(57) **CLAIM**

The ornamental design for a dental plate extractor, as shown and described.

DESCRIPTION

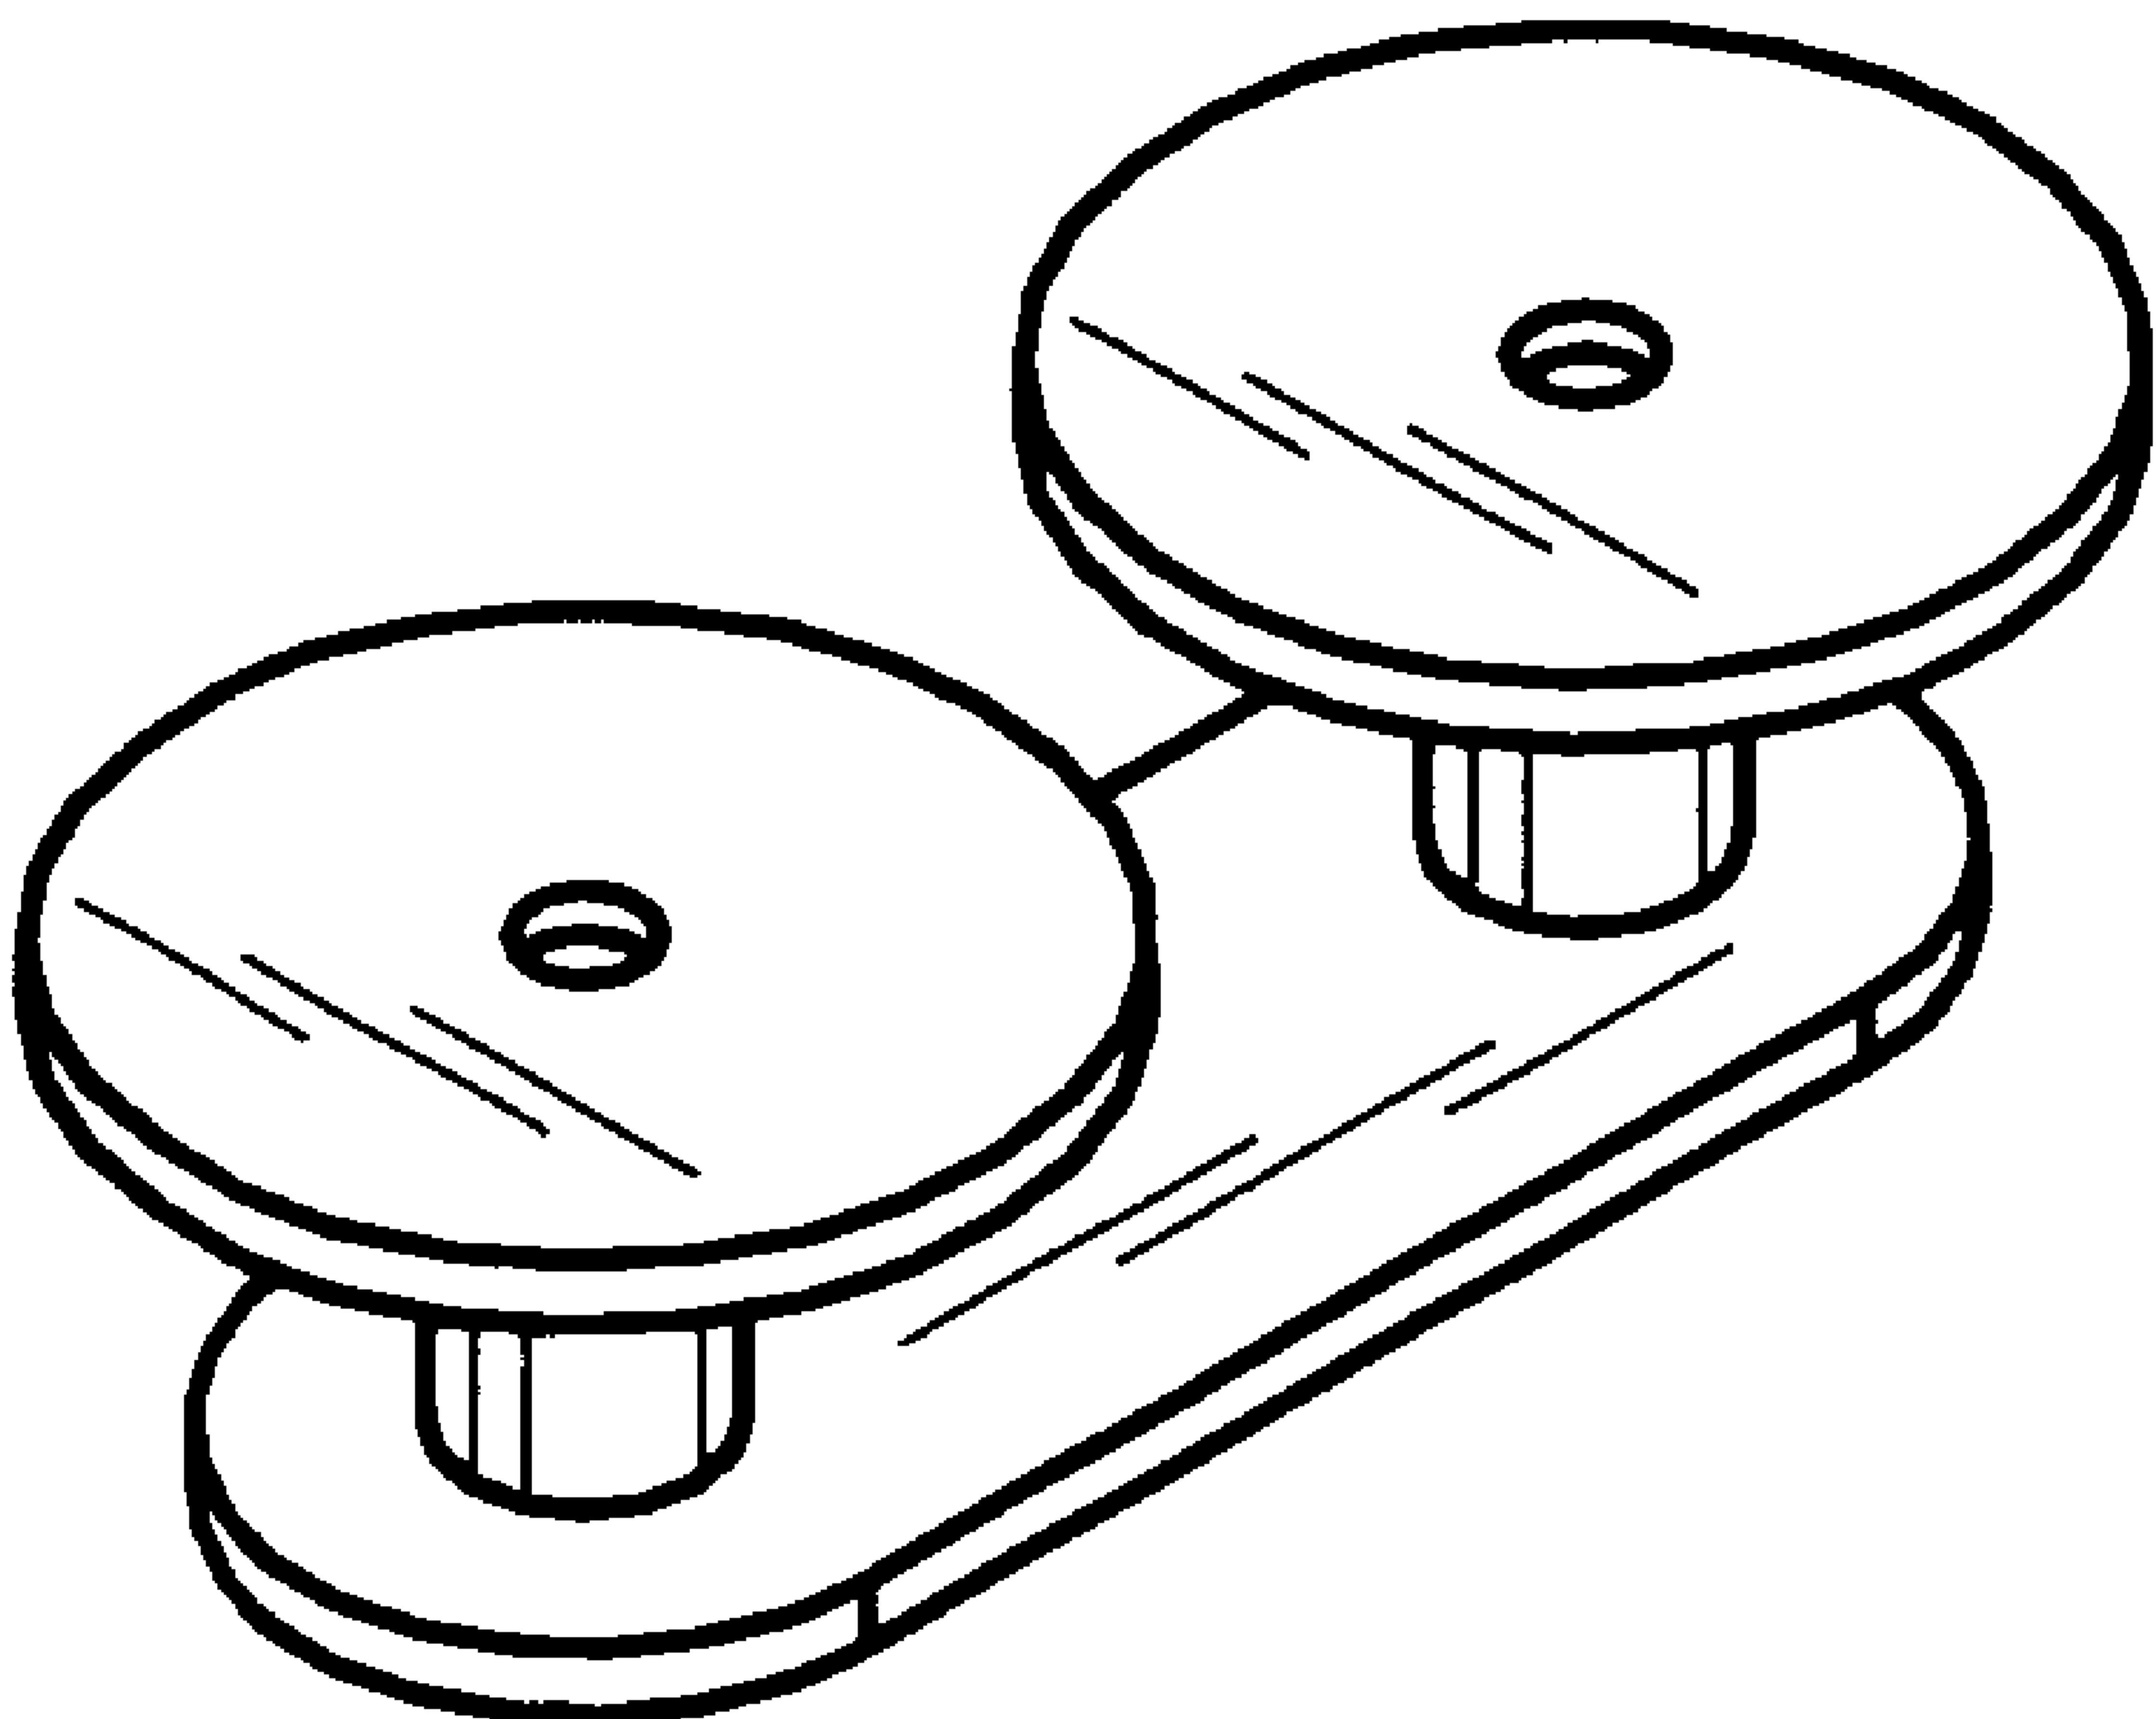

FIG. 1 is a left side, front, top perspective view of a dental plate extractor embodying my design;

FIG. 2 is a rear elevational view of the design as seen in FIG. 1, the front elevational view being a mirror image thereof; FIG. 3 is a bottom plan view of the design as shown in FIG. 1;

FIG. 4 is a top plan view of the design as shown in FIG. 1 reduced size with a handle seen in dotted line form, the handle not forming part of the design; and,

FIG. 5 is a left side elevational view of the design as seen in FIG. 4 with the handle shown in dotted line fashion and not forming part of the design, the right side elevational view being a mirror image thereof.
