(57) **CLAIM**

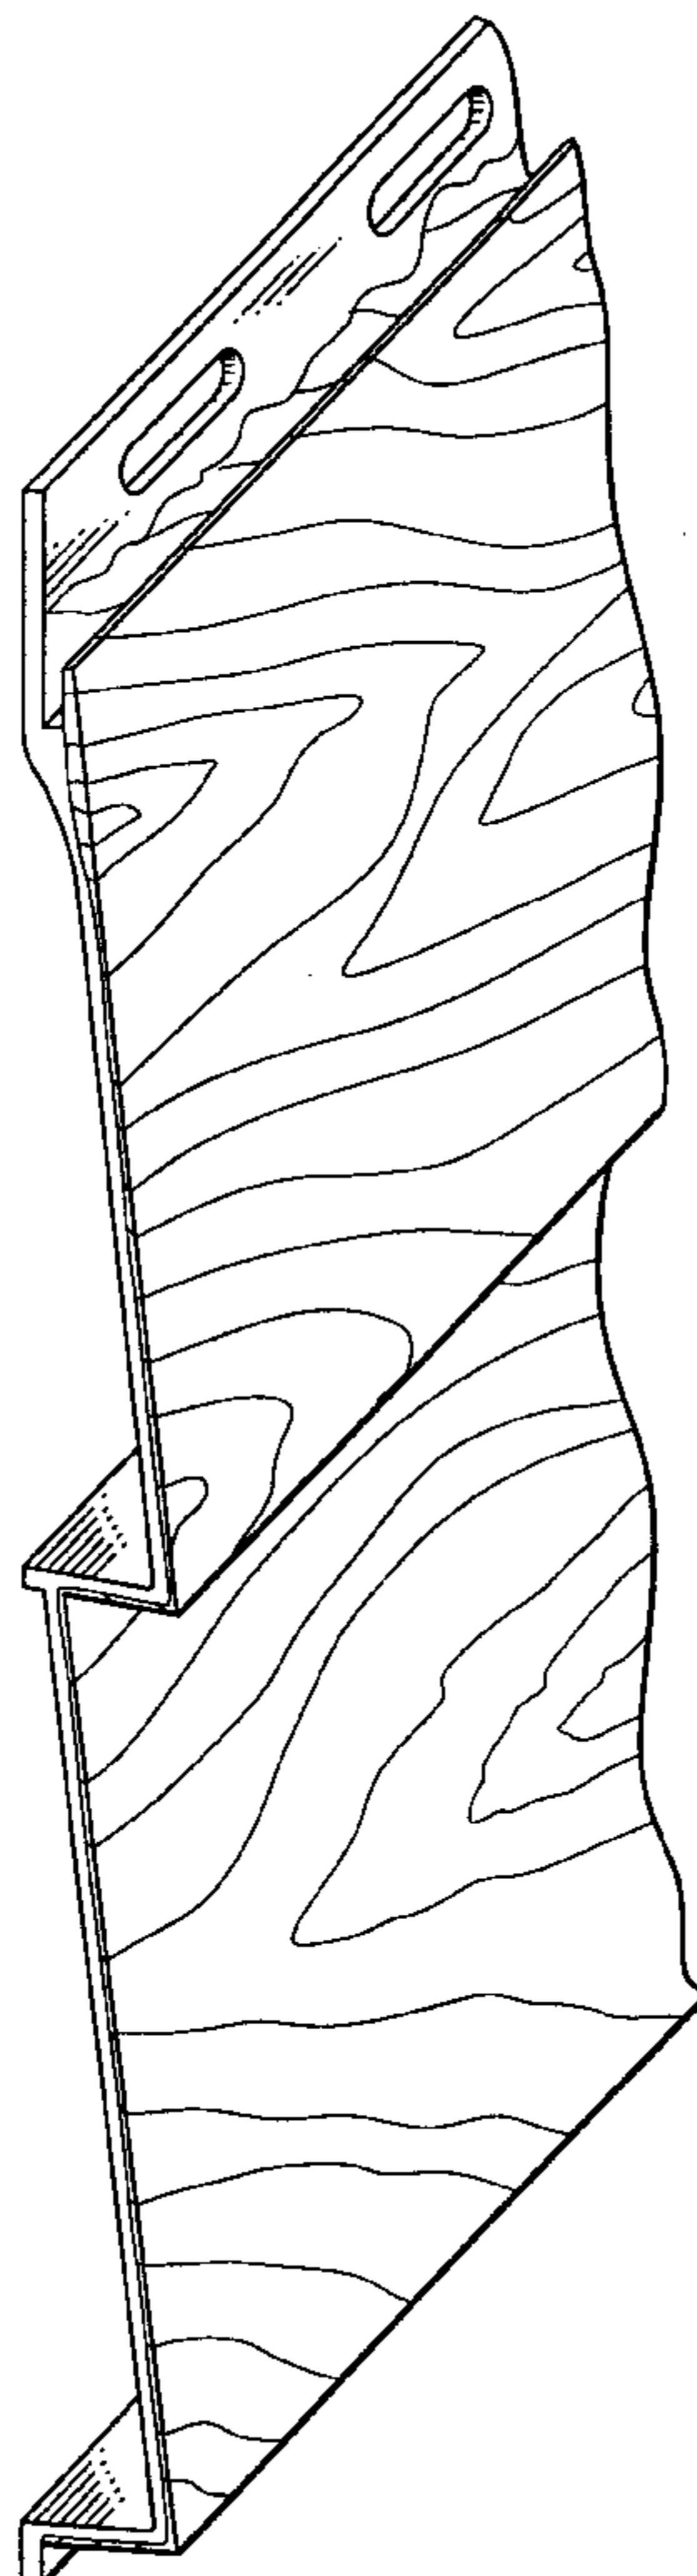

The ornamental design for an extruded, exterior siding panel, as shown and described.

DESCRIPTION

FIG. 1 is a partial front perspective view of an extruded, exterior siding panel showing our new design, the rear perspective view being plain and unornamented; and, FIG. 2 is a partial front elevational view of the extruded exterior siding panel of FIG. 1.

The claimed design is broken on one side to indicate indeterminate length.
