This application is related to a utility patent application entitled "Spark Plug Display Container", filed on even date herewith in the name of Matthew K. Gitersonke.

FIG. 1 is a perspective view of a spark plug display container according to the invention, showing my new design, and showing a spark plug in phantom therein;

FIG. 2 is a top plan view of the spark plug display container; FIG. 3 is a bottom plan view of the spark plug display container;

FIG. 4 is a front elevational view of the spark plug display container;

FIG. 5 is a right side elevational view of the spark plug display container;

FIG. 6 is a rear elevational view of the spark plug display container; and,

FIG. 7 is a left side elevational view of the spark plug display container.

The broken line showing of spark plug is for illustrative purpose only and forms no part of the claimed design.
