(57) **CLAIM**

The ornamental design for a drink through lid, as shown and described.

DESCRIPTION

FIG. **1** is a top left isometric view of the design in use with an exemplary beverage container which is not a part of the design wherein the area within the dashed lines forms no part of the claimed design.

FIG. **2** is a top plan view of the design wherein the area within the dashed lines forms no part of the claimed design.

FIG. **3** is a front elevational view of the design.

FIG. **4** is a right side elevational view of the design, the left side view being a mirror image thereof; and,

FIG. **5** is a rear elevational view of the design.
