(57) **CLAIM**

The ornamental design for a garden pathway tulip cluster lighting fixture, as shown.

DESCRIPTION

An article embodying the design as shown in the present application is in the nature of an electrical lighting fixture for use in areas where the lights are intended to simulate the appearance of various plant life. In particular, the present design is in the form of a cluster of three tulips.

FIG. 1 presents a front view of the garden pathway lighting fixture of the present invention.

FIG. 2 presents a side view of the garden pathway lighting fixture of the present invention; and,

FIG. 3 presents a top view of the garden pathway lighting fixture of the present invention.
