(57) **CLAIM**

The ornamental design for a walking stick, as shown and
described.

DESCRIPTION

FIG. 1 is a right side, isometric view of my walking stick.

FIG. 2 is an enlarged, fragmentary, front elevational eleva-
tional view of the walking stick.

FIG. 3 is a right side elevational view of the walking stick,
the left side elevational view being substantially identical
thereto. The only difference between the left and right sides
of the walking stick is the position of the strap.

FIG. 4 is a rear elevational view of the walking stick.

FIG. 5 is a top plan view of the walking stick; and,

FIG. 6 is a bottom plan view of the walking stick.

The walking stick has been shown fragmentarily in FIGS. 1
through 6 to indicate indeterminate length.
