(57) **CLAIM**

The ornamental design for a support undergarment, as shown and described.

DESCRIPTION

FIG. 1 is a perspective view of a support undergarment in full lines with legs shown in broken lines representing environmental association matter being for illustrative purposes only and forming no part of the claimed invention.

FIG. 2 is a front elevational view of the support undergarment.

FIG. 3 is a rear elevational view thereof.

FIG. 4 is a left side elevational view thereof, the right side elevational view being a mirror image of the left side view.

FIG. 5 is a top plan view of the support undergarment; and,

FIG. 6 is a bottom plan view thereof. The broken lines on the waistband of the support garment are understood to represent stitching.
