(57) **CLAIM**

The ornamental design for a pen roller for highlighting or for applying correction fluid or adhesive material, as shown and described.

DESCRIPTION

The roller can be used for highlighting or for applying correction fluids or adhesive materials.

FIG. 1—is a perspective view from the front left side of the pen roller for highlighting or for applying correction fluid or adhesive material of the present invention; and,

FIG. 2—is a plan view of the back of the pen roller of FIG. 1.
