(57) **CLAIM**

The ornamental design for a mold produced housing for enclosing the connection between cable and a connector, as shown and described.

DESCRIPTION

FIG. 1 is a front elevational view of a mold produced housing for enclosing the connection between a cable and a connector showing my new design.

FIG. 2 is a rear elevational view thereof.

FIG. 3 is a top plan view thereof.

FIG. 4 is a bottom plan view thereof.

FIG. 5 is a right side elevational view thereof; and,

FIG. 6 is a left side elevational view thereof.

The broken line environmental showing is for illustrative purposes only and forms no part of the claimed design.
