The ornamental design for “decorative picket edge landscape stone,” as shown and described herein.

**DESCRIPTION**

© Copyright. 2000. Pavestone Co. All of the material in this patent application is subject to copyright protection under the copyright laws of the United States and of other countries. As of the first effective filing date of the present application, this material is protected as unpublished material.

However, permission to copy this material is hereby granted to the extent that the owner of the copyright rights has no objection to the facsimile reproduction by anyone of the patent document or patent disclosure, as it appears in the United States Patent and Trademark Office patent file or records, but otherwise reserves all copyright rights whatsoever.

FIG. 1 is a perspective view of the preferred embodiment of the invention of the decorative picket edge landscape stone; FIG. 2 is a left and right view of the preferred embodiment of the invention of the decorative picket edge landscape stone;

FIG. 3 is a top view of the preferred embodiment of the invention of the decorative picket edge landscape stone;

FIG. 4 is a front and rear view of the preferred embodiment of the invention of the decorative picket edge landscape stone; and,

FIG. 5 is a bottom view of the preferred embodiment of the invention of the decorative picket edge landscape stone.
