(57) **CLAIM**

The ornamental design of a joint cover and sealing device for concrete panels, as shown and described.

**DESCRIPTION**

This application claims the benefit of application Ser. No. 09/502,253, filed Feb. 17, 2000, which is a continuation of application Ser. No. 09/059,518, filed Apr. 13, 1998.

FIG. 1 is a perspective view of a joint cover and sealing device for concrete panels showing my new design, with a portion broken away in the center to disclose indefinite length; and,

FIG. 2 is an end view thereof, the opposite end view being the same.

**1 Claim, 1 Drawing Sheet**

FIG-1

FIG-2
