(57) **CLAIM**

The ornamental design for a dispenser housing, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a dispenser housing showing my new design;

FIG. 2 is a right side view thereof;

FIG. 3 is a left side view thereof;

FIG. 4 is a front view thereof;

FIG. 5 is a top view thereof; and,

FIG. 6 is a perspective view of an alternate embodiment thereof, the only difference residing in the height of the disclaimed center section.

The broken line showing of various features is for illustrative features only and forms no part of the claimed design. The generally horizontal wavy broken lines and bracket indicate that the claimed design includes upper and lower sections and that the center section therebetween forms no part of the claimed design. The remainder of the dispenser, including its unshown bottom and rear, forms no part of the claimed design.
