(57) **CLAIM**

The ornamental design for a hubcap, as shown and described.

DESCRIPTION

FIG. 1 is a top plan view of the hubcap showing my new design.

FIG. 2 is the side view of the hubcap with all side views being identical and the phantom lines being an attachment base and not part of the design; and,

FIG. 3 is a perspective view of the hubcap with the phantom line being an attachment base and not part of the design.
