(57) **CLAIM**

The ornamental design for a heater control box for automobile, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of the heater control box for automobile according to the present invention;

FIG. 2 is a front elevational view of the heater control box for automobile according to the present invention;

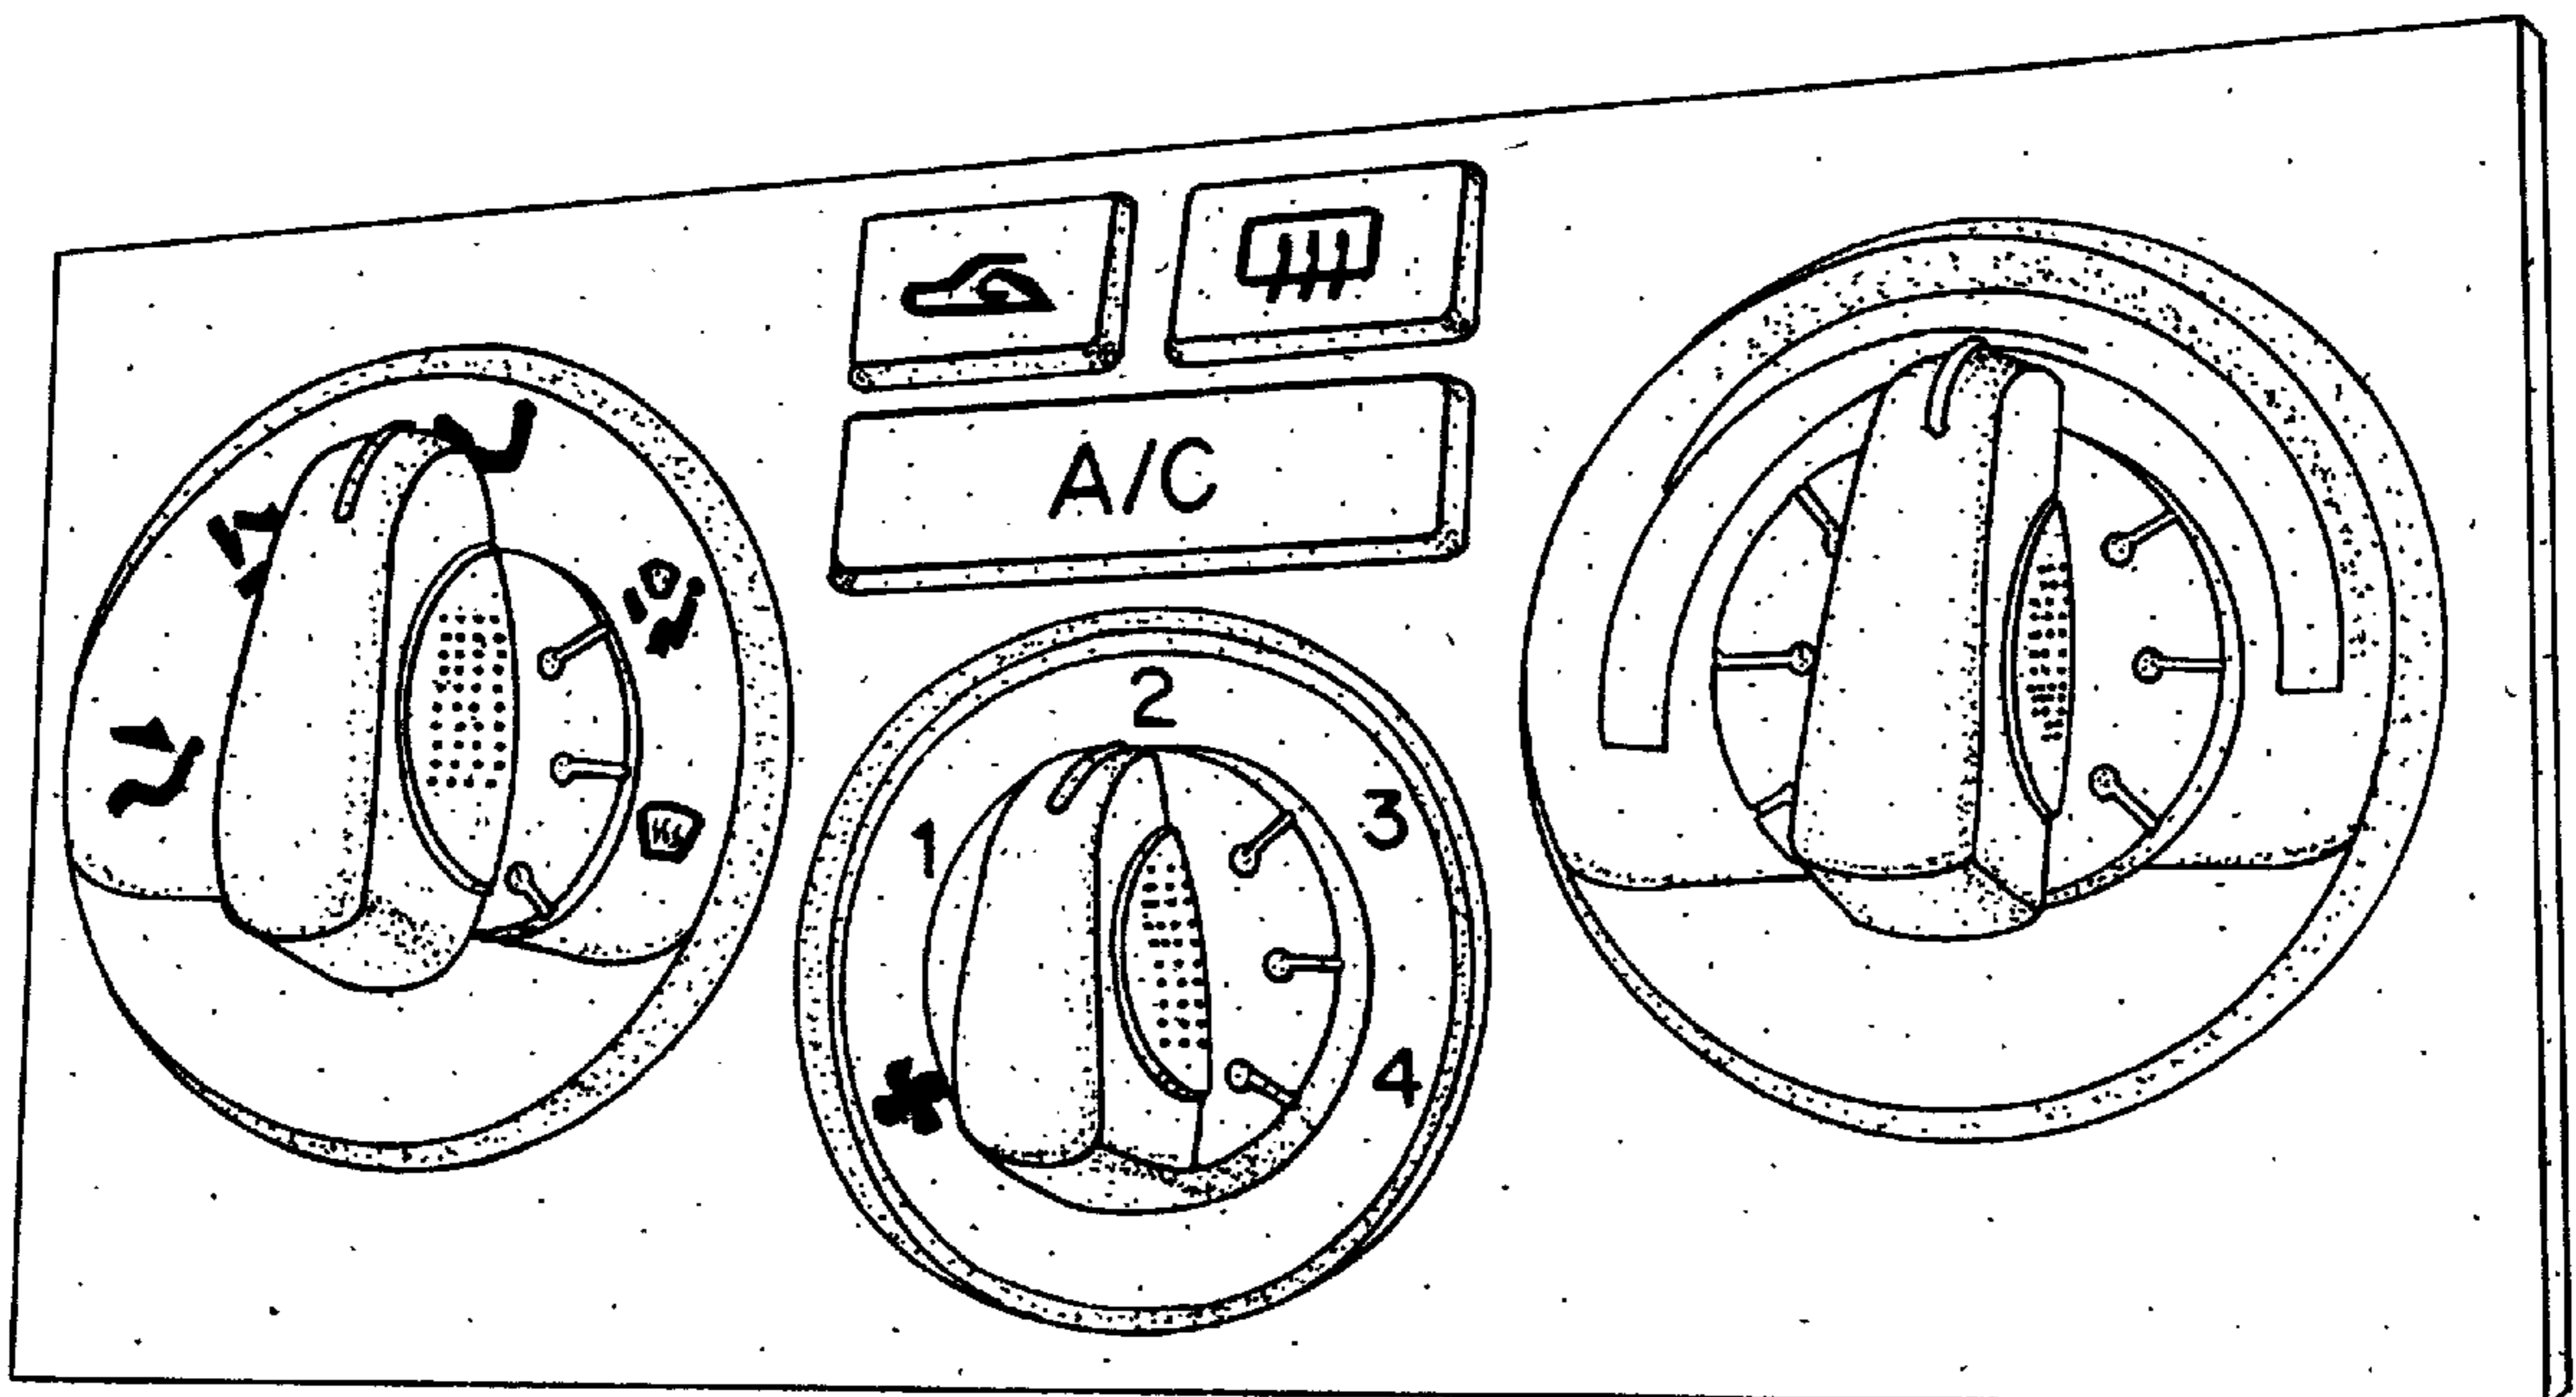

FIG. 3 is a rear elevational view of the heater control box for automobile according to the present invention;

FIG. 4 is a left side elevational view of the heater control box for automobile according to the present invention and the right side elevational view is symmetrical;

FIG. 5 is a top plan view of the heater control box for automobile according to the present invention; and,

FIG. 6 is a bottom plan view of the heater control box for automobile according to the present invention.
