(57) **CLAIM**

I claim the ornamental design for a CD binder, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a CD binder showing my new design in an open condition; the broken outline of a CD holding leaf (in FIGS. 1, 2, and 4-9) is understood to illustrate environmental subject matter, and forms no part of the claimed design;

FIG. 2 is a top view of the CD binder illustrated in FIG. 1. FIG. 3 is a bottom view of the CD binder illustrated in FIG. 1.

FIG. 4 is a left elevational view of the CD binder illustrated in FIG. 2.

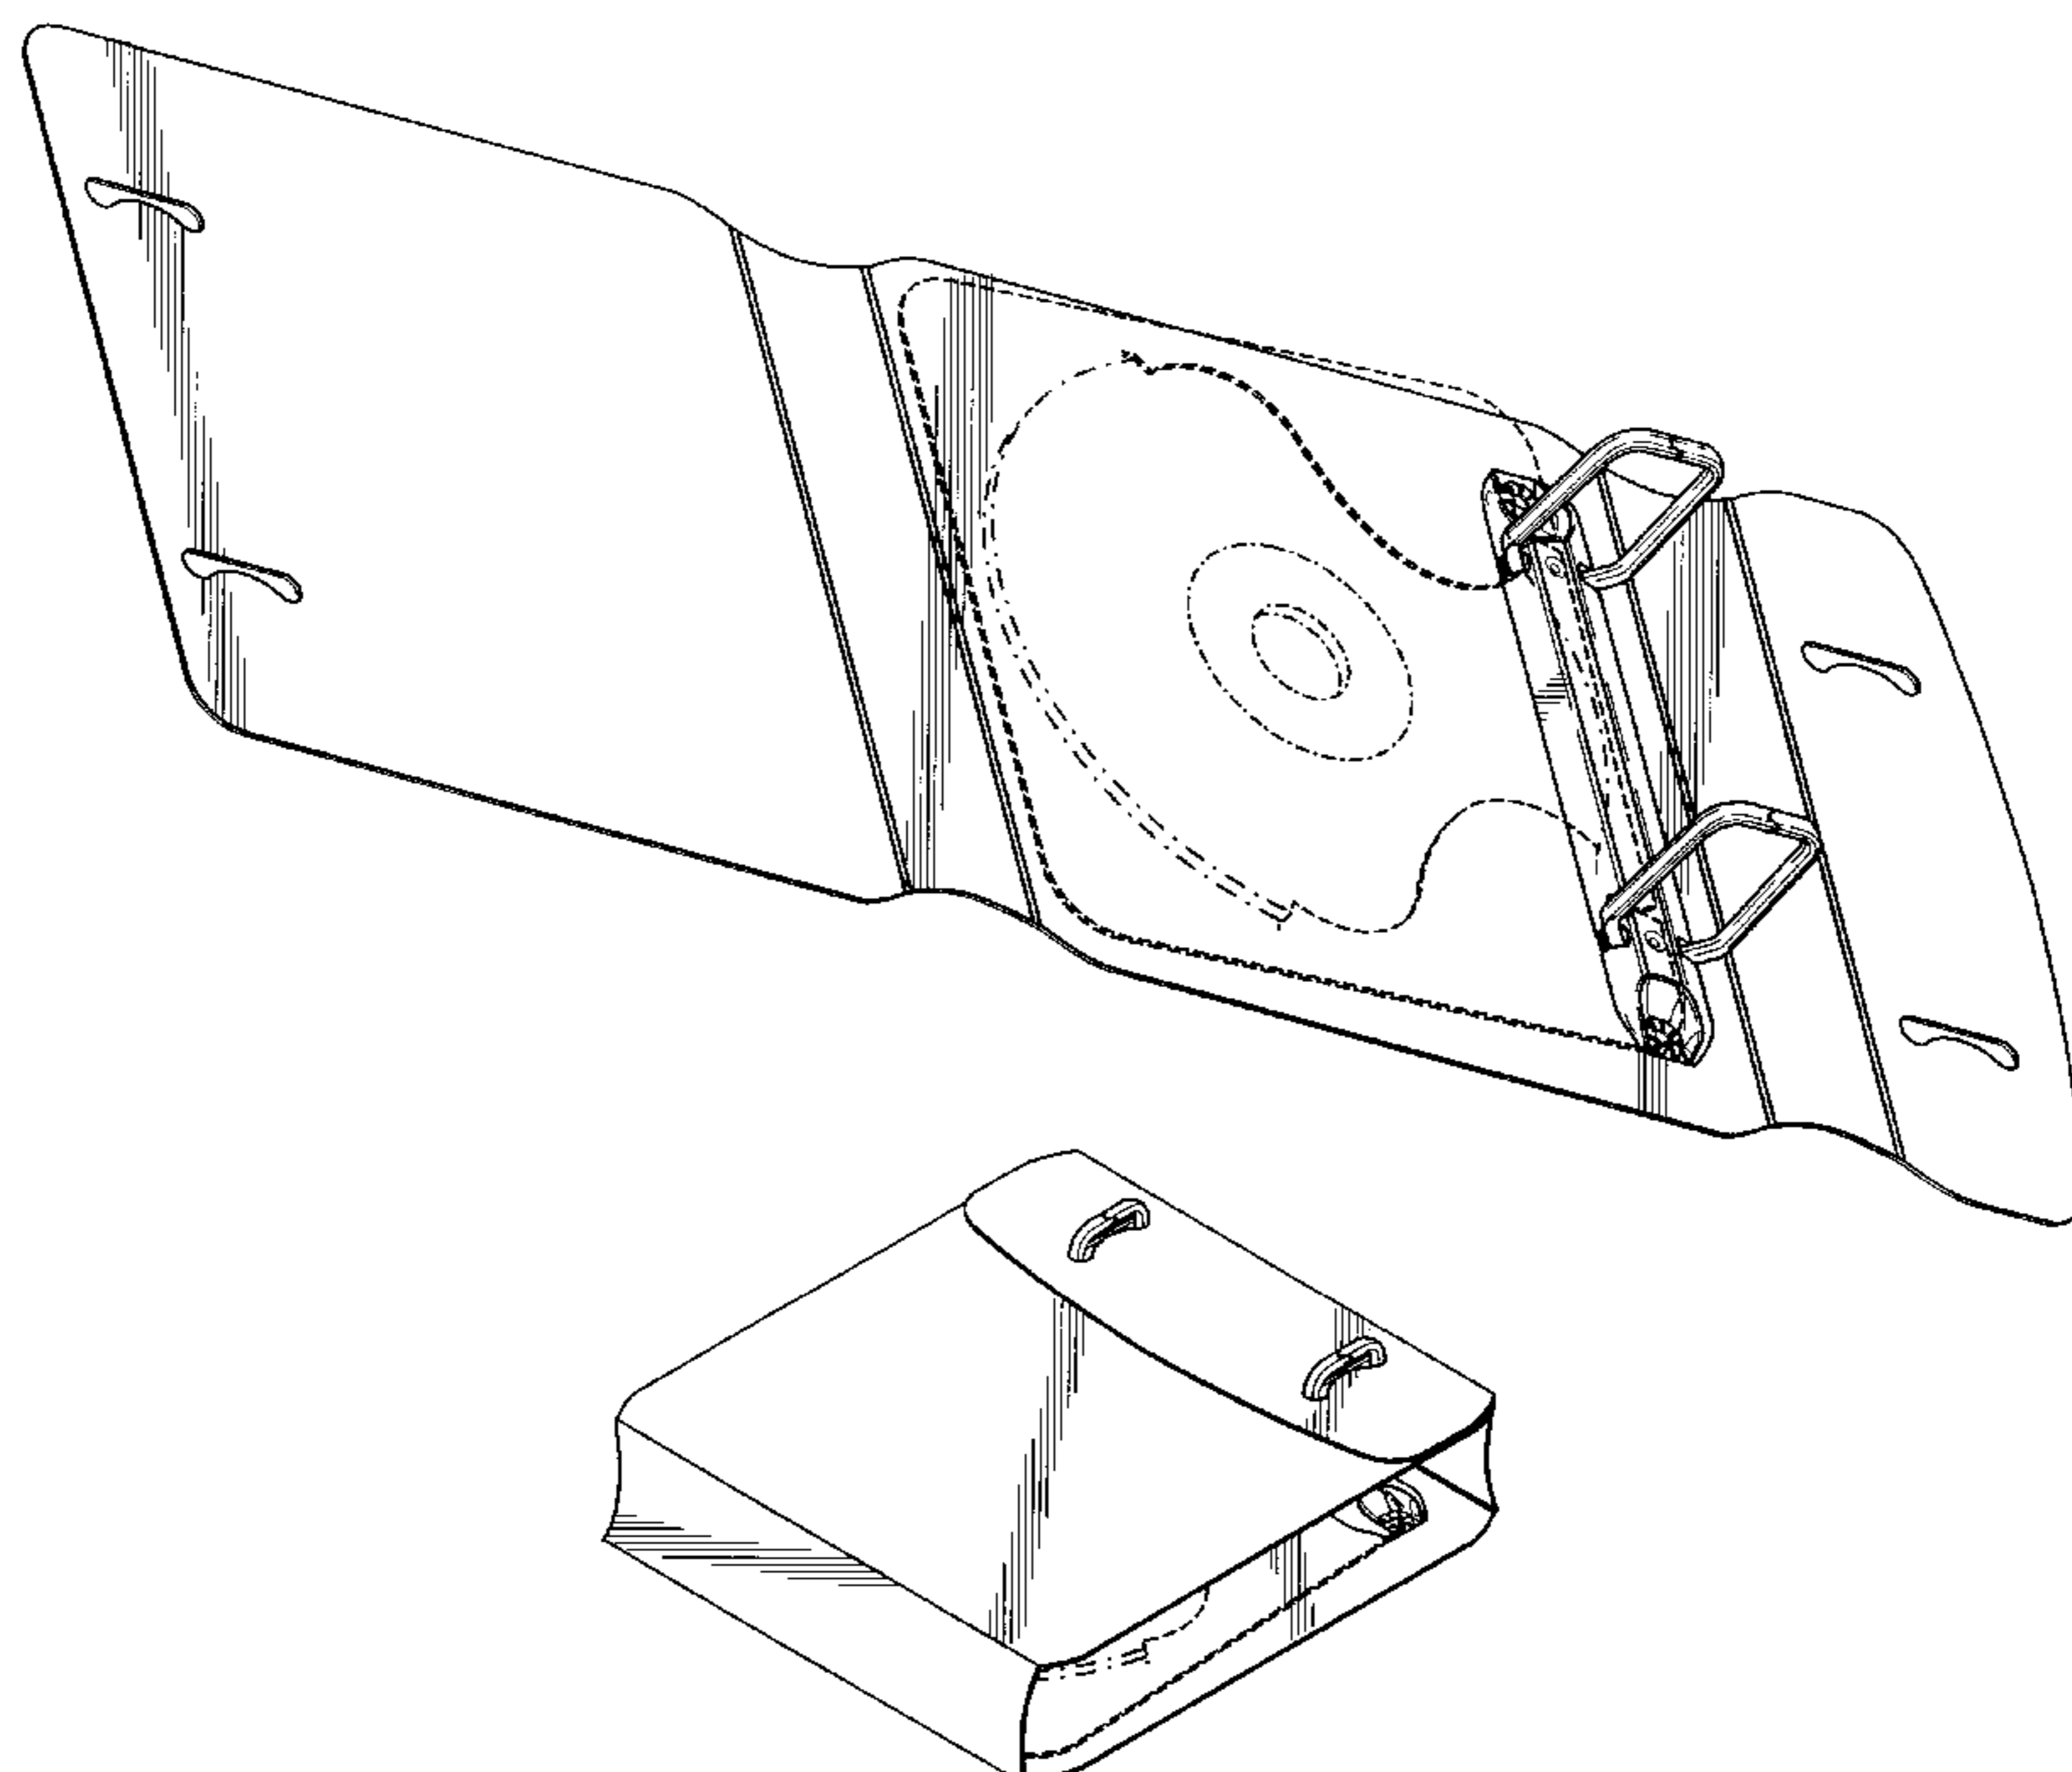

FIG. 5 is a right elevational view of the CD binder illustrated in FIG. 2.

FIG. 6 is a rear elevational view of the CD binder illustrated in FIG. 2.

FIG. 7 is a front elevational view of the CD binder illustrated in FIG. 2.

FIG. 8 is a perspective view of the CD binder illustrated in FIG. 2 shown with one of the flaps in a closed position; and, FIG. 9 is a perspective view of the CD binder illustrated in FIG. 2 shown with a second flap in a closed position.
