(57) **CLAIM**

The ornamental design for a modular medical gas services column, as shown.

DESCRIPTION

FIG. 1 is a frontal perspective view of the modular medical gas services column in accordance with the present invention.

FIG. 2 is a plan view of the modular medical gas services column.

FIG. 3 is side elevational view of the modular medical gas services column; and,

FIG. 4 is a cross sectional view taken along line 4—4 of FIG. 3.

The broken line showing of the electrical and gas outlets, gas services units, the equipment mounting brackets, and the ceiling and floor mounting brackets is for illustrative purposes only and forms no part of the claimed design.

1 Claim, 2 Drawing Sheets

FIG. 4
