(57) **CLAIM**

The ornamental design for a connector device for a smart  
card, as shown and described.

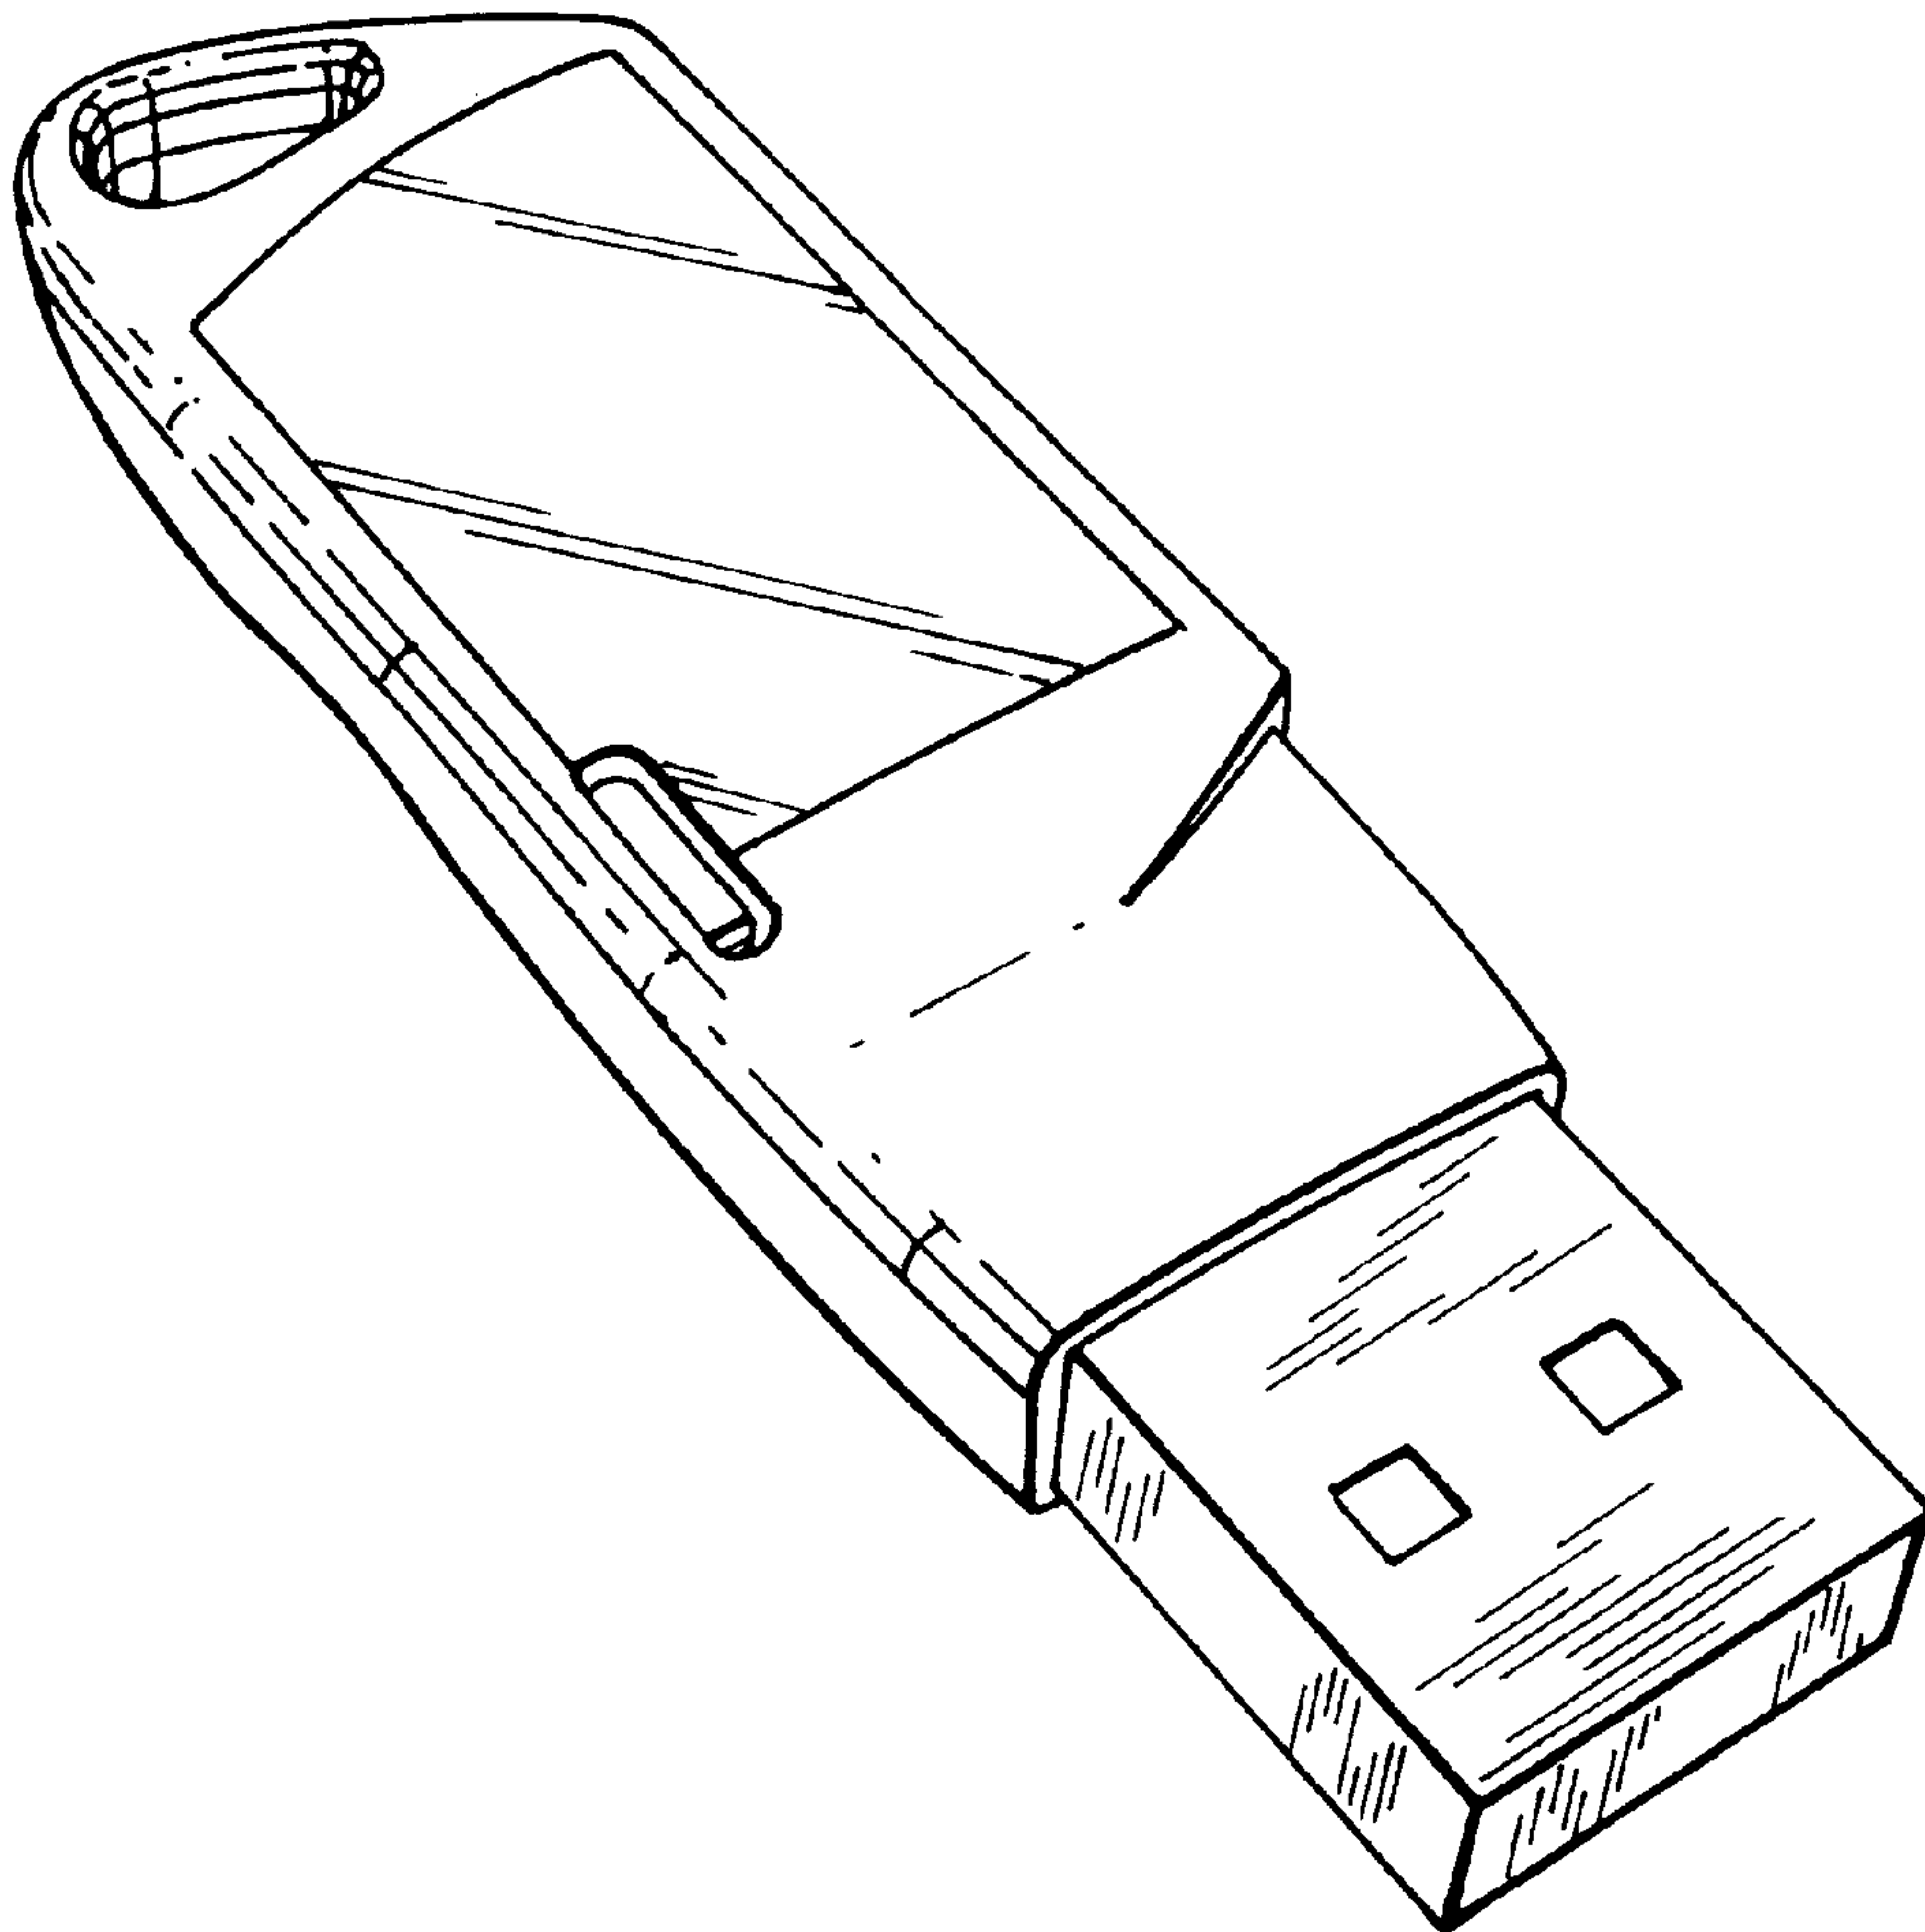

#### DESCRIPTION

FIG. 1 is a front perspective view of the connector device for  
a smart card embodying my design as taken from a top right  
corner thereof;

FIG. 2 is a rear perspective view thereof taken from a bottom  
left corner; and,

FIG. 3 is a rear perspective view thereof taken from a top left  
corner.
