(57) **CLAIM**

The ornamental design for an outer surface of a pair of side
panels for a dump truck body, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the portion of a pair of side
panels for a dump truck body showing our new design;
FIG. 2 is a side elevation view of the left side panel shown
in FIG. 1;
FIG. 3 is a side elevation view of the right side panel;
FIG. 4 is a top plan view of the left side panel;
FIG. 5 is a bottom plan view of the left side panel; and,
FIG. 6 is a greatly enlarged cross-sectional view of the left
side panel as seen from the plane indicated by the line 6—6
in FIG. 2, the right side panel being a mirror image thereof.
The broken lines shown are for illustrative purposes only
and form no part of the claimed design.
