FIG. 1 is a perspective view of an ear piercing gun showing my new design;  
FIG. 2 is a front view thereof;  
FIG. 3 is a rear view thereof;  
FIG. 4 is a side view thereof, the opposite side view being a mirror image thereto;  
FIG. 5 is a top plan view thereof;  
FIG. 6 is a bottom plan view thereof;  
FIG. 7 is a perspective thereof, shown in an alternate position;  
FIG. 8 is a front view thereof, the rear view being the same as shown in FIG. 3;  
FIG. 9 is a side view thereof, the opposite side view being a mirror image thereto; and,  
FIG. 10 is a top plan view thereof. The bottom view being similar to that shown in FIG. 6, with the handle shown in depressed condition.
