(57) **CLAIM**

We claim the ornamental design for a housing for a mobile computer-based display system, as shown and described.

DESCRIPTION

FIG. 1 is an exploded front isometric view of a housing for a mobile computer-based display system showing our new design the internal portion being shown in broken lines for illustrative purposes only and forms no part of the claimed design;

FIG. 2 is a front elevation view thereof;

FIG. 3 is a left side view thereof right being mirror image;

FIG. 4 is a top view thereof;

FIG. 5 is a bottom view thereof; and,

FIG. 6 is front elevation view of a second embodiment thereof wherein the only difference is in the front of the housing.
