(57) **CLAIM**

The ornamental design for a bed, as shown and described.

DESCRIPTION

A portion of the disclosure of this patent document contains material to which a claim for copyright is made. The copyright owner has no objection to the facsimile reproduction by any one of the patent document or the patent disclosure, as it appears in the Patent and Trademark Office patent files or records, but otherwise reserves all other copyright rights whatsoever.

The FIGURE is a front-left elevational view of a bed showing my new design.

The right side of the article is a mirror-image of the left side. The rear of the article is similar in appearance to the footboard, but has a mirror-image of the letters "A," "B" and "C".

The bottom forms no part of the claimed design.

The broken lines are for environmental purposes only and form no part of the claimed design.
