(57) **CLAIM**

The ornamental design for a throwable disc toy, as shown and described.

DESCRIPTION

FIG. 1 is an isometric view of a throwable disc toy, showing my new design, the outer ring shaded to show mesh;

FIG. 2 is a top plan view thereof;

FIG. 3 is a bottom plan view thereof;

FIG. 4 is a side elevational view thereof;

FIG. 5 is an isometric view thereof, partial broken away, the luminescent device shown in broken lines for illustrative purposes only and forms no part of the claimed design;

FIG. 6 is an isometric view of a second embodiment of FIG. 1, the only difference being a slightly raised center portion; and,

FIG. 7 is a side elevational view of FIG. 6.

Although the luminescent device depicted in FIG. 5 may be visible through the mesh outer ring, for the purpose of clarity such has not been shown.

The broken lines showing a luminescent device are for illustrative purposes only and form no part of the claimed design.
