(57) **CLAIM**

The ornamental design for a housing for mounting, arranging and securing electrical power lines to a computer, as shown and described.

DESCRIPTION

FIG. 1 is a front perspective view of a housing for mounting, arranging and securing electrical power lines to a computer, showing my new design;

FIG. 2 is a bottom perspective view thereof;

FIG. 3 is a left side perspective view thereof;

FIG. 4 is a right side and top perspective view thereof;

FIG. 5 is a rear perspective view thereof; and,

FIG. 6 is a rear perspective view showing the housing in an open position.

The broken line showings of an outlet power strip in the Figures are for illustrative purposes only and form no part of the claimed design.
