(57) **CLAIM**

The ornamental design for an insert trim set for garage door windows, as shown and described.

**DESCRIPTION**

FIG. 1 is a front elevational view showing an insert trim set for a garage door, with the portion of the garage door being shown in broken line for illustrative purposes only and form no part of the claim design;

FIG. 2 is an enlarged front elevational view of an insert trim member;

FIG. 3 is an enlarged rear elevational view of the insert trim member;

FIG. 4 is a further enlarged bottom view of the insert trim member. The top view of the insert trim member is a mirror image of the bottom view;

FIG. 5 is a further enlarged end view of the insert trim member. The opposite end thereof is a mirror image of the end view shown;

FIG. 6 is greatly enlarged fragmentary sectional view taken along line 6—6 of 2;

FIG. 7 is a greatly enlarged fragmentary front elevational view of a corner of the insert trim member; and,

FIG. 8 is a greatly enlarged fragmentary rear elevational view of the corner of the insert trim member shown in FIG. 7.
