(57) **CLAIM**

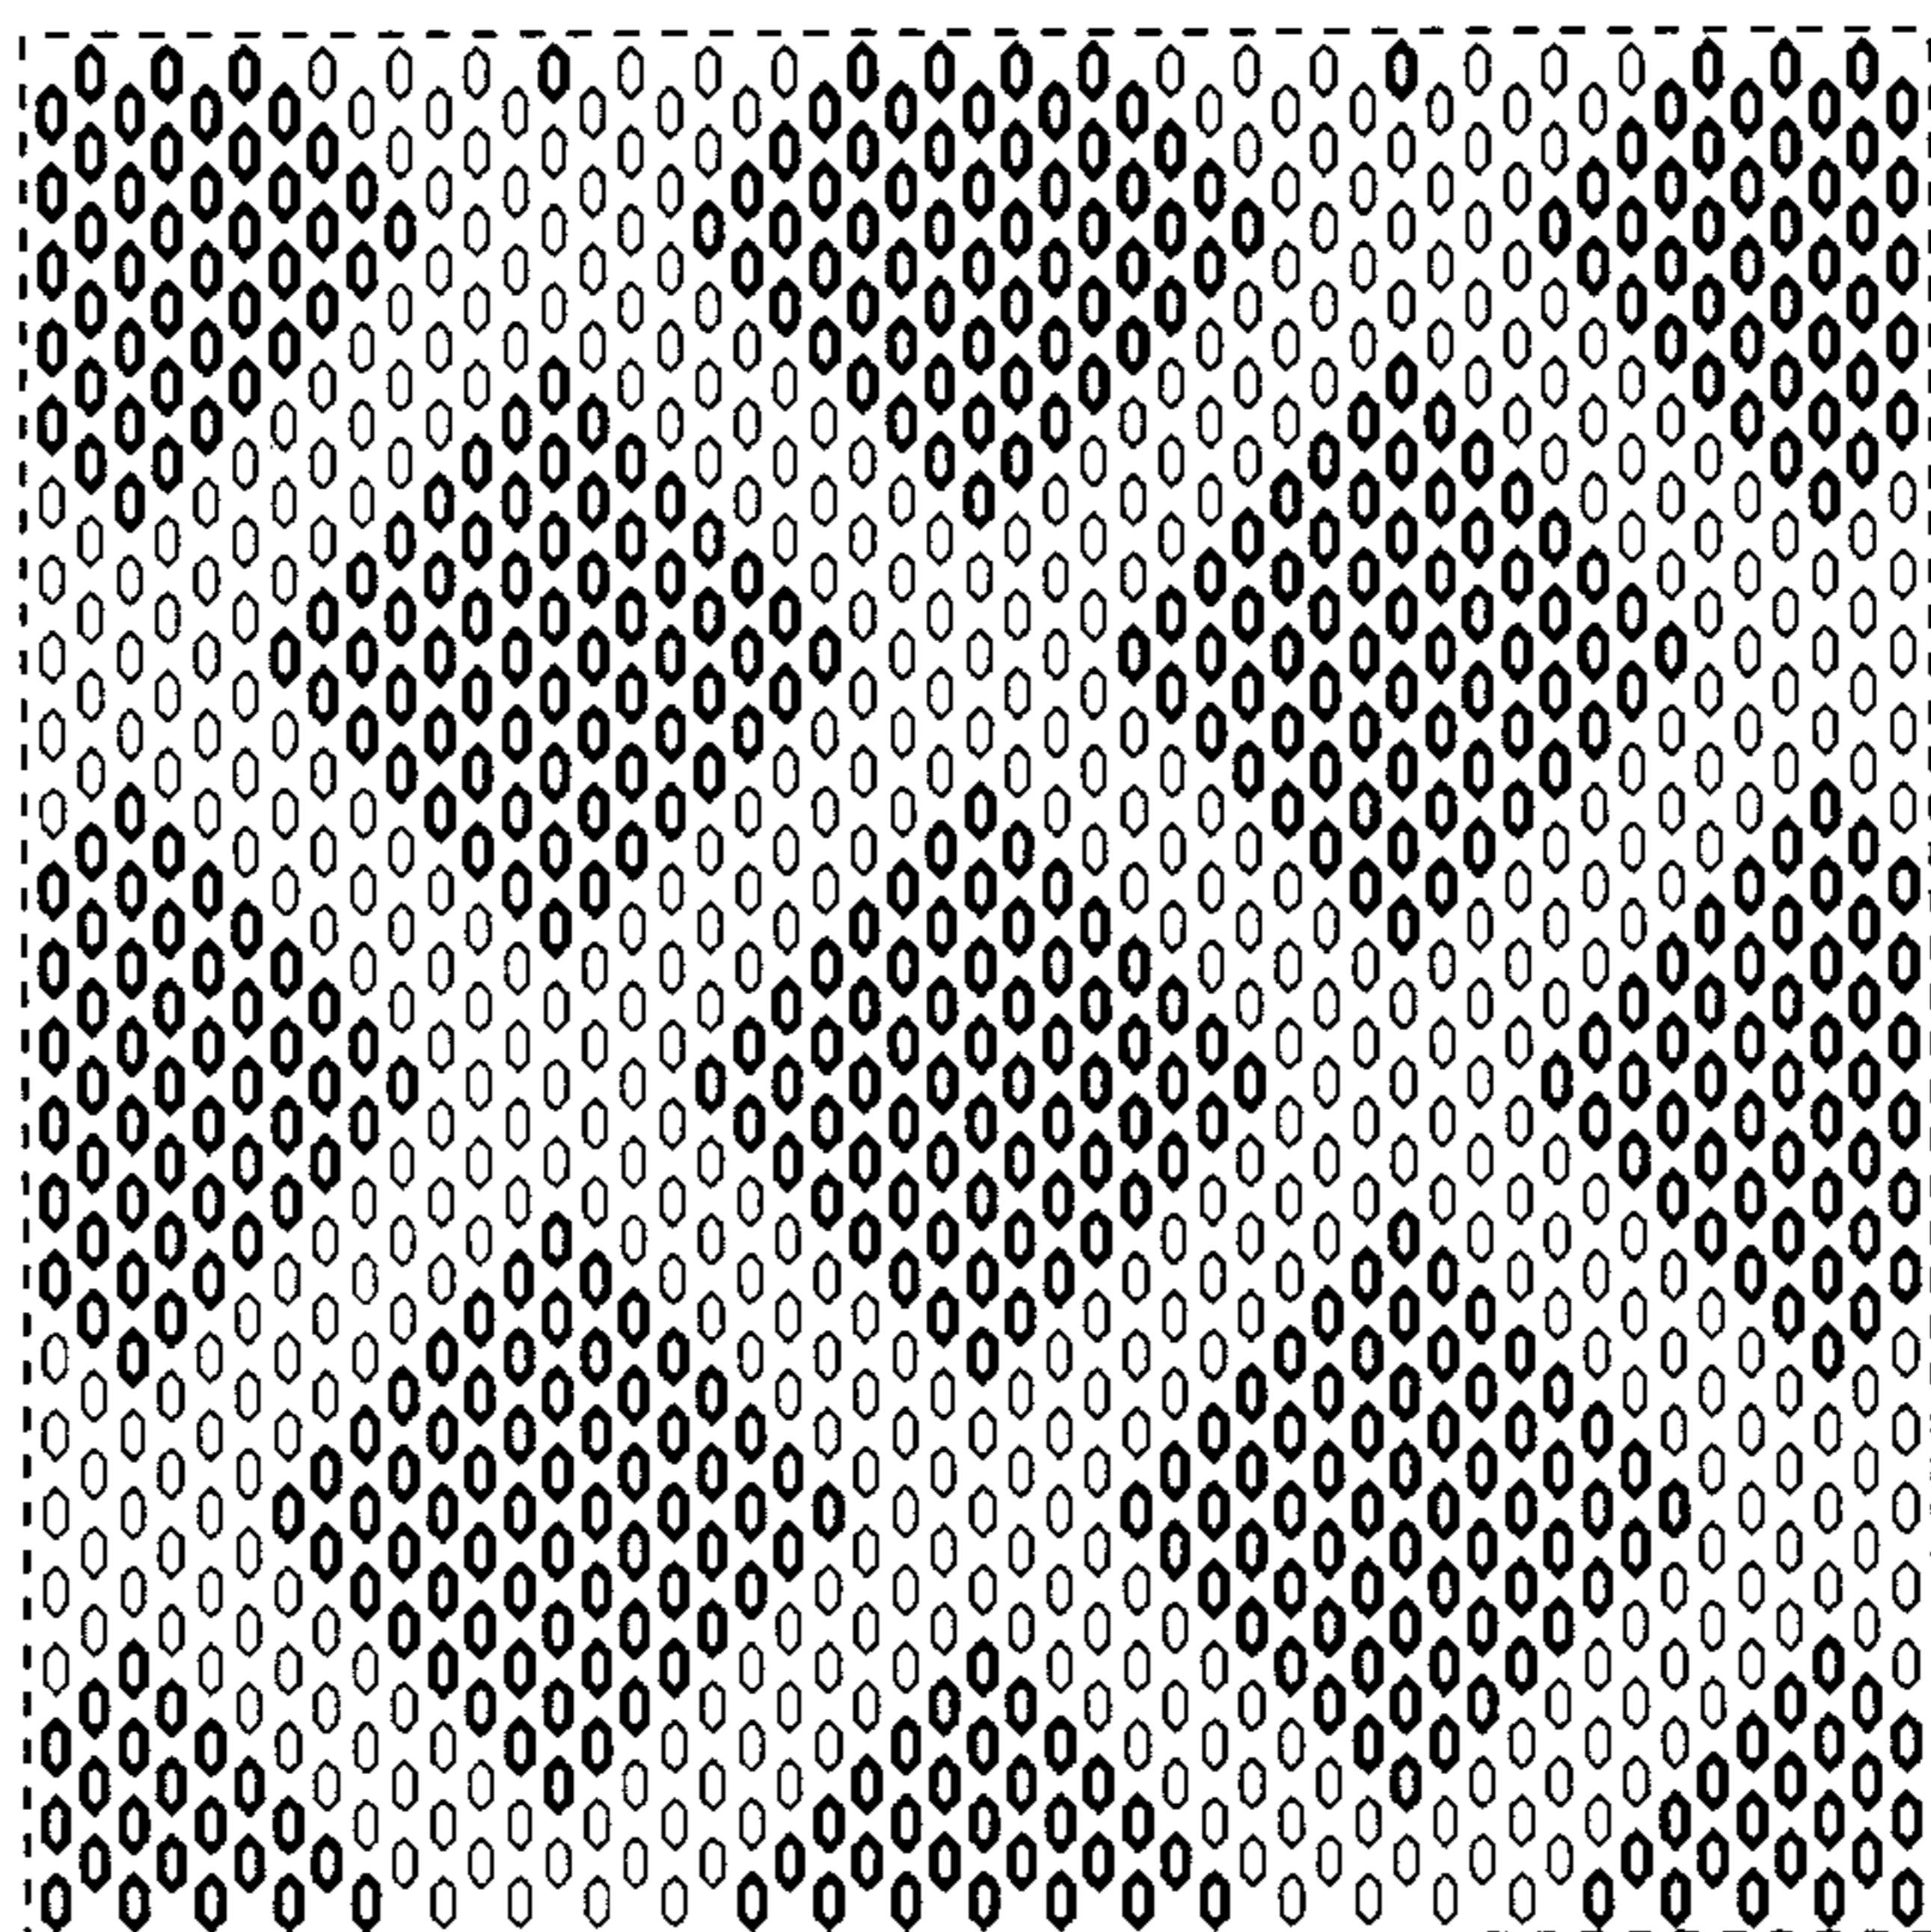

We claim the ornamental design for a pattern for an embossed paper product, as shown and described.

DESCRIPTION

The sole FIGURE is a top plan view of a pattern for an embossed paper product showing our new design.

The pattern of the claimed design may be applied to either a single or multi-ply paper product and is preferably applied to a tissue or a towel product. The broken lines in the figure depict the boundaries of the claimed design as well as the boundaries of the embossed paper product to which the pattern is applied and form no part of the claimed design.
