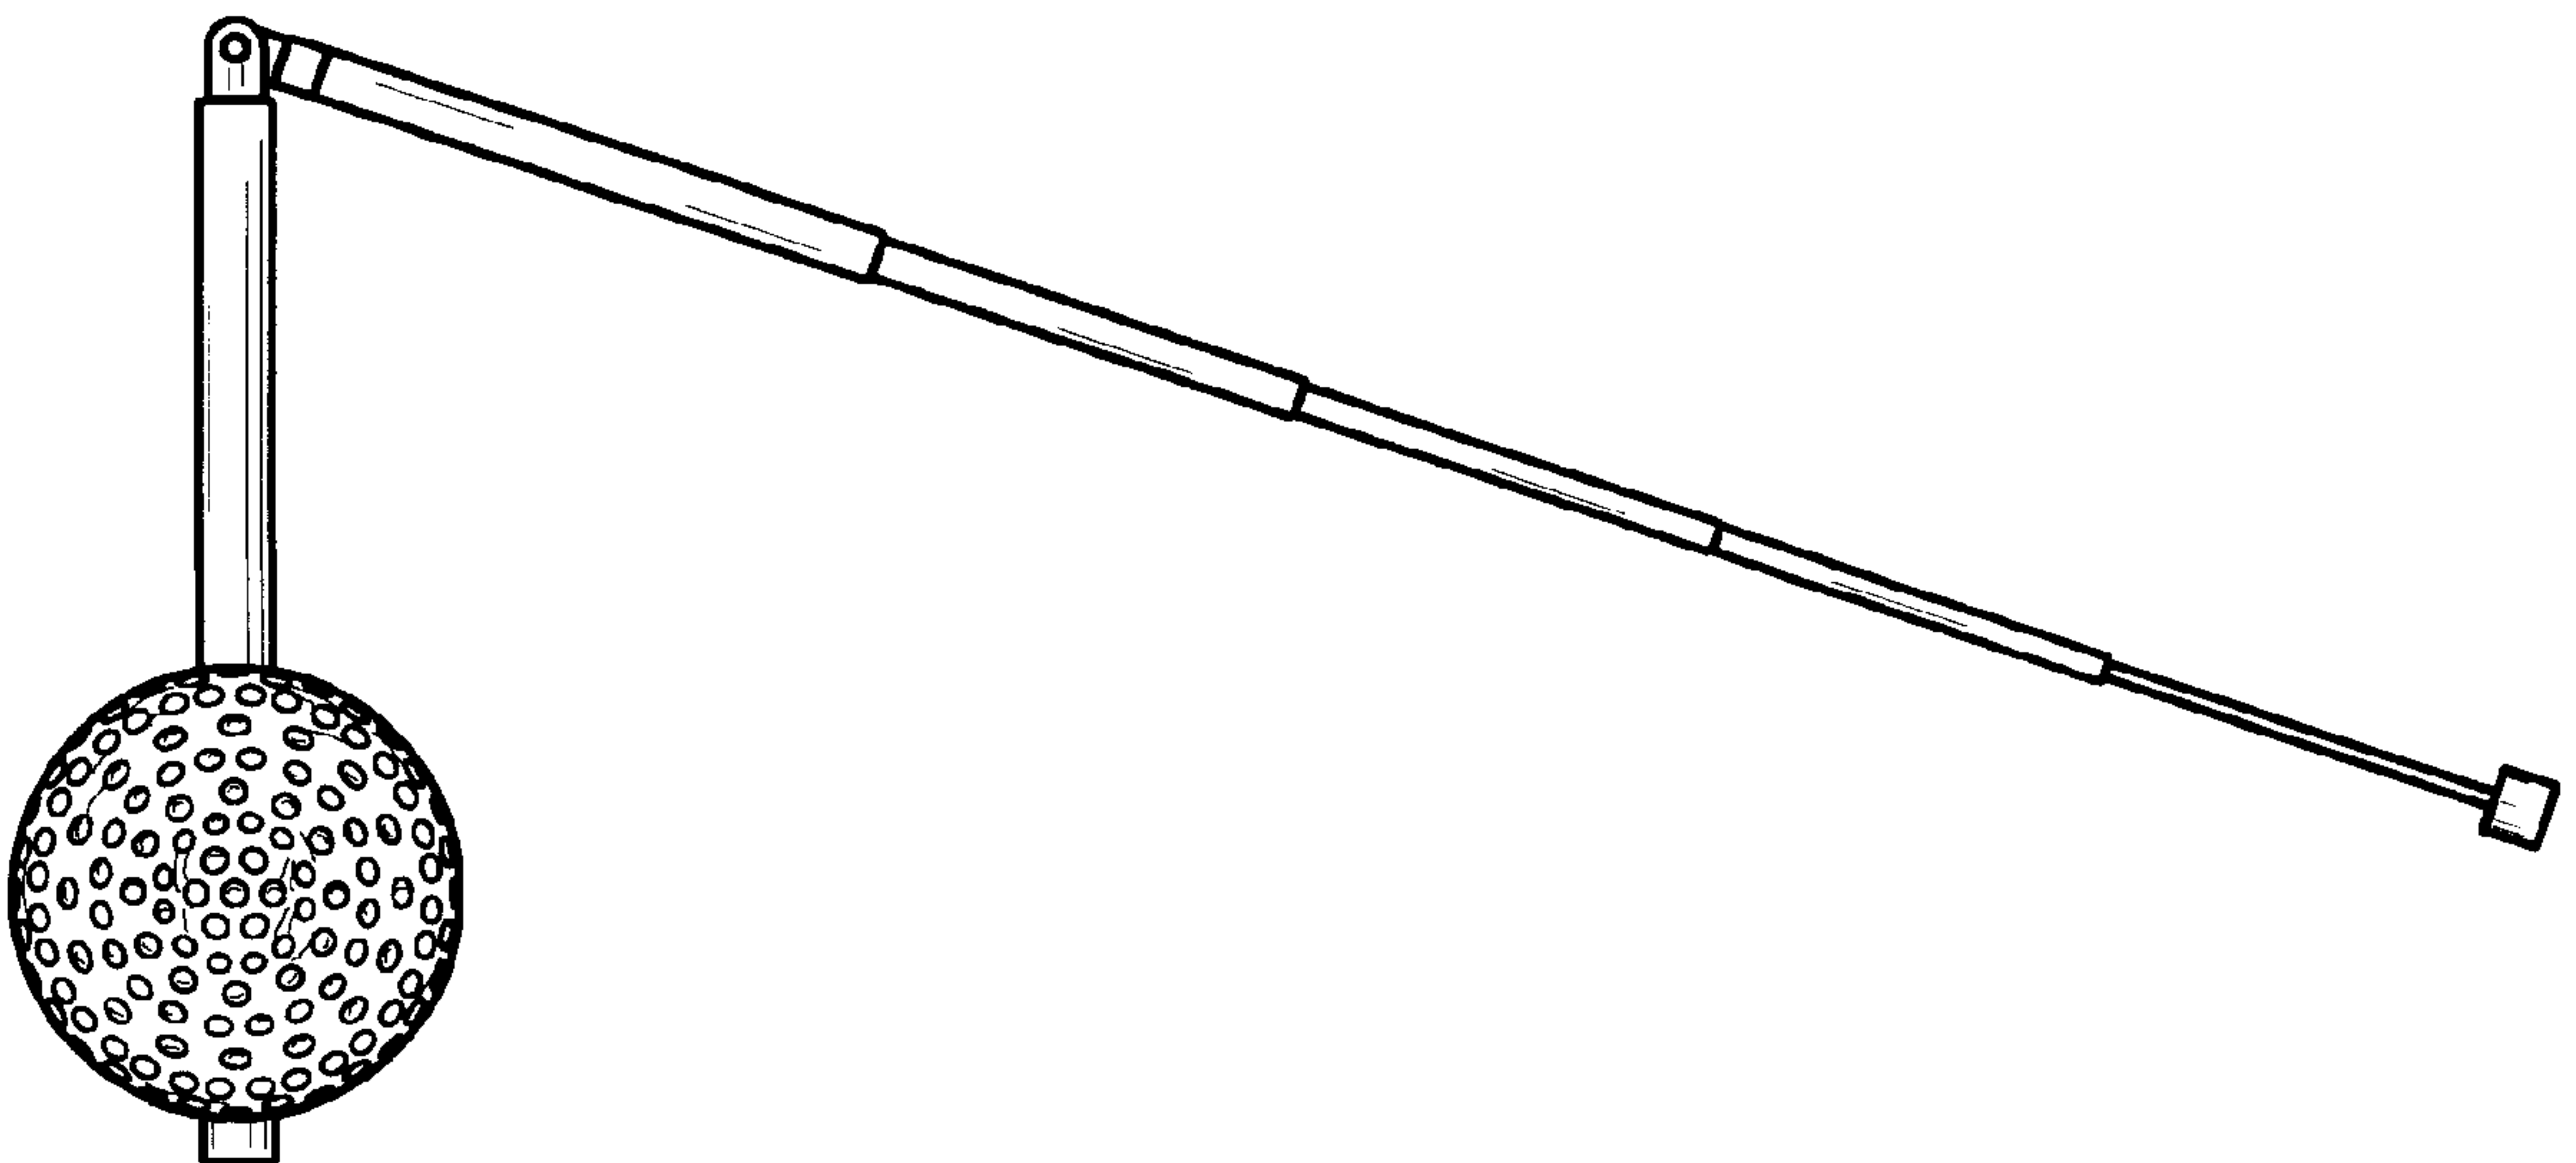

FIG. 4 is a front elevational view of the golf ball detector,
showing the wand in a partially extended position;

FIG. 5 is a front elevational view of the golf ball detector,
showing alternate positions of the ball element and the wand
element;

FIG. 6 is a front elevational view of the golf ball detector of
FIG. 1, with the wand element in a fully extended position;
and,

FIG. 7 is a front elevational view of the golf ball detector of
FIG. 6, with the wand element in an alternate fully extended
position.
