(57) **CLAIM**

The ornamental design for a grippable drive socket, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of the grippable drive socket of the present invention, the rear, left and right views being a mirror image thereof;

FIG. 2 is a top plan view of the grippable drive socket of FIG. 1; and,

FIG. 3 is a bottom plan view of the grippable drive socket of FIG. 1.

The broken lines showing of numbers in FIG. 1 and the broken lines depicting the size of the opening in FIG. 3 are for illustrative purposes only and form no part of the claimed design.
