(57) **CLAIM**

The ornamental design for an embossment pattern for absorbent paper products, as shown and described.

DESCRIPTION

Non-limiting examples of paper products that can include the ornamental design of the invention are toilet paper, paper towels, facial tissue, table napkins and the like.

The sole FIGURE is a top plan view of an embossment pattern for absorbent paper products showing our new design.

In the drawings, the broken lines represent the boundaries of the claimed design as well as the boundaries of the portion of a paper to which the pattern is applied. The broken lines form no part of the claimed design.
